## DEAR APPLICANT LETTER

UNITED STATES DEPARTMENT OF EDUCATION

Dear Applicant:

Thank you for your interest in applying for a Fiscal Year (FY) XXXX grant under the National Resource Centers (NRC) program (Assistance Listing Number 84.015A). The program-specific application booklet includes information about the program and the instructions and forms required to submit complete application package to the U.S. Department of Education (Department).

A hallmark of the NRC program is breadth and depth in training that contributes to meeting the national need for individuals with expertise in modern languages and area or international studies. This expertise is required to respond to the demands not only for careers in education, defense, intelligence, and diplomacy, but also for a wide range of 21<sup>st</sup>-century workforce needs, including health sciences, STEM, economics, and information technology.

Grants awarded under the NRC program enable institutions of higher education (IHEs) or consortia of IHEs to establish, strengthen, or operate comprehensive or undergraduate centers that will be national resources for modern foreign language training in combination with research and training in area studies, international studies, or the international aspects of professional studies.

We strongly recommend that you read the entirety of the application booklet before you begin preparing your proposal. In addition to the application instructions, we call your attention to the following information about the FY XXXX NRC and FLAS competition:

- For FY XXXX, the NRC and FLAS competitions require you to submit a separate application package into the Grants.gov system for each program. For example, if you are requesting both NRC and FLAS funding, you will submit two separate application packages (with many similar components) in Grants.gov. Consistently, applicants that are requesting funding for only one program should submit the appropriate application package using the Assistance Listing Number for the NRC program or the FLAS program. You can find more information about this requirement in the Application Format and Components section of the application booklet.
- There are two Absolute Priorities and one Competitive Preference Priority for the FY XXXX NRC competition.

**Absolute Priority 1:**

Applications that provide (1) an explanation of how the activities funded by the grant will reflect diverse perspectives and a wide range of views and generate debate on world regions and international affairs; and (2) a description of how the applicant will encourage government service in areas of national need, as identified by the Secretary, as well as in areas of need in the education, business, and non-profit sectors.

**Absolute Priority 2:**

Applications that provide for teacher training activities on the language, languages, area studies, or thematic focus of the Center.

**Competitive Preference Priority - Partnership with Minority-Serving Institutions (MSIs) or Community Colleges (5 points):**

Under this priority, an applicant must demonstrate that the project will be implemented by or in partnership with one or more of the following entities:

1. Community colleges
2. Historically Black Colleges and Universities.
3. Tribal Colleges and Universities
4. Minority-Serving Institutions

Please see the FY XXXX Notice Inviting Applications for the definitions of these entities.

The FY XXXX Notice Inviting Applications (NIAs) published in the *Federal Register* on [INSERT DATE] is the official guidance for these competitions. Applicants should not rely upon any information that is inconsistent with the official notice. We recommend establishing a timeline that allows you to submit your application at least three (3) days prior to the closing date and time. Allowing sufficient lead time is essential because the time to upload an application varies, depending on the size of your application and the speed of your internet connection.

You may view additional information about the NRC and FLAS programs at:

<https://www2.ed.gov/about/offices/list/ope/iegps/index.html>.

We appreciate your efforts to promote excellence in international education and look forward to receiving your application.

Sincerely,

/signed/

Sarah T. Beaton

Director, Advanced Training and Research Division

## **PUBLIC BURDEN STATEMENT**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1840-0807. The obligation to respond to this collection is required to obtain or retain benefits (20 USC §1122) per the Code of Federal Regulations, Title 34, Chapter VI, Part 656. If you have any comments concerning the accuracy of the time estimate, suggestions for improving this individual collection, or if you have comments or concerns regarding the status of your individual form, application or survey, please contact National Resource Centers Program, U.S. Department of Education, 400 Maryland Avenue SW, Mailstop 258-40, Washington, DC, 20202 directly.

## Privacy Notice

**Authorities:** The following authorities authorize the collection of this information: 2 CFR § 200.207, under which the Federal awarding agency may only use application information collections approved by OMB under the Paperwork Reduction Act of 1995 and OMB's implementing regulations in 5 CFR part 1320 and in alignment with OMB-approved, governmentwide data elements available from the OMB-designated standards lead; 34 CFR § 655.30, which details the basis on which the U.S. Department of Education (Department) may evaluate applications for international education programs; and the Education Department General Administrative Requirements (EDGAR) and performance indicators that are contingent on the collection of data from centers selected to receive funding under the National Resource Centers (NRC) grant program.

**Purpose:** The purpose of collecting this information is to execute a merit review process for applications, with the objective of selecting recipients most likely to be successful in delivering results based on the NRC program objectives. Collected information will also be used in monitoring grant implementation and performance.

**Disclosures:** Information about NRC applicant institutions and associated staff will be shared with individuals selected to serve as peer reviewers during the NRC panel review process. ## **HELPFUL REMINDERS**

### **1. REGISTER EARLY**

Grants.gov registration involves many steps which may take approximately one week, but could take upwards of several weeks to complete.

The SAM registration process usually takes approximately 7 to 10 business days, but may take longer, depending on the completeness and accuracy of the data you enter into the SAM.gov database. We recommend that you register early, at least 10 to 14 business days before the application deadline. If you are unable to submit an application on Grants.gov by the application deadline because you do not have an active SAM registration, you will not be considered for funding. Please note that once your SAM registration is active, it will take 24-48 hours for the information to be available in Grants.gov, and before you can submit an application through Grants.gov.

You may begin working on your application while completing the registration process, but you cannot submit an application until all of the registration steps are complete. For detailed information on the Registration Steps, please go to:

<http://www.grants.gov/web/grants/register.html>.

### **2. SUBMIT EARLY**

**We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and process it after it is fully uploaded.**

The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application, you will need to resubmit successfully to Grants.gov before 11:59:59 p.m. Eastern Time on the deadline date for your application to be eligible and considered for review.

### **3. VERIFY SUBMISSION IS COMPLETE**

After you submit your application, please make sure you that:

- you receive an on-screen and email confirmation receipt;
- you document your Grants.gov Tracking Number; and
- the date/time stamp is the official time of submission.

Please also consult the section on the Timely Receipt Requirements and Proof of Timely Submission, below, for submitting an application to the Department of Education in Grants.gov.

## GRANTS.GOV APPLICATION SUBMISSION AND RECEIPT PROCEDURES

This section provides the application submission and receipt instructions for Department of Education (Department) grant applications. Please read the following instructions carefully and completely.

### ELECTRONIC DELIVERY

The U.S. Department of Education is participating in the Grants.gov initiative to provide the grant community with a single site to find and apply for grant funding opportunities. The Department encourages applicants to submit their applications online through Grants.gov.

### HOW TO REGISTER TO APPLY THROUGH GRANTS.GOV INSTRUCTIONS

Read the instructions below about registering to apply for Department of Education funds. Applicants should read the registration instructions carefully and prepare the information requested before beginning the registration process. Reviewing and assembling the required information before beginning the registration process will alleviate last-minute searches for required information.

Organizations must have an active System for Award Management (SAM) registration which provides a Unique Entity Identifier (UEI), and a Grants.gov account to apply for grants. Individual applicants (those submitting on their own behalf) eligible to apply for this funding opportunity need only refer to steps 2 and 3 below.

Creating a Grants.gov account can be completed online in minutes, but SAM registration may take several weeks. Therefore, an organization's registration should be done in sufficient time to ensure it does not impact the entity's ability to meet required application submission deadlines.

Organization registration instructions can be found on Grants.gov here:

<https://www.grants.gov/web/grants/applicants/organization-registration.html>.

- 1) Register with SAM: All organizations (entities) applying online through Grants.gov must register with the System for Award Management (SAM). Failure to register with SAM will prevent your organization from applying through Grants.gov. SAM registration must be renewed annually. For more detailed instructions for registering with SAM, refer to: <https://www.grants.gov/web/grants/applicants/organization-registration.html>.
- 2) Create a Grants.gov Account: The next step is to register an account with Grants.gov. Follow the on-screen instructions provided on the registration page.
- 3) Add a Profile to a Grants.gov Account: A profile in Grants.gov corresponds to a single applicant organization the user represents (i.e., an applicant) or an individual applicant submitting on their own behalf. If you work for or consult with multiple organizations,

you can have a profile for each organization under one Grants.gov account. In such cases, you may log in to one Grants.gov account to access all your grant profiles. To add an organizational profile to your Grants.gov account, enter the UEI (Unique Entity Identifier) for the organization in the UEI field. If you are an individual applicant submitting on your own behalf, you do not need a UEI to add the profile. For more detailed instructions about creating a profile on Grants.gov, refer to:

<https://www.grants.gov/web/grants/applicants/registration/add-profile.html>.

4) EBiz POC Authorized Profile Roles: After you register with Grants.gov and create an Organization Applicant Profile, the applicant's request for Grants.gov roles and access is sent to the EBiz POC. The EBiz POC is then expected to log in to Grants.gov and authorize the appropriate roles, which may include the AOR role, thereby giving you permission to complete and submit applications on behalf of the organization. You will be able to submit your application online any time after you have been assigned the AOR role. For more detailed instructions about creating a profile on Grants.gov, refer to:

<https://www.grants.gov/web/grants/applicants/registration/authorize-roles.html>.

5) Track Role Status: To track your role request, refer to:

<https://www.grants.gov/web/grants/applicants/registration/track-role-status.html>.

## ELECTRONIC SIGNATURE

When applications are submitted through Grants.gov, the name of the organization applicant with the AOR role that submitted the application is inserted into the signature line of the application, serving as the electronic signature. The EBiz POC of the organization **must** authorize people who are able to make legally binding commitments on behalf of the organization as a user with the AOR role; **this step is often missed and it is crucial for valid and timely submissions.**

## HOW TO SUBMIT AN APPLICATION TO THE DEPARTMENT OF EDUCATION VIA GRANTS.GOV

Grants.gov applicants can apply online using Workspace. Workspace is a shared, online environment where members of a grant team may simultaneously access and edit different webforms within an application. For each funding opportunity announcement (FOA), you can create individual instances of a workspace.

For an overview of applying on Grants.gov using Workspaces, refer to:

<https://www.grants.gov/web/grants/applicants/workspace-overview.html>

1) Create a Workspace: Creating a workspace allows you to complete it online and route it through your organization for review before submitting.

2) Complete a Workspace: Add participants to the workspace to work on the application together, complete all the required forms online or by downloading PDF versions, and check for errors before submission. The Workspace progress bar will display the state of

your application process as you apply. As you apply using Workspace, you may click the blue question mark icon near the upper-right corner of each page to access context-sensitive help.

a. Adobe Reader: If you decide not to apply by filling out webforms you can download individual PDF forms in Workspace. The individual PDF forms can be downloaded and saved to your local device storage, network drive(s), or external drives, then accessed through Adobe Reader.

NOTE: Visit the Adobe Software Compatibility page on Grants.gov to download the appropriate version of the software

at: <https://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>

b. Mandatory Fields in Forms: In the forms, you will note fields marked with an asterisk and a different background color. These fields are mandatory fields that must be completed to successfully submit your application.

c. Complete SF-424 Fields First: These forms are designed to fill in common required fields across other forms, such as the applicant name, address, and SAM UEI. Once it is completed, the information will transfer to the other forms.

3) Submit a Workspace: An application may be submitted through workspace by clicking the Sign and Submit button on the Manage Workspace page, under the Forms tab. Grants.gov recommends submitting your application package at least 24-48 hours prior to the close date to provide you with time to correct any potential technical issues that may disrupt the application submission.

4) Track a Workspace Submission: After successfully submitting a workspace application, a Grants.gov Tracking Number (GRANTXXXXXXXX) is automatically assigned to the application. The number will be listed on the Confirmation page that is generated after submission. Using the tracking number, access the Track My Application page under the Applicants tab or the Details tab in the submitted workspace.

For additional training resources, including video tutorials, refer to: <https://www.grants.gov/web/grants/applicants/applicant-training.html>.

Please note the following recommendations for attaching files to your application:

- When you submit your application electronically, you must upload any narrative sections and all other attachments to your application as files in either Portable Document Format (PDF) or Microsoft Word. Although applicants have the option of uploading any narrative sections and all other attachments to their application in either PDF or Microsoft Word, we recommend applicants submit all documents as read-only flattened PDFs, meaning any fillable PDF files must be saved and submitted as non-fillable PDF files and not as interactive or fillable PDF files, to better ensure applications are processed in a more timely, accurate, and efficient manner.

- If more than one attachment is included in a grant submission in Grants.gov and two or more files have the same name, the grant application cannot be processed without manual intervention. To correct this, you should:
  - o rename attached files with the same name so that no files share the same name;
  - o reattach the files;
  - o resubmit the application package.
- When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names as follows:
  - o Please limit file names to 50 or fewer characters.
  - o Please use only the following UTF-8 characters when naming your attachments: A-Z, a-z, 0-9, underscore, hyphen, space, period, parenthesis, curly braces, square brackets, ampersand, tilde, exclamation point, comma, semi colon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign. Attachments that do not follow this rule may cause the entire application to be rejected or cause issues during processing.
- Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package with all attachments is less than 5 MB. Grants.gov suggests limiting the file size of the entire grant application package including all the attachments to 200MB. Therefore, you may want to check the total size of your package before submission.

Applications submitted that do not comply with the Grants.gov guidelines will be rejected and will not be forwarded to the Department.

### **Applicant Support**

Grants.gov provides applicants 24/7 support via the toll-free number 1-800-518-4726 and email at [support@grants.gov](mailto:support@grants.gov). For questions related to the specific opportunity, contact the number listed in the application package of the grant you are applying for.

If you are experiencing difficulties with your submission, it is best to call the Grants.gov Support Center and get a ticket number. The Support Center ticket number will assist the Department of Education with tracking your issue and understanding background information on the issue.

### **TIMELY RECEIPT REQUIREMENTS AND PROOF OF TIMELY SUBMISSION ONLINE SUBMISSION**

All applications must be received by 11:59:59 Eastern time on the due date established for the competition. Proof of timely submission is automatically recorded by Grants.gov. An electronic date/time stamp is generated within the system when the application is successfully received by Grants.gov. The applicant with the AOR role who submitted the application will receive an acknowledgement of receipt and a tracking number (GRANTXXXXXXXX) from Grants.gov with

the successful transmission of their application. This applicant with the AOR role will also receive the official date/time stamp and Grants.gov Tracking number in an email serving as proof of their timely submission.

When the Department of Education successfully retrieves the application from Grants.gov, and acknowledges the download of submissions, Grants.gov will provide an electronic acknowledgment of receipt of the application to the email address of the applicant with the AOR role who submitted the application. Again, proof of timely submission shall be the official date and time that Grants.gov receives your application. Applications received by Grants.gov after the established due date for the program will be considered late and will not be considered for funding.

Applicants using unreliable internet connections should be aware that the process of completing the Workspace can take some time. Therefore, applicants should allow enough time to prepare and submit the application before the package closing date.

You will receive a series of confirmations both online and via e-mail about the status of your application, including the following:

- Grants.gov Submission Receipt Email
  - o Your application has been received by Grants.gov
  - o Grants.gov E-mail Verifying Receipt (with Track My Application URL)
- Grants.gov Submission Validation or Rejection Email
  - o Grants.gov E-mail Verifying Successful Submission OR
  - o Rejection Due to Errors with a description of issue.

Please do not rely solely on e-mail to confirm whether your application has been received. Rather, please verify that Grants.gov received your application submission on time and that it was validated successfully. Check the date/time your application was received by logging in to Grants.gov, accessing the Details tab of the submitted Workspace and checking the Submission Details. You may also track the application status by entering the Grant Tracking Number under Track My Application. For a successful submission, the date/time received should be earlier than 11:59:59 p.m. Eastern Time, on the deadline date, AND the application status should be: *Validated*, *Received by Agency*, or *Agency Tracking Number Assigned*. Once the Department of Education receives your application from Grants.gov, an Agency Tracking Number (PR/award number) will be assigned to your application and will be available for viewing at the Track My Application link on Grants.gov.

If the date/time received is later than 11:59:59 p.m. Eastern Time, on the deadline date, your application is late and is not eligible for review.

If your application has a status of *Received* it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to *Validated* or *Rejected with Errors*. If the status is *Rejected with Errors*, your application has not been received successfully.

If you discover your application is late or has been rejected, please see the instructions below. Some of the reasons Grants.gov may reject an application can be found on Grants.gov at <http://www.grants.gov/web/grants/applicants/encountering-error-messages.html>. For more detailed information on troubleshooting Adobe errors, you can

review the Adobe Reader Software Tip Sheet at <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>. Applicants may call or email the Grants.gov Support Center at 1-800-518-4726 or [support@grants.gov](mailto:support@grants.gov) for assistance with resolving any issues.

Grants.gov does not allow an applicant to un-submit an application after it has been submitted. If you discover that you need to revise your application after you have submitted it, you must **submit another application that is date-and-time stamped by Grants.gov no later than 11:59:59 p.m., Eastern Time, on the application deadline date.** The replacement application will be submitted to the peer review process. Once again, we suggest that you submit your application several days before the deadline date in case you discover that you need to submit a replacement application.

Please note that email confirmations and receipts from *Grants.gov* do not indicate receipt by the Department, nor do they mean that your application is complete or has met all application requirements. While your application may have been successfully validated by *Grants.gov*, it also must be reviewed in accordance with the Department's application requirements as specified in the competition NIA and in these application instructions. It is your responsibility to ensure that your submitted application has met all of the Department's requirements.

## **SUBMISSION PROBLEMS**

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support by phone at 1-800-518-4726 (U.S.) or 1-606-545-5035 (International), by email at <mailto:support@grants.gov>, or access the Grants.gov Self-Service Knowledge Base web portal at: <https://grants-portal.psc.gov/Welcome.aspx?pt=Grants>.

The Grants.gov Support Center will provide you with a Support Desk Case Number documenting your communication. You must retain your Support Desk Case Number for future reference as proof of your communication with the Support Center. Please subsequently contact the person listed in the FOR FURTHER INFORMATION CONTACT section in the competition NIA and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems within the Grants.gov system, the Department will grant you an extension until 11:59:59 p.m. Eastern Time, the following business day to enable you to transmit your application electronically, provided the Department can verify the technical issues that affected your ability to submit your application on time via your Grants.gov Support Desk Case Number.

*Note:* The extensions to which we refer in this section apply only to technical problems with the *Grants.gov* system. We will not grant you an extension if you failed to fully register in order to submit your application to *Grants.gov* (including with the required UEI number and TIN currently registered in SAM) before the application deadline date and time or if the technical problem you experienced is unrelated to the *Grants.gov* system.

## **SUBMISSION OF PAPER APPLICATIONS IF ELECTRONIC SUBMISSION IS NOT POSSIBLE**

We discourage paper applications, but if electronic submission is not possible ( e.g., you do not have access to the internet), (1) you must provide a prior written notification that you intend to submit a paper application and (2) your paper application must be postmarked by the application deadline date.

The prior written notification may be submitted by email or by mail to the person listed in the **FOR FURTHER INFORMATION CONTACT** section of the competition NIA. If you submit your notification by email, it must be received by the Department no later than 14 calendar days before the application deadline date. If you mail your notification to the Department, it must be postmarked no later than 14 calendar days before the application deadline date.

If you submit a paper application, you must have, and include on your application, a UEI number and mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, OFO/G5 Functional Application Team, Mail Stop 5C231, Attention: (Assistance Listing Number + Suffix Letter), 400 Maryland Avenue SW, Washington, DC 20202-4260.

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

*Note:* The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

We will not consider applications postmarked after the application deadline date.

*Note for Mail Delivery of Paper Applications:* If you mail your application to the Department—

- (1) You must indicate on the envelope and in Item 11 of the SF 424 the ALN, including suffix letter, if any, of the competition under which you are submitting your application; and
- (2) The G5 Functional Application Team will notify you of the Department's receipt of your grant application. SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The NRC Program provides grants to institutions of higher education (IHEs) or consortia of IHEs to establish, strengthen, and operate comprehensive and undergraduate centers that will be national resources for: (a) teaching of modern foreign languages; (b) instruction in fields needed to provide a full understanding of world regions where the

modern foreign languages are used; (c) research and training in international studies and international and foreign language aspects of professional and other fields of study; and (d) instruction and research on issues in world affairs.

Priorities: This notice contains two absolute priorities and one competitive preference priority for the NRC Program. Absolute Priority 1 is from section 602(e) of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1122(e)). Absolute Priority 2 is from the program regulations (34 CFR 656.23). The competitive preference priority is from the Secretary's Final Supplemental Priorities and Definitions for Discretionary Grant Programs published in the *Federal Register* on December 10, 2021 (86 FR 70612) (Supplemental Priorities).

Absolute Priorities: For FY 2022 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are absolute priorities. Under 34 CFR 75.105(c)(3), we consider only applications that meet these priorities.

These priorities are:

Absolute Priority 1.

Applications that (1) explain how the activities funded by the grant will reflect diverse perspectives and a wide range of views and generate debate on world regions and international affairs; and (2) describe how the applicant will encourage

government service in areas of national need, as identified by the Secretary, as well as in areas of need in the education, business, and non-profit sectors.

Absolute Priority 2.

Applications that propose teacher training activities on the language, languages, area studies, or thematic focus of the Center.

Competitive Preference Priority: For FY 2022 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(i), we award up to an additional five points to an application, depending on how well the application meets the priority.

This priority is:

Partnership with Minority-Serving Institutions (MSIs) or Community Colleges (up to 5 additional points).

Under this priority, an applicant must demonstrate that the project will be implemented by or in partnership with one or more of the following entities:

- (1) Community colleges (as defined in this notice).
- (2) Historically Black colleges and universities (as defined in this notice).
- (3) Tribal Colleges and Universities (as defined in this notice).

(4) Minority-serving institutions (as defined in this notice).

Definitions: The definitions below are from the Supplemental Priorities.

*Community college* means “junior or community college” as defined in section 312(f) of the Higher Education Act of 1965, as amended (HEA).

*Historically Black Colleges and Universities* means colleges and universities that meet the criteria set out in 34 CFR 608.2.

*Minority-Serving Institution* (MSI) means an institution that is eligible to receive assistance under sections 316 through 320 of part A of title III, under part B of title III, or under title V of the HEA.

Program Authority: Title VI, part A, HEA (20 U.S.C. 1122).

Note: Projects will be awarded and must be operated in a manner consistent with the nondiscrimination requirements contained in Federal civil rights laws.

Applicable Regulations: (a) The Education Department General Administrative Regulations in 34 CFR parts 75, 76, 77, 79, 82,

84, 86, 97, 98, and 99. (b) The Office of Management and Budget Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. The grantee may award subgrants to entities it has identified in the approved application or that it selects through a competition under procedures established by the grantee.

4. (ii) A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503 (Relation to Other Audit Requirements), but records must be available for review or audit by appropriate

#### IV. Application and Submission Information

1. Application Submission Instructions: Applicants are required to follow the Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the *Federal Register* on February 13, 2019 (84 FR 3768) and available at [www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf](http://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf), which contain requirements and information on how to submit an application.

2. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

3. Funding Restrictions: We specify unallowable costs in 34 CFR 656.30(b). We reference additional regulations outlining funding restrictions in the Applicable Regulations section of this notice.

4. Recommended Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the priorities, selection criteria, and application requirements that reviewers use to evaluate your application. We recommend that you (1) limit the application narrative to no more than 50 pages

for single institution applications, and to no more than 60 pages for consortia applications and (2) use the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, and captions. Charts, tables, figures, and graphs in the application narrative may be single spaced and will count toward the recommended page limit.
- Use a font that is either 12 point or larger, or no smaller than 10 pitch (characters per inch). However, you may use a 10-point font in charts, tables, figures, and graphs. Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The recommended page limit applies to the entirety of the application narrative. The recommended page limit does not apply to the Application for Federal Assistance face sheet (SF 424); the supplemental SF 424 form; Budget Information–Non-Construction Programs (ED 524); the detailed line item budget; the assurances and certifications, and the response to section 427 of the General Education Provisions Act; the project abstract, the table of contents, the list of acronyms, the response to the diverse perspectives/areas of need requirements, the NRC project profile

form, and the appendices (curriculum vitae, course list, and, letters of support).

5. Award Basis: In determining whether to approve a grant award and the amount of such award, the Department will consider, among other things, the applicant's performance and use of funds under a previous or existing award under any Department program (34 CFR 75.217(d)(3)(ii) and 75.233). In assessing the applicant's performance and use of funds under a previous or existing award, the Secretary will consider, among other things, the outcomes the applicant has achieved and the results of any Departmental grant monitoring, including the applicant's progress in remedying any deficiencies identified in such monitoring.

#### V. Application Review Information

1. General: For the FY 2022 NRC competition, all applications will be assigned to peer review panels based on world region—such as Africa, Asia, or the Middle East—or international focus, as specified in the NRC application profile form. Readers who serve on the peer review panels are selected based on their expertise in the specialized area studies, international studies, and modern foreign language(s) necessary to review, score, and rank the assigned applications in each distinct category. The Department will select applications for funding based on the ranking of each application in its distinct regional or thematic focus panel.

2. Selection Criteria: The following selection criteria for this program are from 34 CFR 656.21 and apply to applications for a comprehensive Center or an undergraduate Center, as indicated. The maximum possible points for the selection criteria, taken together with the maximum number of points awarded to applicants for addressing the competitive preference priorities, is 129 points.

Comprehensive Center Selection Criteria:

(a) *Commitment to the subject area on which the Center focuses* (up to 5 points). The Secretary reviews each application to determine the extent to which the institution provides financial and other support to the operation of the Center, teaching staff for the Center's subject area, library resources, linkages with institutions abroad, outreach activities, and qualified students in fields related to the Center.

(b) *Quality of the Center's language instructional program* (up to 14 points). The Secretary reviews each application to determine-

(1) The extent to which the Center provides instruction in the languages of the Center's subject area and the extent to which students enroll in the study of the languages of the subject area through programs or instruction offered by the Center or other providers;

(2) The extent to which the Center provides three or more levels of language training and the extent to which courses in disciplines other than language, linguistics, and literature are offered in appropriate foreign languages;

(3) Whether sufficient numbers of language faculty are available to teach the languages and levels of instruction described in the application and the extent to which language teaching staff (including faculty and instructional assistants) have been exposed to current language pedagogy training appropriate for performance-based teaching; and

(4) The quality of the language program as measured by the performance-based instruction being used or developed, the adequacy of resources for language teaching and practice, and language proficiency requirements.

(c) *Quality of the Center's non-language instructional program* up to 14 points). The Secretary reviews each application to determine-

(1) The quality and extent of the Center's course offerings in a variety of disciplines, including the extent to which courses in the Center's subject matter are available in the institution's professional schools;

(2) The extent to which the Center offers depth of specialized course coverage in one or more disciplines of the Center's subject area;

(3) The extent to which the institution employs a sufficient number of teaching faculty to enable the Center to carry out its purposes and the extent to which instructional assistants are provided with pedagogy training; and

(4) The extent to which interdisciplinary courses are offered for undergraduate and graduate students.

(d) *Quality of curriculum design* (up to 13 points). The Secretary reviews each application to determine-

(1) The extent to which the Center's curriculum has incorporated undergraduate instruction in the applicant's area or topic of specialization into baccalaureate degree programs (for example, major, minor, or certificate programs) and the extent to which these programs and their requirements (including language requirements) are appropriate for a Center in this subject area and will result in an undergraduate training program of high quality;

(2) The extent to which the Center's curriculum provides training options for graduate students from a variety of disciplines and professional fields and the extent to which these programs and their requirements (including language requirements) are appropriate for a Center in this subject area and result in graduate training programs of high quality;

(3) The extent to which the Center provides academic and career advising services for students; and

(4) The extent to which the Center has established formal arrangements for students to conduct research or study abroad and the extent to which these arrangements are used; and the extent to which the institution facilitates student access to other institutions' study abroad and summer language programs.

3. Review and Selection Process: We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the

applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary requires various assurances, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

4. Risk Assessment and Specific Conditions: Consistent with 2 CFR 200.206, before awarding grants under these programs the Department conducts a review of the risks posed by applicants. Under 2 CFR 200.208, the Secretary may impose specific conditions and, under 2 CFR 3474.10, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

5. Integrity and Performance System: If you are selected under this competition to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently \$250,000), under 2 CFR 200.206(a)(2) we must make a judgment about your integrity, business ethics, and record

of performance under Federal awards--that is, the risk posed by you as an applicant--before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds \$10,000,000, the reporting requirements in 2 CFR part 200, Appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2 CFR part 200, Appendix XII, if this grant plus all the other Federal funds you receive exceed \$10,000,000.

6. In General: In accordance with the Office of Management and Budget's guidance located at 2 CFR part 200, all applicable Federal laws, and relevant Executive guidance, the Department will review and consider applications for funding pursuant to this notice inviting applications in accordance with:

(a) Selecting recipients most likely to be successful in delivering results based on the program objectives through an

objective process of evaluating Federal award applications (2 CFR 200.205);

(b) Prohibiting the purchase of certain telecommunication and video surveillance services or equipment in alignment with section 889 of the National Defense Authorization Act of 2019 (Pub. L. No. 115–232) (2 CFR 200.216);

(c) Providing a preference, to the extent permitted by law, to maximize use of goods, products, and materials produced in the United States (2 CFR 200.322); and

## VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the

application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Open Licensing Requirements: Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements, please refer to 2 CFR 3474.20.

4. Reporting: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary

processes and systems to comply with the reporting requirements in 2 CFR part 170, should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to [www.ed.gov/fund/grant/apply/appforms/appforms.html](http://www.ed.gov/fund/grant/apply/appforms/appforms.html).

Performance reports for the NRC Program must be submitted electronically into the International and Foreign Language Education (IFLE) web-based reporting system, International Resource Information System (IRIS). For information about IRIS and to view the reporting instructions, please go to <https://iris.ed.gov/iris/pdfs/NRC.pdf>.

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. If a grantee is provided additional funding for this purpose, the Secretary establishes a data collection period.

5. Performance Measures: For the purposes of evaluating the success of the NRC Program under the Government Performance and Results Act of 1993 and Department reporting under 34 CFR 75.110, the Department has established the following performance measures:

(a) Percentage of priority languages defined by the Secretary of Education taught at NRCs.

(e) Percentage of LCTLs taught at NRCs.

(f) Cost per NRC that increased the number of intermediate or advanced level language courses in the priority area and/or LCTLs during the course of the grant period.

The information provided by grantees in their performance reports submitted via the International Resource Information

System (IRIS) will be the source of data for these measures.

Reporting screens for institutions can be viewed at:

<http://iris.ed.gov/iris/pdfs/NRC.pdf>.

Continuation Awards: In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, whether the grantee has made substantial progress in achieving the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

### What are the Performance Indicators for the NRC Program?

The NRC Program provides grants to institutions of higher education or a consortium of institutions of higher education to establish, strengthen, and operate comprehensive and undergraduate language and area or international studies centers. The Department will use the following measures to evaluate the overall success of the NRC Program:

1. Percentage of priority languages defined by the Secretary of Education taught at NRCs.
2. Percentage of NRC grants teaching intermediate or advanced courses in priority languages as defined by the Secretary of Education.
3. Percentage of NRCs that increased the number of intermediate or advanced level language courses in the priority and/or LCTLs (less commonly taught languages) during the course of the grant period.
4. Percentage of NRCs that increased the number of certificate, minor, or major degree programs in the priority and/or LCTLs, area studies, or international studies during the course of the four-year grant period.
5. Percentage of less and least commonly taught languages as defined by the Secretary of Education taught at Title VI NRCs.
6. Cost per NRC that increased the number of intermediate or advanced level language courses in the priority and/or LCTLs during the course of the grant period.

The information provided by grantees in their performance reports submitted into IRIS will be the source of data for these measures.

## APPLICATION FORMAT AND COMPONENTS

### PREPARING YOUR APPLICATION

For FY XXXX, the NRC and FLAS competitions require applicants to submit a separate application package into the Grants.gov system for each program.

**Applicants that are requesting funding under only one program** must submit the appropriate application package on Grants.gov using the Assistance Listing Number for the NRC program (84.015A) or the FLAS program (84.015B). The necessary instructions and the program-specific selection criteria are contained in the application booklet for the related program.

**Applicants that are requesting funding under both programs** must submit two application packages on Grants.gov: one using the Assistance Listing Number for the NRC program (84.015A) and a separate one using the Assistance Listing Number for the FLAS program (84.015B). We encourage applicants to consult the application booklets for both programs. We strongly recommend that you follow these instructions when preparing your application packages:

- If applying to the **Comprehensive NRC program**, write an application (project) narrative that responds to the selection criteria 34 CFR part 656.21 that the reviewers will use to evaluate applications.
- If applying to the **Undergraduate NRC program**, write an application (project) narrative that responds to the selection criteria 34 CFR part 656.22 that the reviewers will use to evaluate applications.
- Compile **one set** of appendices (List of Courses, Position Descriptions, CVs, Letters of Support) for both the NRC and FLAS programs.
- Prepare a **different** budget for the NRC program and the FLAS program that follows program-specific guidance in each application booklet.
- Review the table below to determine which components must be **adjusted** for each application package.

The following labels will help you determine whether a single version of the component can be used for both applications:

- ID – Components can be identical in both applications, provided both programs are addressed where appropriate.
- AJ – Component is similar in both applications, but you must adjust minor elements like the Assistance Listing Number to match the appropriate program.
- PS – Component must follow program-specific instructions.

### **FORMATTING YOUR APPLICATION**

A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides. Page numbers and an identifier (e.g., the institution name and Center), may be within the 1” margin. Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, and captions. Charts, tables, figures, and graphs in the application narrative may be single-spaced and will count toward the recommended page limit. Applicants may use one of the following fonts: Times New Roman, Courier, Courier New or Arial. Use a font that is either 12 point or larger, or no smaller than 10 pitch (characters per inch). However, you may use a 10 point font in charts, tables, figures, and graphs.

The recommended page limit applies to the entirety of the application narrative. The recommended page limit, (50 pages for an institution applicant, or 60 pages for a consortium applicant), does not apply to the Application for Federal Assistance face sheet (SF-424); the supplemental SF-424 form; Budget Information- Non-Construction Programs (ED 524 Section A); the detailed line item budget (ED 524 Section C); the assurances, certifications, and the

response to section 427 of the General Education Provisions Act; the project abstract, the table of contents; the list of acronyms, the diverse perspectives/areas of need descriptions, the appendices; and the application profile form.

#### **SF-424 APPLICATION FOR FEDERAL ASSISTANCE [AJ] ([WWW.GRANTS.GOV](http://WWW.GRANTS.GOV): FORMS)**

See the Instructions for SF-424 under the Instructions for Standard Forms section. This form is completed and signed by the applicant organization's authorized representative.

#### **ED 524 BUDGET SUMMARY SECTION A [PS] ([WWW.GRANTS.GOV](http://WWW.GRANTS.GOV): FORMS)**

The application budget consists of the ED 524 form Section A Budget Summary and a detailed line-item budget (Summary C) that provides descriptive notes for all items of costs for which you are requesting NRC support. The ED 524 form and the budget detail notes must cover the entire 48-month project period. Additional detailed instructions for U.S. Department of Education Budget Information for Non-Construction Programs (ED 524) are available under the Instructions for Standard Forms section. Present the four-year budget detail using the categories used in the ED 524 form: Personnel, Fringe Benefits, Travel, Supplies, Training Stipends, Other, Indirect Cost, and Total Direct Cost.

Reminders about the ED 524 Form Summary A- Non-Construction Programs:

- Use the restricted indirect cost rate for the NRC program, which is eight percent (8%).
1. **Personnel:** Include the salaries for key project personnel. Indicate the title, e.g., area studies faculty, Uyghur language instructor, fellowship coordinator, outreach coordinator, and the time and effort for each position (person). Place the consultant and evaluator fees, the hourly wages for administrative support, graduate assistants, web masters, etc., in the "Other" category.
    - Do not include the project director's salary on the grant.
    - Limit the time effort and compensation for non-language positions to no more than 50% on the grant.
    - If needed, language instructors can be included on the grant at 100% effort. In this case, the application narrative should provide a compelling reason for 100% support from the grant, and should also explain how the institution plans to continue and sustain instruction in the languages after the project period ends.

**Fringe Benefits:** You may charge the institution's normal fringe benefit rate to the grant. (Leave this blank if fringe benefits applicable to direct salaries and wages are treated as part of the indirect costs, and indicate that this is the case in the budget notes.)

#### **2 CFR Part 200 of the Uniform Administrative Requirements, §200.431(a)**

**Compensation - Fringe Benefits.** Fringe benefits are allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages. Fringe benefits include, but are not limited to: the costs of leave (vacation, family-related,

sick, or military), employee insurance, pensions, and unemployment benefit plans. Except as provided elsewhere in these principles, the costs of fringe benefits are allowable provided that the benefits are reasonable and are required by law, non-Federal entity-employee agreement, or an established policy of the non-Federal entity.

2. **Travel:** Include the cost of project employees' travel. Indicate the number of persons traveling and the destinations, and provide a breakdown of travel costs (transportation, lodging, per diem). Include domestic and international travel requests. Requested airfare shall be economy/coach class.

The travel costs for non-employees, consultants, evaluators, workshop facilitators and presenters, conference speakers, performers for outreach events, etc., shall be included in the "Other" budget category.

3. **Supplies:** Include the materials necessary for conducting, developing, or implementing the project, such as library acquisitions, conference and workshop materials, curriculum toolkits, software, computers, etc. Supplies are items that have an acquisition cost of \$5,000 or less per unit.
4. **Contractual:** If a formal contract is entered into with another party or individual to conduct a project activity, the applicant institution must follow the institution's procedures for soliciting and awarding contracts.
5. **Construction:** Not applicable. Leave blank.
6. **Other:** Project costs that do not fall into the previous line items are placed here. Costs in this category, as with all discretionary grant categories, must be reasonable and necessary for implementing the project activities. These might include, but are not limited to: travel costs for non-employees; conference registration fees, consultant and evaluator fees, hourly wages to be paid to teaching/graduate assistants, if applicable, visa fees, conference speaker fees, and course development grants. Provide a detailed breakdown of the costs, such as the number of days for the per diem being requested; number of days and the fees for consultant or evaluator services; printing costs; ground transportation costs, advertising costs for outreach activities, memberships in business, technical, and professional organizations related to the project, and workshop materials for teacher institutes.

**2 CFR Part 200 of the Uniform Administrative Requirements, §200.459(a)  
Professional services costs.**

## GEPA SECTION 427 DESCRIPTION [ID]

See the text under General Education Provisions Act (GEPA) Section 427 above.

Section 427 of GEPA requires all applicants for new awards to include in their applications a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its federally-assisted programs for students, teachers, and other program beneficiaries with special needs. The provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age.

A general description or statement about the applicant institution's nondiscriminatory hiring policy is **not sufficient** to meet this requirement. Applicants must identify potential barriers and explain steps they will take to overcome these barriers.

- **Include information in your responses address the relevant selection criteria in the Application (Project) Narrative regarding GEPA section 427.**
- **Upload a separate and detailed description of the institution's policies that meet the spirit and intent of GEPA 427.**

## ABSTRACT [ID] ([WWW.GRANTS.GOV](http://WWW.GRANTS.GOV): ED ABSTRACT FORM)

The recommended maximum number of pages for the abstract is two pages. An effective abstract will convey how the proposed project directly relates to the purposes and priorities of the program(s) for which you are requesting federal funds. The abstract should summarize the activities and intended outcomes of the project for the FY XXXX-XXXX grant period. References to previous grants, if applicable, should be limited, as the purpose of the abstract is to introduce the institution(s) to the reviewers and to draw their attention to what you intend to accomplish in this proposed project and the intended impact of the proposed activities.

The abstract should also provide an overview of the Center's unique characteristics, including, but not limited to, its mission, world area or thematic focus, the internal and external constituencies it serves, degree programs, faculty and staff resources, scope of area studies, international studies, and language courses; library resources; and outreach, as appropriate.

Indicate whether the application addresses the NRC competitive preference priority in the Application (Project) Narrative, but do not include the actual descriptions/discussions in the abstract. This indication will be helpful to staff during the application screening process.

**APPLICATION (PROJECT) NARRATIVE [ID] ([WWW.GRANTS.GOV](http://WWW.GRANTS.GOV): PROJECT NARRATIVE ATTACHMENT FORM)**

The application (project) narrative is where you, the applicant, address the selection criteria, priorities, and application requirements that reviewers will use to evaluate your application. We recommend that you limit the application (project) narrative to no more than 50 pages for a single institution, and to no more than 60 pages for a consortium applicant. For the complete details and standards for the application narrative, please read the FY XXXX NIA published in the *Federal Register*.

**NRC Selection Criteria**

The selection criteria that the reviewers will use to evaluate **Comprehensive NRC applications** are from 34 CFR part 656, **§656.21**.

The selection criteria that the reviewers will use to evaluate **Undergraduate NRC applications** are from 34 CFR part 656, **§656.22**.

We recommend that the Application (Project) Narrative for a Comprehensive NRC or an Undergraduate NRC application use the following headings and sequence that follow the **Technical Review Forms (TRF)** on pages 124-140 of the application booklet:

## INTERGOVERNMENTAL REVIEW OF FEDERAL PROGRAMS

### EXECUTIVE ORDER 12372

This program falls under Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive Order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state.

Further information about the State Single Point of Contact process and a list of names by State can be found at: <https://www.whitehouse.gov/wp-content/uploads/2020/04/SPOC-4-13-20.pdf>.

Absent specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372-- Assistance Listing Number # [commenter must insert number--including suffix letter, if any], U.S. Department of Education, room 7E200, 400 Maryland Avenue SW, Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. Eastern time on the closing date indicated in this notice.

**Important note:** The above address is used to submit comments about the EO 12372 only. Do not submit your applications to this address. Applications are submitted to the State Point of Contact.

## PROTECTION OF HUMAN SUBJECTS IN RESEARCH

### I. Definitions and Exemptions

#### A. Definitions.

A research activity involves human subjects if the activity is research, as defined in the Department's regulations, and the research activity will involve use of human subjects, as defined in the regulations.

##### —Research

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as "a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge." *If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge it is research.* Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

##### —Human Subject

The regulations define human subject as "a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information." (1) *If an activity involves obtaining information about a living person by manipulating that person or that person's environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met.* (2) *If an activity involves obtaining private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information), the definition of human subject is met.* [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

#### B. Exemptions.

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are not covered by the regulations:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation. ***If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed. Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed.*** [Children are defined as persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

## **II. Instructions for Exempt and Nonexempt Human Subjects Research Narratives**

If the applicant marked "Yes" for Item 3 of Department of Education Supplemental Information for SF 424, the applicant must provide a human subjects "exempt research" or "nonexempt research" narrative. Insert the narrative(s) in the space provided. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

### **A. Exempt Research Narrative.**

If you marked "Yes" for item 3 a. and designated exemption numbers(s), provide the "exempt research" narrative. The narrative must contain sufficient information about the involvement of human subjects in the proposed research to allow a determination by ED that the designated exemption(s) are appropriate. The narrative must be succinct.

## **B. Nonexempt Research Narrative.**

If you marked “No” for item 3 a. you must provide the “nonexempt research” narrative. The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

(1) **Human Subjects Involvement and Characteristics:** Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status. Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable

(2) **Sources of Materials:** Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.

(3) **Recruitment and Informed Consent:** Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of the information to be provided to prospective subjects, and the method of documenting consent. State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.

(4) **Potential Risks:** Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.

(5) **Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for monitoring the data collected to ensure the safety of the subjects.

(6) **Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.

(7) **Collaborating Site(s):** If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

**Copies of the Department of Education's Regulations for the Protection of Human Subjects, 34 CFR Part 97 and other pertinent materials on the protection of human subjects in research are available from the Grants Policy and Oversight Staff, Office of the Chief Financial Officer, U.S. Department of Education, Washington, D.C. 20202-4250, telephone: (202) 245-6120, and on the U.S. Department of Education's Protection of Human Subjects in Research Web Site: <http://www.ed.gov/about/offices/list/OCFO/humansub.html>.**

## INSTRUCTIONS FOR U.S. DEPARTMENT OF EDUCATION BUDGET INFORMATION FOR NON-CONSTRUCTION PROGRAMS (ED 524)

### General Instructions

This form is used to apply to individual U.S. Department of Education (ED) discretionary grant programs. Unless directed otherwise, provide the same budget information for each year of the multi-year funding request. Pay attention to applicable program specific instructions, if attached. You may access the Education Department General Administrative Regulations cited within these instructions at: <https://www.ecfr.gov/current/title-34/subtitle-A/part-75?toc=1>. You may access requirements from 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" cited within these instructions at: <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200?toc=1>.

You must consult with your Business Office prior to submitting this form.

### Section A - Budget Summary

#### U.S. Department of Education Funds

All applicants must complete Section A and provide a breakdown by the applicable budget categories shown in lines 1-11.

Lines 1-11, columns (a)-(e): For each project year for which funding is requested, show the total amount requested for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If funding is requested for only one project year, leave this column blank.

Line 12, columns (a)-(e): Show the total budget request for each project year for which funding is requested.

Line 12, column (f): Show the total amount requested for all project years. If funding is requested for only one year, leave this space blank.

#### **Indirect Cost Information:**

If you are requesting reimbursement for indirect costs on line 10 the indirect cost rate to be charged to the grant must be entered in the applicable field on line 10, and the following information is to be completed by your Business Office.

(1): Indicate whether or not your organization has an Indirect Cost Rate Agreement that was approved by the Federal government. If you checked "no," ED generally will authorize grantees to use a temporary rate of 10 percent of budgeted salaries and wages (complete (4) of this section when using the temporary rate) subject to the following limitations:

(a) The grantee must submit an indirect cost proposal to its cognizant agency within 90 days after ED issues a grant award notification; and

(b) If after the 90-day period, the grantee has not submitted an indirect cost proposal to its cognizant agency, the grantee may not charge its grant for indirect costs until it has negotiated an indirect cost rate agreement with its cognizant agency.

(2): If you checked “yes” in (1), provide a copy of your Indirect Cost Rate Agreement and indicate in (2) the beginning and ending dates covered by the Indirect Cost Rate Agreement. In addition, indicate whether ED, another Federal agency (Other) or State agency issued the approved agreement. If you check “Other,” specify the name of the Federal or other agency that issued the approved agreement.

(3): If you check “no” in (1), indicate in (3) if you want to use the de minimis rate of 10 percent of MTDC (see 2 CFR 200.68). If you use the de minimis rate, you are subject to the provisions in 2 CFR 200.414(f). Note, you may only use the 10 percent de minimis rate if you are a first time Federal grant recipient, and you do not have an Approved Indirect Cost Rate Agreement. You may not use the de minimis rate if you are a State, Local government, or Indian Tribe, or if your grant is funded under a training rate or restricted rate program.

(5): If you are applying for a grant under a Restricted Rate Program (34 CFR 75.563 or 76.563), indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement, or whether you are using a restricted indirect cost rate that complies with 34 CFR 76.564(c)(2). Note: State or Local government agencies may not use the provision for a restricted indirect cost rate specified in 34 CFR 76.564(c)(2). Check only one response. Leave blank if this item is not applicable.

(6): For Training Rate Programs, ED regulations limit **non-governmental entities** to the recovery of indirect costs on training grants to the grantee’s actual indirect costs, as determined by its negotiated rate agreement, or 8 percent of a MTDC, whichever is lower (see EDGAR 75.562(c)(4)). The 8 percent limit also applies to cost-type contracts under grants, if these contracts are for training as defined in EDGAR 75.562(a). If a **non-governmental entity** that receives a grant under a training grant program does not have an approved indirect cost rate and wants to recover indirect costs, it may use a temporary rate of 10 percent of budgeted direct salaries and wages, but it must submit an indirect cost rate proposal to its cognizant agency for indirect costs within 90 days after ED issues the GAN. After the 90-day period, the government entity may not change its grant for indirect costs until it has negotiated an indirect cost rate agreement.

## **Section B - Budget Summary**

### **Non-Federal Funds**

If you are required to provide or volunteer to provide matching funds or other non-Federal resources to the project, these should be shown for each applicable budget category on lines 1-11 of Section B, Lines 1-11, columns (a)-(e): For each project year, for which matching funds or other contributions are provided, show the total contribution for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If non-Federal contributions are provided for only one year, leave this column blank.

Line 12, columns (a)-(e): Show the total matching or other contribution for each project year.

Line 12, column (f): Show the total amount to be contributed for all years of the multi-year project. If non-Federal contributions are provided for only one year, leave this space blank.

## **Section C - Budget Narrative [Attach separate sheet(s)]**

### **Pay attention to applicable program specific instructions, if attached.**

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B. For grant projects that will be divided into two or more separately budgeted major activities or sub-projects, show for each budget category of a project year the breakdown of the specific expenses attributable to each sub-project or activity.
2. For non-Federal funds or resources listed in Section B that are used to meet a cost-sharing or matching requirement or provided as a voluntary cost-sharing or matching commitment, you must include:
  - a. The specific costs or contributions by budget category;
  - b. The source of the costs or contributions; and
  - c. In the case of third-party in-kind contributions, a description of how the value was determined for the donated or contributed goods or services

[Please review cost sharing and matching regulations found in 2 CFR 200.306.]

3. If applicable to this program, provide the rate and base on which fringe benefits are calculated.
4. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's website at:

<http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

You may also contact (202) 377-3838 for additional information regarding calculating indirect cost rates or general indirect cost rate information.

5. Provide other explanations or comments you deem necessary.
