

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 2125-0628)

TITLE OF INFORMATION COLLECTION: *Public Roads* Reader Survey

PURPOSE: The goal of the follow-up *Public Roads* survey is two-fold: First, it will help determine if readers are pleased with the changes made following the first reader survey and the comments received; and secondly, it will provide additional insights into reader needs, interests, and demographics to inform content improvements for the publication.

DESCRIPTION OF RESPONDENTS: The target audience for this survey is current or previous readers of *Public Roads*. When the first survey was conducted in 2021, there were 2,300 subscribers. Anticipated respondents include, but are not limited to, Federal staff, State departments of transportation professionals, Tribal and local transportation partners, planners, academia, and students.
