

Instructions for Inter-Agency Alien Witness and Informant Record and Adjustment of Status

Department of Homeland Security
U.S. Citizenship and Immigration Services

USCIS
Form I-854AB
OMB No. 1615-0049
Expires 11/30/2024

What Is the Purpose of These Forms?

Form I-854A is used by law enforcement agencies (LEAs) to request that an alien witness and/or informant receive classification as S nonimmigrants. Form I-854B is used by LEAs to request that an alien in S nonimmigrant status be permitted to apply for adjustment of status to adjust to lawful permanent resident (LPR) status under section 245(j) of the Immigration and Nationality Act (INA).

These forms provide the Department of State (DOS) and Department of Homeland Security (DHS) with information necessary to identify the requesting LEA, the alien witness and/or informant, and others (e.g., the U. S. Attorney needing the information or testimony of that alien). Forms I-854A and I-854B assist DOS and U.S. Citizenship and Immigration Services (USCIS) in their joint responsibility to adjudicate requests by LEAs for S classification and adjustment of status under INA section 245(j).

Who Should Use These Forms?

Federal, state, or local LEAs (the U.S. Attorney's Office is considered an LEA for purposes of this form) may use these forms to request that an alien witness and/or informant is:

1. Classified as an S nonimmigrant (Form I-854A); or
2. Allowed to adjust to lawful permanent resident status from the S nonimmigrant classification (Form I-854B).

The LEA must specifically request the following for the alien witness and/or informant and his or her derivatives.

1. S-5 classification

This classification is for an alien who possesses and is willing to provide critical, reliable information to the requesting LEA on a criminal organization or enterprise, and who otherwise qualifies under INA section 101(a)(15)(S)(i) and 8 CFR 214.2(t)(1).

2. S-6 classification

This classification is for an alien who possesses and is willing to provide information about a terrorist organization; who will be or is placed in danger as a result; who is eligible for an award under section 36(a) of the DOS Basic Authorities Act of 1956, 22 U.S.C. 2708; and who otherwise qualifies under INA section 101(a)(15)(S)(ii) and 8 CFR 214.2(t)(2).

3. S-7 classification

This classification is for a spouse, married and unmarried sons and daughters, and parents of an alien witness and/or informant who otherwise qualify under INA section 101(a)(15)(S) and 8 CFR 214.2(t).

NOTE: A Federal or state LEA may request S-5 classification for an alien witness and/or informant. However, only a Federal LEA or Federal Court may request an S-6 classification. The LEA sponsoring an S-5 or S-6 may also sponsor an S-7 derivative.

LEA May Also Make a Request for Derivative Beneficiaries

The LEA may include qualifying relatives (spouse, married and unmarried sons and daughters, and parents) of the alien witness and/or informant in a request for the S nonimmigrant classification.

The LEA must fill out separate Forms I-854A and I-854B for each derivative. The LEA must also include all required information for such derivative beneficiaries of this request at the time of filing the nonimmigrant classification request.

USCIS will consider only qualifying relatives identified at the time of filing as accompanying or following to join the alien witness or informant. The LEA must attach proof of family relationship, biological data, and grounds of inadmissibility for each named qualifying relative.

Request for an S Nonimmigrant to File for Adjustment of Status to Lawful Permanent Resident (Form I-854B)

The LEA that originally requested the S classification must submit a request to allow a nonimmigrant in an S classification to file for adjustment to lawful permanent resident status, pursuant to INA section 245(j) and 8CFR 245.11, and may file the request until the alien has fulfilled the terms and conditions of his or her S classification.

The sponsoring LEA must attach all relevant documentation establishing that the alien has fulfilled the terms and conditions of his or her S classification and related recommendations to the request on Form I-854B.

Only the derivative beneficiaries named on the request for S classification are eligible to adjust status pursuant to 8 CFR 245.11.

If your form is not signed, or if the signature is not valid, we will reject your form. See 8 CFR 103.2(a)(7)(ii)(A). If USCIS accepts a request for adjudication and determines that it has a deficient signature, USCIS may deny the request.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of an original handwritten signature as valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten ink signature.

Read the **Instructions** and carefully complete all relevant parts of this form. You must use a separate form for each alien witness and/or informant requested.

How To Complete Forms I-854A and I-854B

1. Type or print legibly in black ink. **Failure to answer all questions will delay the processing of this form and may result in its denial.**
2. If you need extra space to complete any item within this form, attach a separate sheet of paper. Type or print your name, **the name of the alien, and the LEA requestor** at the top of each sheet; indicate the **Page Number, Part Number, and Item Number** to which your answer refers; and sign and date each sheet. **You should make copies of these completed forms for your records.**
3. Answer all questions fully and accurately. If a question does not apply to you (for example, if you have never been married and the question asks, “Provide the name of your current spouse”), type or print “N/A” unless otherwise directed. If your answer to a question which requires a numeric response is zero or none (for example, “How many children do you have” or “How many times have you departed the United States”), type or print “None” unless otherwise directed.

Provide exact information about the request you are making (e.g., for S classification waivers of grounds of inadmissibility or adjustment of status) and complete and attach all necessary certifications and documentation.

4. **Form I-94 Arrival-Departure Record.** If U.S. Customs and Border Protection (CBP) or USCIS issued **the alien** a Form I-94, Arrival/Departure Record, provide **his or her** Form I-94 number and date that **his or her** authorized period of stay expires or expired (as shown on **the** Form I-94). The Form I-94 number also is known as the Departure Number on some versions of Form I-94.

NOTE: If CBP admitted **the alien** into the United States at an airport or seaport after April 30, 2013, **he or she** may have **been issued an** electronic Form I-94 instead of a paper Form I-94. **The alien** may visit the CBP **website** at www.cbp.gov/i94 to obtain a paper version of an electronic Form I-94. CBP **does not** charge a fee for this service. Some travelers may also be able to obtain a replacement Form I-94 from the CBP website for free if they were admitted to the United States at a land border, airport, or seaport after April 30, 2013, with a passport or travel document and received a paper Form I-94 from CBP. If **the alien** cannot obtain **their** Form I-94 from the CBP website, **they** may obtain it by filing Form I-102, Application for Replacement/Initial Nonimmigrant Arrival-Departure Record, with USCIS. **We do** charge a fee for this service. See the USCIS website at www.uscis.gov/i-102 for more information.

Passport and Travel Document Numbers. If **the alien** used a passport or travel document to travel to the United States, enter the passport or travel document information in the appropriate space on the form, even if the passport or travel document is currently expired.

Country of Citizenship or Nationality. Provide the name of the country where you are a citizen and/or national. This is not necessarily the country where you were born. If you do not have citizenship in any country, type or print “stateless” and provide an explanation on a separate sheet of paper. Type or print your name and A-number (if any) at the top of this sheet and indicate the Page Number, Part Number, and Item Number to which your answer refers, and sign and date the sheet.

Required Documentation

For S Classification

Requests for the S classification (8 CFR 214.2(t)) are premised on the alien witness and informant’s willingness to provide critical, reliable information. Contact the Department of Justice (DOJ), Office of Enforcement Operations, Special Operations Unit for details of specific requirements.

NOTE: LEAs may not make promises for immigration benefits to an alien seeking S classification.

For Ground(s) of Inadmissibility

Form I-854A, Part 1., Item Numbers 8.a. - 8.c. You must ascertain and attach all grounds of inadmissibility (i.e., the reasons the alien may not be admissible to the United States) and a statement of each ground, or suspected ground, to this form.

Review the grounds of inadmissibility carefully with the alien and remind him or her that failure to disclose all grounds

of inadmissibility (conduct or conditions) on this form may result in denial of this request and/or removal from the United States.

For each ground checked in **Part 1., Item Numbers 8.a. - 8.c.**, you must provide a statement of all reasons why you believe USCIS should exercise discretionary waiver authority favorably for this alien for admission in the S classification.

Be as specific as possible and attach affidavits, statements, memorandums, or other documentation as necessary to explain circumstances. You should present specific reasons for exercising discretionary waiver authority whenever possible (e.g., if the alien has a history of drug abuse, you may present evidence of rehabilitation), such as the affidavits from doctors, psychiatrists, or other experts.

Documentation. You may submit evidence to verify the basis of the request (i.e., for a waiver, classification, or adjustment of status) in the form of affidavits, statements, memorandums, or other documentation.

You must also submit the following for each alien named in this request.

1. Two sets of the alien's fingerprints and signatures on Form FD-258.
2. Two identical color **passport-style** photographs of the alien taken **recently**. The photos must have a white to off-white background, be printed on thin paper with a glossy finish, and be unmounted and unretouched.
The photos must be 2 by 2 inches with a full face, frontal view. Head height should measure 1 to 1 3/8 inches from the top of their hair to the bottom of their chin, and eye height should measure between 1 1/8 to 1 3/8 inches from the top of their eyes to the bottom of the photo. The alien's head must be bare unless he or she is wearing headwear as required by a religious denomination of which he or she is a member. **Use a pencil or felt pen to** lightly print the alien's name and his or her alien's Alien Registration Number (A-Number) on the back of each photo.
3. The alien's A-Number (if any), FBI Number, U.S. Social Security Number (if any), and Form G-325, Biographical Information.
4. Copy of the alien's birth certificate (with translation) or passport.
5. Evidence of the alien's current immigration status or legal presence (e.g., parole, deferred action).

Required Certifications

Alien Certification

The certifications made by the alien and the LEA requestor provide a critical record for the future.

After you have carefully explained the certifications in **Part 2.** of Form I-854A and reviewed all statements on or attached to the form for accuracy, read the certifications to the alien and ensure that the alien understands each condition of admission and continued stay in lawful permanent resident status.

Indicate if the certification is interpreted to ensure the alien's understanding. Make sure the alien understands that an adjustment of status is not available until he or she has satisfied the conditions of admission and has continued to stay in lawful permanent resident status in the S classification.

LEA Certification (Form I-854A)

The LEA certification is necessary to provide a signatory witness to the alien's signature and stated understanding of his or her certification. LEA headquarters level certification is required to ensure that no promises were made other than those afforded by section 101(a)(15)(S) of the INA, and that full assumption of the responsibilities outlined in the request are authorized. The name of the LEA agency contact on this case, who is available by telephone for questions and verification of information, is also necessary.

LEA Certification (Form I-854B)

The LEA certification for Form I-854B is the formal request by the LEA that the Department of Justice, Criminal Division recommends that alien is allowed to apply for adjustment of status under INA section 245(j).

United States Attorney Certification

The U.S. Attorney's certification is necessary if the alien witness and/or informant will participate in a prosecution or

investigation that falls within the jurisdictional authority of a United States Attorney or if a state or local LEA will submit this form.

In some cases, the U.S. Attorney can defer their certification to the Assistant Attorney General for the Department of Justice, Criminal Division.

There are no filing fees for processing Forms I-854A or I-854B.
