Dear National Park Visitor:

Thank you for participating in this study. Our goal is to learn about the expectations, opinions, and interests of visitors to the National Park System. This information will assist us in our efforts to better manage this park and to serve you.

The questionnaire is only being given to a select number of visitors, so your participation is very important. It should take about 20 minutes to complete after your visit.

When your trip is over, the same individual in your group who completed the onsite survey in the park should complete this follow-up questionnaire. Seal it in the postage-paid envelope provided and drop it in any U.S. Postal Service mailbox. You can also participate online by visiting the following website and entering your unique ID:

www.NPSSurvey.org/XXXX (Park Acronym)

Unique ID: 4-digit number found on the top right corner of your survey

If you have any questions, please contact the Social Science Program Manager, National Park Service, 1201 Oakridge Drive, Fort Collins, CO, 80525-5596; nps_nrss_social_science@nps.gov (email).

We appreciate your help.

Sincerely,

The National Park Service

SURVEY REMINDER:
Your input is very important!

Dear National Park Visitor,

About two weeks ago we contacted you to participate in a visitor survey for the National Park Service. On your recent trip to one of the many National Park Units, **you spoke with one of our survey administrators and received a questionnaire, postage-paid envelope, and online URL to participate.** If you have already sent in your completed survey, or taken it online, we thank you!

However, if you have not had the opportunity to complete the survey, please do so. Only a select number of people were asked to participate. If you lost the questionnaire or need additional postage, another questionnaire will be mailed to you in approximately two weeks and will include a return envelope with the appropriate postage.

Please complete the survey at your earliest convenience by either:

- **Completing the questionnaire booklet** and mailing it in the postage-paid envelope, or
- **Responding online** using the survey link and unique ID number included with your questionnaire packet.

Thank you!
The National Park Service
