## 1. Overview

We are currently recruiting teachers and their classes for classroom testing and teachers for focus group testing. To complement our recruiting efforts, we would like to send an email to the Equip HQ list, and also place a banner on the EquipHQ.uspto.gov website. Second Avenue will be sending the email and placing the banner on the website.

The purpose of this document is to provide you with the proposed questions that will be asked in a screener.

## 2. Content

### Screener

This screener will be sent to respondents to our call for classroom observations and for focus group participants. The segmentation for both groups is the same.
