Public reporting burden for this collection of information is estimated to average 2 hours per response, including the time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are mandatory and required to manage commercial fishing efforts under 50 CFR part 679 and under section 402(a) of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801, *et seq.*). This form is used to apply for a Transfer Eligibility Certificate. PURPOSE: NMFS uses the information provided on this application to verify the identity of the applicant and to accurately retrieve confidential records related to Federal permits to determine eligibility to receive quota share (QS) or individual fishing quota (IFQ) by transfer. All potential IFQ QS holders may incur a debt to the government because of fee liabilities charged under the IFQ Program cost recovery fee program authorized under section 304(d)(2)(A) of the Magnuson-Stevens Act and implemented by regulations at 50 CFR 679.45.

ROUTINE USES: Disclosure of this information is subject to the published routine uses identified in the Privacy Act System of Records Notice COMMERCE/NOAA-19, Permits and Registrations for the United States Federally Regulated Fisheries. DISCLOSURE: Providing this information is mandatory; failure to provide complete and accurate information will prevent the determination of eligibility to receive quota share or individual fishing quota by transfer.

INSTRUCTIONS
APPLICATION FOR ELIGIBILITY TO RECEIVE QS/IFQ

Quota Share (QS) was initially issued to persons who owned or leased vessels that made legal commercial fixed-gear landings of Pacific halibut or sablefish during 1988, 1989, or 1990 off Alaska. The application period for QS ended on July 15, 1994. Once issued to a person by NMFS, QS is held by that person until it is transferred, suspended, or revoked. Currently, QS may only be obtained through transfer. QS is transferable to other initial issuees or to those who have become transfer-eligible through obtaining NMFS' approval.

Those persons applying to receive QS or Individual Fishing Quota (IFQ) by transfer must submit to the Regional Administrator an Application for Eligibility to Receive QS/IFQ to obtain a Transfer Eligibility Certificate (TEC).

If participant is a U.S. corporation, partnership, association or other non-individual business entity, he or she must complete and submit a Quota Share Holder: Identification of Ownership form. Download this form from NMFS Alaska Region website at <https://www.fisheries.noaa.gov/permit/alaska-ifq-halibut-sablefish-and-cdq-halibut-program-fishery-applications-and-reporting>, or call RAM and request the form be mailed or faxed to you.

Except for residents of Adak, Alaska, to be eligible, persons must have 150 or more days of experience working as part of a harvesting crew in any U.S. commercial fishery. Work in support of harvesting but not directly related to it is not considered harvesting crew work. An eligible community resident of Adak receiving IFQ derived from QS held by an Aleutian Islands Community Quota Entity (CQE) is not required to meet the 150-day criteria for purposes of receiving IFQ from an Aleutian Islands CQE.

Type or print legibly in ink and retain a copy of completed application for your records.
