APPENDIX A

DSP-61 <u>Instructions</u> Summary of Changes

Note: <u>Underlined</u> text represents newly added or edited verbiage. *Italicized* text represents existing application sections or verbiage.

#	Block #	Block Title	Change
1	1	Application/License for Temporary Export of Unclassified Defense Articles	Edited instruction verbiage under Transaction Number to: Classified information must be sent separately to PM/DDTC in accordance with Defense Security Service Defense Counterintelligence and Security Agency (DCSA) guidelines. For issues that may pertain to classified information, contact the DDTC Response Team.
2	4	U.S. Port of Import	Edited instruction verbiage for clarity: Enter the known or expected U.S. Customs port into which the commodities will enter the United States. Up to two ports can be entered.
3	5	Foreign Country of Ultimate Destination	Added instruction verbiage for clarity: Select the country of ultimate destination. This is the country where the commodities will ultimately be used or reside. The country of ultimate destination may be different from the country from which the commodities will be shipped into the United States (Block 3).
4	8	Application Information	 Added Freight Forwarder option under Applicant Is. Added clarifying language under Subsidiary checkbox: Select if the applicant/requester is a subsidiary of the PM/DDTC registered company to which the PM/DDTC registration code belongs. Note that the subsidiary must be listed on the registered company's DDTC registration in order to apply for the license.
5	10	Description of Transaction	• Edited instruction verbiage by removing second sentence: Provide any related license numbers that apply to the sections below. If there are no related license numbers, select "was never licensed for this applicant." When a previous license or agreement (Approved, Disapproved or RWAed) is identified, please provide a copy of the license/application/relevant pages of agreement including any proviso letters issued with your application. An electronic

			 copy of the previous license, agreement or case can be attached to the "Precedent (identical/similar) Cases" document type. Added instruction under newly added line A. This application represents: Select whether this transaction is a completely new shipment or the replacement of a previously issued license that is about to expire. Added instructions under each radio button that was added under the newly created line D. The commodity is being financed under
6	11-15	Commodities	Edited instruction verbiage under <i>Quantity</i> ; the removed language is not applicable to DSP-61: Enter the exact number for each particular item or major component. If this application is for an unshipped balance, the quantity, commodity, and values listed must reflect only the unshipped balance from the previous license.
7	16	Owner/End-User of Commodity in Foreign Country from Which Shipped	• Added instruction verbiage under Name: Foreign government entities must be identified, at a minimum, to the ministry level equivalent. Applications that only state "Government of (Country)" may be returned without action. Enter the full legal name of the owner/end- user of commodity in foreign country from which shipped. Do not include "subsidiary of" statements, partial address or location clarifiers, or go-by names in the Name field, unless those are part of the legal name. Note that foreign government entities must be identified, at a minimum, to the ministry-level equivalent (e.g., "Ministry of Defense of Lilliput"). Applications that only state "Government of (Country)" may be returned without action.
8	17	Manufacturer of Commodity	Added instruction verbiage under <i>Name</i> for clarity: Enter the full legal name of the manufacturer of commodity. Do not include "subsidiary of" statements, partial address or location clarifiers, or go-by names in the Name field, unless those are part of the legal name.

9	18	Consignor in Foreign Country from Which Shipped	Edited instruction verbiage under Name for clarity and harmonization with DSP-5: Enter the full legal name of the consignor in foreign country from which shipped. Do not include "subsidiary of" statements, partial address or location clarifiers, or go-by names in the Name field, unless those are part of the legal name. The consignor is the entity that will actually be shipping the commodity(ies) to the United States. Note that incomplete or imprecise addresses, or the use of P.O. Boxes, may result in the application being returned without action.
10	19	Source of Commodity	Added instruction verbiage under Name for clarity: Enter the full legal name of the source of commodity. Do not include "subsidiary of" statements, partial address or location clarifiers, or go-by names in the Name field, unless those are part of the legal name.
11	20	Foreign Intermediate Consignee	 Block 20 Foreign Intermediate Consignee was swapped with Block 24 End-User in Foreign Country of Ultimate Destination Added instruction verbiage under Name for clarity: The end-user is the entity that will take final possession of the commodity, regardless of foreign purchaser(s) and foreign intermediate consignee(s). Note that foreign government entities must be identified, at a minimum, to the ministry-level equivalent (e.g., "Ministry of Defense of Lilliput"). Applications that only state "Government of (Country)" may be returned without action.
12	21	U.S. Intermediate Consignee	• Edited introduction verbiage for clarity: At least one U.S. intermediate consignee is required and one of the U.S. intermediate consignees must be the applicant or a subsidiary. The U.S. intermediate consignee is the U.S. entity who will perform overhaul/repair, modification/upgrade, and/or maintain control of foreign-manufactured goods at trade shows and demonstration; act as the transshipment agent; or the name of U.S. military bases/ranges where exercises will take place. To enter one or more U.S. intermediate consignee(s), click the "Add Entry" button.

			• Edited instruction verbiage under Same as Block 8 for clarity: If the only U.S. intermediate consignee is the same as the applicant, select the 'Same as Block 8' check box. If the 'Same as Block 8' check box is selected, the 'Add' button become inactive.
			Added instruction verbiage under Name for clarity: Enter the full legal name of the U.S. intermediate consignee. Do not include "subsidiary of" statements, partial address or location clarifiers, or go-by names in the Name field, unless those are part of the legal name.
13	22	Consignee in Foreign Country of Ultimate Destination	Edited instruction verbiage for clarity: Add a Consignee in Foreign Country of Ultimate Destination or select the "None" eheckbox. At least one Foreign Consignee must be provided. More than one Foreign Consignee can be listed. To enter one or more Foreign Consignee in Foreign Country of Ultimate Destination, click the "Add Entry" button.
			Added instruction verbiage under newly added Same as Block 20 radio button: If the foreign end-user in the country of ultimate destination is the foreign consignee in country of ultimate destination, check the "Same as Block 20" box.
			Added instruction verbiage under Name for clarity: Enter the full legal name of the foreign consignee. Do not include "subsidiary of" statements, partial address or location clarifiers, or go-by names in the Name field, unless those are part of the legal name. The foreign consignee in country of ultimate destination is the entity that will receive the shipment for storage, modification, or for incorporation into another end-item and subsequent forwarding to the foreign enduser. The foreign consignee may be in a country other than the foreign end-user. Note that foreign government entities must be

				identified, at a minimum, to the ministry-level
				equivalent (e.g., "Ministry of Defense of
				Lilliput"). Applications that only state
				"Government of (Country)" may be returned
				without action.
14	23	Specific Purpose	•	Removed/added instruction verbiage under
				Details:
				Enter the details regarding the specific
				purpose of the proposed transaction. Provide
				a complete account of the specific purpose of
				the requested temporary import. Simply
				stating, "For use in military exercise," "for
				transshipment," or "for space launch" is
				inadequate. In order to provide rationale for
				the review and final U.S. Government
				determination, the specific details in this
				block should describe the intended uses, end-
				users, and end-use platforms of the
				commodities involved in the transaction.
				Additionally, specify if this is for a space
				launch occurring from the United States and
				reference any broader authorizations (e.g.
				technical assistance agreements) this
				transaction relates to. If applicable, list the
				RWA license number.
			•	Added instruction verbiage under newly
				added End-Use System/Platform field:
				List the systems and/or platforms for which
				the commodity will be used on, in, or with (as
				described in the Details section of this block).
				All intended end-use systems and/or
				platforms must be identified. If the
				commodity is a system, identify the end-use
				platforms. If the commodity is a component
				or part, then identify both the end-use system
				and platform. For example, if the commodity
				is a component/part going into a remote
				weapons system (RWS) which will in turn be
				installed on an armored vehicle, then both the
				RWS and the vehicle must be listed. If a
				commodity itself is the end-use platform (e.g.,
				a night vision goggle), then list the
				commodity.
15	24	End-User in Foreign Country of	•	Block 24 End-User in Foreign Country of
		Ultimate Destination		Ultimate Destination was swapped with
				Block 20 Foreign Intermediate Consignee
			•	Edited instruction verbiage under <i>Name</i> for
				clarity:
	1	1	1	J

Enter the full legal name of the foreign intermediate consignee. Do not include "subsidiary of" statements, partial address or location clarifiers, or go-by names in the Name field, unless those are part of the legal name. A foreign intermediate consignee is an entity who will receive the goods for onward movement to the foreign consignee or foreign end-user without actually taking title to the goods. This includes foreign freight forwarders, customs brokers, agents or representatives, and brokers as defined in 22 CFR 129(a). The foreign intermediate consignee may or may not be in the same country as the foreign consignee or foreign end-user. Note that foreign government entities must be identified, at a minimum, to the ministry-level equivalent (e.g., "Ministry of Defense of Lilliput"). Applications that only state "Government of (Country)" may be returned without action.

• Added instruction under newly added Role field:

Enter a description of the role the foreign intermediate consignee has in this transaction.
