

Subject Line: Invitation to Join DoD Research Study

Dear <First and Last Name>,

You have been selected to represent your fellow Sailors by participating in an important military research study investigating the health behaviors of male active duty service members. This research study involves a 60-minute, one-on-one phone interview about difficult experiences in the military, namely, sexual assault and harassment.

This survey is designed to be completed one time only. To show our appreciation for your time, you will receive a \$40 gift card to Amazon.com for participating in the one-on-one phone interview. Your participation may also help us better address the needs of future Sailors.

This Department of Defense sponsored study will be conducted completely confidentially.

Any information that you provide will not be made available to your chain of command or promotion boards, nor will it affect any future care you receive.

If you have any questions about this research, please email us at mosaicstudy@health.mil. If you would like to see more information about this research or to sign up for the study, please follow this link: https://hbsnhrc.gov1.qualtrics.com/jfe/form/SV_em2wnuM7hDOnB66

This link will take you to the study informed consent and sign-up page, where you may read details about the study purpose, what is involved, and procedures in place to protect study participants. Should you choose to participate, you may complete the study sign-up form and a research staff member will contact you to schedule your interview.

We appreciate your time and consideration.

Very respectfully,

Kristen Walter, Ph.D.
Principal Investigator
Naval Health Research Center
