Reminder: Federal financial assistance award recipients are a crucial part of safeguarding Federal funds and maintaining a secure cyber environment. Check out this Grants.gov blog post to learn more.

Note: **Improved Visual Appearance for Commons:** Look for an enhanced visual appearance for Commons over the next few months, as it moves to the new look and feel of other eRA modules. The new look is part of a required technology update that will enhance the security and stability of Commons. The capabilities remain the same. However, there will be changes in the way users navigate to other modules, access action items, export documents, etc. For additional details and images, please visit: eRA Common: Improved Visual Appearance.

Note: eRA posts **Deployment and Maintenance Calendar** on the eRA Website. Updates and additional details about planned maintenance are documented in this calendar as they become available.

🏢 Register Organization

Your organization must complete multiple registrations, including eRA Commons, in order to submit a grant application. See Register; Register in eRA Commons.

📄 Submit a Reference Letter

To provide a reference letter for a fellowship or career development applicant, see Submit a Reference Letter; Reference Letters. No need to log in.

💡 Report your patent in iEdison

iEdison: an interagency online reporting system for recipients of federal funding agreements to report subject inventions to the federal funding agency and complete other reporting as required by the Bayh-Dole Act and its implementing regulations.

👤 How to Create an Account

Once your organization is registered, your signing official creates accounts for others in the Account Management System. For help, see Create an Account.
