

## QIS Progress Report Form

*Submission date (please indicate the date you are submitting this QIS form via HIOS or SERFF)*

*Use this form to report on progress made during the previous year of your quality improvement strategy (QIS). Please refer to your baseline QIS Implementation Plan and any subsequent modifications for baseline data.*

*Confirm you have reviewed your baseline QIS Implementation Plan (and associated Modification Summary Supplement, if applicable) in preparing this submission.*

*For detailed instructions, please refer to the Quality Improvement Strategy: Technical Guidance and User Guide for the current plan year on the [Marketplace Quality Initiatives website](#).*

**PLEASE NOTE: Both issuers who are CONTINUING or DISCONTINUING a QIS need to submit a Progress Report form. There are two scenarios for issuers:**

- 1. Progress Report:** *Issuers who are continuing their current QIS (with or without modifications) should select **Progress Report** to report on progress made during the previous year of your QIS.*
- 2. Progress Report Closeout Form:** *Issuers discontinuing their current QIS and implementing a new one should select **Progress Report Closeout Form** and submit the Progress Report form to close out the discontinued QIS. These issuers should also describe the QIS that will be in place for the 2025 Plan Year by submitting a QIS Implementation Plan for the new QIS.*

**For CMS Use Only**

## QIS Submission Type

### Part A. Progress Report or Closeout QIS Submission

These fields are required but will not be scored as part of the QIS evaluation.

#### 1. Type of QIS Submission

Select the option that describes the type of QIS submission and follow the instructions to complete the submission.

Type of QIS	Instructions
<b>Progress Report</b>	Issuers must complete one <sup>1</sup> form: 1. Complete the Background Information section (Parts A and B), and the Progress Report Summary section (Part C) of the Progress Report form to report progress on your baseline QIS.
<b>Progress Report Closeout Form</b>	Issuers must complete 2 forms: 1. Complete the Background Information section (Parts A and B) and the Progress Report Summary section (Part C) of the Progress Report form to close out the discontinued QIS, reporting on progress up until the strategy was discontinued. 2. Complete a new Implementation Plan form. See instructions in the QIS Implementation Plan form: New QIS after Discontinuing a QIS Submitted During a Prior QHP Application Period.

#### QIS Title

Restate the short title for the QIS being reported on. *(200-character limit)*

**Note:** For all date fields in this form, use the down arrow key to activate the calendar and then use the mouse or arrow keys to navigate to the correct date.

**15. Current Payment Model(s) Description**

Select the category(ies) of payment models that are used by the issuer across its Exchange product line. Provide the percentage of payments in each payment model category<sup>2</sup> used by the issuer across its Exchange product line. The total percentage of payments across all four payment model types should equal approximately 100 percent.<sup>3</sup>

**Note:** These percentages can be estimates and do not need to be exact figures. Issuers may update this information year to year, as needed.

Payment Model Type	Payment Model Description	Provide Percentage
<b>Fee for Service – No Link to Quality and Value</b>	Payments are based on volume of services and not linked to quality or efficiency.	%
<b>Fee for Service – Linked to Quality and Value</b>	At least a portion of payments vary based on the quality or efficiency of health care delivery.	%
<b>Alternative Payment Models Built on Fee for Service Architecture</b>	Some payment is linked to the effective management of a segment of the population or an episode of care. Payments are still triggered by delivery of services, but there are opportunities for shared savings or two-sided risk.	%
<b>Population-based Payment</b>	Payment is not directly triggered by service delivery, so payment is not linked to volume. Clinicians and organizations are paid and responsible for the care of a beneficiary for a long period (e.g., more than one year).	%
<b>Total</b>	Please confirm the total percentage of payments across all four payment model type categories equals approximately 100%.	%

<sup>2</sup> Categories of payment models are defined in the *Alternative Payment Model Framework and Progress Tracking (APM FPT) Work Group – Alternative Payment Model (APM) Framework Final White Paper*, available at: <https://hcp-lan.org/workproducts/apm-whitepaper.pdf>. See the QIS Technical Guidance and User Guide for the current plan year, available on the [Marketplace Quality Initiatives website](#), for examples of payment models within each category.

<sup>3</sup> To calculate the percentage of payments for Fee for Service payments linked to quality or value, and/or Alternative Payment Models tied to quality or value, issuers should use the calculation methodologies defined in the *Measuring Progress: Adoption of Alternative Payment Models in Commercial, Medicare Advantage, and State Medicaid Programs (APM Measurement Effort) Final Paper*, available at: <https://hcp-lan.org/groups/apm-fpt/apm-report/>. See Table 1 (p. 7-10) for instructions to calculate the percentage of payments for these two payment model categories.
