

**Agency Information Collection Activities: Proposed Collection; Comments Request 0930-0110 Package Title National Survey on Drug Use and Health (NSDUH) 89 FR 15601 (March 04, 2024)
Summary of Comments and SAMHSA's Responses as of 5/01/2024**

Comment Number	Date Received	Organizations	Summary of Comments	SAMHSA's Response
1	5/1/2024	Glorimar Caraballo-Correa Professor University of Puerto Rico	The commenter inquiring about the Spanish version of the questionnaire implemented in the Puerto Rico pilot	SAMHSA appreciates the question, however, the Spanish translation used during the Puerto Rico pilot is not available to the public.
2	5/1/2024	Kathy Crosby CEO and President Truth Initiative	The commenter recommended asking about the use of heated tobacco products.	SAMHSA appreciates the recommendation but there is insufficient space in the 2025 NSDUH for the suggested addition.
3	5/1/2024	Kathy Crosby CEO and President Truth Initiative	The commenter recommended asking about the use of nicotine pouches.	SAMHSA appreciates the recommendation but there is insufficient space in the 2025 NSDUH for the suggested addition.
4	5/1/2024	Kathy Crosby CEO and President Truth Initiative	The commenter recommended adding questions about the brand of e-cigarette used.	SAMHSA appreciates the recommendation but there is insufficient space in the 2025 NSDUH for the suggested addition.
5	5/1/2024	Kathy Crosby CEO and President Truth Initiative	The commenter recommended adding questions about nicotine dependence for e-cigarette use, similar to the nicotine dependence for cigarette use (DRCGE01-DRCGE19b)	SAMHSA appreciates the recommendation but there is insufficient space in the 2025 NSDUH for the suggested addition.
