

## PROGRAM STAFF SURVEY FOR SIMR

**Note to reviewers:** This instrument includes a universe of items and questions relevant to a broad range of strategies that will be tested in the Strengthening the Implementation of Marriage and Relationship Education (SIMR) project. The instrument will be tailored and shortened for each individual site and the strategy that it is testing.

### Introduction

Thank you for participating in this pilot for the Strengthening the Implementation of Marriage and Relationship Programs (SIMR) study. SIMR is a study sponsored by the Administration for Children and Families within the U.S. Department of Health and Human Services. Through this project, [Program] is designing and testing [strategy] to address [topic], a common challenge for many healthy marriage and relationship education programs.

The purpose of this information collection is to learn about your experience using [strategy]. You may be asked to complete this survey multiple times during the pilot period. It should take about 10 minutes each time to complete this survey.

Participation in this information collection is voluntary. There are no penalties or negative repercussions for leaving any questions blank or declining to participate. However, you are encouraged to respond to as many questions as possible. The information you provide will be used to refine and improve the strategy. All individual responses that are collected are kept private to the extent permitted by law. Please do not include any personal information, such as your name or contact information, on this form.

NOTE: The Paperwork Reduction Act Statement: This collection of information is voluntary and will be used to gather information for the purpose of rapid-cycle learning activities to strengthen programs. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number and expiration date for this collection are OMB #: 0970-0531, Exp: 07/31/2022. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Robert Wood; RWood@Mathematica-mpr.com
