best thing to do is to send the us army and military to the southern border and nother bordern and shut it down tight. no more to /come in here. and those here should be picked out and sent back to tehir own country. nobody in america wants them here except the ones who are out to rob them and mak emoney off their bodies. nobody else wants them here. they represent a negative financial tax prolem for american citizens paying for their leaching for their fr33 phones, free food, free transport. reee rent, free medical care, free schooling, our costs for these leaehs have bone upl00% they are takign jobs from americanw who need jobs. these foreigners need to be deported en masse nobody wants them here.demented joe Biden and his cohorts got away with this imposition on every american citizen.
