SECTION D: PHYSICAL AND MENTAL HEALTH				
D01-D09	SF-12v2 Questionnaire	SF-12 Instrument		This questionnaire measures functional health status.

Item	Question text	Source	Justification
		Also used on BEES (OMB No. 0970-0537)	We will use them to (1) describe the characteristics of study participants and check that random assignment has created treatment and control groups with similar characteristics, (2) define subgroups, (3) provide control variables for regression models that will increase statistical precision, (4) construct weights to adjust for survey nonresponse, and (5) support analysis of the mediating factors driving program impacts.
D01a	Are you fully vaccinated against Coronavirus? Fully vaccinated means you got all the required shots.	New; Developed by Mathematica	This item will collect information on the effects of COVID-19 on study participants. Vaccination is expected to be associated with employment outcomes because being vaccinated may affect the types of jobs participants would be willing to take. Employers may also require vaccination for some employment.
D10	Are you deaf or do you have serious difficulty hearing?	American Community Survey (ACS) disability questions Also used on BEES (OMB No. 0970-0537)	These items measure disability. We will use them to (1) describe the characteristics of study participants and check that random assignment has created treatment and control groups with similar characteristics, (2) define subgroups, (3) provide control variables for regression models that will increase statistical precision, (4) construct weights to adjust for survey nonresponse, and (5) support analysis of the mediating factors driving program impacts.
D11	Are you blind or do you have serious difficulty seeing even when wearing glasses?	ACS disability questions Also used on BEES (OMB No. 0970-0537)	
D12	Because of a physical, mental, or emotional condition, do you have serious difficulty concentrating, remembering, or making decisions?	ACS disability questions Also used on BEES (OMB No. 0970-0537)	
D13	Do you have serious difficulty walking or climbing stairs?	ACS disability questions Also used on BEES (OMB No. 0970-0537)

D15	Because of a physical, mental, or emotional condition, do you have difficulty doing errands alone such as visiting a doctor's office or shopping?	ACS disability questions Also used on BEES (OMB No. 0970-0537)	
D16	Have you ever been treated for any mental health condition?	New Developed by Mathematica	These items measure physical and mental health status. We will use them to (1) describe the characteristics of study participants and check that random assignment has created treatment and control groups with similar characteristics, (2) define subgroups, (3) provide control variables for regression models that will increase statistical precision, (4) construct weights to adjust for survey nonresponse, and (5) support analysis of the mediating factors driving program impacts.
D17	What physical, mental, or emotional condition is the main reason you are limited?	Adapted from National Beneficiary Survey (NBS) (OMB No. 0960-0800)	
D18a	During the last 30 days about how often did you feel so depressed that nothing could cheer you up? 0. NONE OF THE TIME 1. A LITTLE OF THE TIME 2. SOME OF THE TIME 3. MOST OF THE TIME 4. ALL THE TIME	K-6 Distress Scale Also used on BEES (OMB No. 0970-0537)	This questionnaire assesses mental health and distress. We will use these items to (1) describe the characteristics of study participants and check that random assignment has created treatment and control groups with similar characteristics, (2) define subgroups, (3) provide control variables for regression models that will increase statistical precision, (4) construct weights to adjust for survey nonresponse, and (5) support analysis of the mediating factors driving program impacts.
D18b	During the last 30 days about how often did you feel hopeless? 0. NONE OF THE TIME 1. A LITTLE OF THE TIME 2. SOME OF THE TIME 3. MOST OF THE TIME 4. ALL THE TIME	K-6 Distress Scale Also used on BEES (OMB No. 0970-0537)	
D18c	During the last 30 days about how often did you feel restless or fidgety? 0. NONE OF THE TIME 1. A LITTLE OF THE TIME 2. SOME OF THE TIME 3. MOST OF THE TIME 4. ALL THE TIME	K-6 Distress Scale Also used on BEES (OMB No. 0970-0537)
