

Public reporting burden for this collection of information is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number. This general information is required to request HUD approval to remove public housing property (residential or non-residential) from public housing requirements, including use restrictions imposed under the the Annual Contributions Contract (ACC) and the Declaration of Trust (DOT)/Declaration of Restrictive Covenants (DoRC). PHAs may request such HUD approval under the following laws: demolition and disposition (Section 18 of the 1937 and 24 CFR 970); voluntary conversion (Section 22 of the 1937 Act and 24 CFR part 972); required conversion (Section 33 of the 1937 Act and 24 CFR part 972); homeownership (Section 33 of the 1937 Act and 24 CFR part 906); retentions under 2 CFR 200.311 (PIH Notice 2016-20); and eminent domain (PIH Notice 2012-8, or subsequent notice). Note: This form requests general information only and PHAs are required to submit an additional addendum for the specific type of proposed removal. This form in addition to the applicable addendum are collectively known as the SAC application since these applications are processed by HUD's Special Applications Center (SAC). HUD will use this information to review PHA requests, as well as to track removals for other record keeping requirements. Responses to this collection of information are statutory and regulatory to obtain a benefit. The information requested does not lend itself to confidentiality. PHAs are required to submit this information electronically to HUD through this Inventory Removals Submodule of the Inventory Management System/PIH Information Center (IMS/PIC) system (or a later electronic system prescribed by HUD). IMS/PIC will assign each SAC application a "DDA" number. Note: This form does not apply to proposed removals (conversions) under HUD's Rental Assistance Demonstration (RAD) program; and the instructions for RAD application submissions via IMS/PIC is provided and governed by a separate OMB-approved HUD form.

Form HUD-52860 Instructions:

This form request general information from PHAs about proposed removal actions under the following laws: demolition and disposition (Section 18 of the 1937 Act and 24 CFR part 970); voluntary conversion (Section 22 of the 1937 Act and 24 CFR part 972); required conversion (Section 33 of the 1937 Act and 24 CFR part 972); homeownership (Section 33 of the 1937 Act and 24 CFR part 906); retentions (PIH Notice 2016-20 and 2 CFR 200.311); and eminent domain (PIH Notice 2012-8, or replacement notice). Also, PHAs must upload the supporting documentation requested by this form in their electronic IMS/PIC SAC application. In addition, PHAs must complete and submit applicable addendums as indicated below as part of a SAC application. Section 1: General Information

Some fields will automatically populate from IMS/PIC. If not, complete all fields.

Section 2: Long-term Impact of Removal Action

Complete this section.

Section 3: PHA Plan, PHA Board Resolution, Environmental Review and Local Government Consultation

Refer to the regulation, PIH Notice or other HUD guidance document for guidance on these requirements for the specific removal action proposed, but generally the following apply:

PHA Plan: PHAs must include the removal action in their PHA plan for all SAC applications. .

Board Resolution: PHAs must obtain a board resolution approving the removal action for all SAC applications. For demolitions and dispositions proposed under 24 CFR part 970, the board resolution must be dated after the date of resident and local government consultation.

Environmental Clearance: HUD will not process or approve a SAC application without evidence that the proposed removal action has received Environmental Clearance. This evidence will generally be a copy of a HUD signed Request for Release of Funds (RROF) HUD-7015.16 form (or subsequent form) for the proposed removal action (including future use, if known) to evidence an environmental review acceptable to HUD was completed under 24 CFR part 58. Unless HUD determines, in its sole discretion, to complete the environmental review itself under 24 CFR part 50, in which case the PHA must submit a copy of the letter by the local HUD Office of Public Housing, approving the environmental review under 24 CFR part 50. In some instances, evidence of Environmental Clearance may be a letter from the Responsibly Entity stating the activity was exempt or categorically excluded under 24 CFR part 58.

Local Government Consultation: PHAs must consult with their local government officials and obtain a letter of support for all SAC applications (except for eminent domain and and homeownership). For demolitions and

dispositions proposed under 24 CFR part 970, PHAs must include a narrative description of its consultation with local government officials.

Section 4: Description of Existing Development

Most information should automatically populate from IMS/PIC information, except for Section 4, Line item 10 (Total Acres of the Development) which the PHA must complete. The development number should be the HUD development number. All development numbers are at least 8 characters long (and may be up to 11 characters for AMP developments).

Section 5: Description of Proposed Removal

Removal Action Type: PHAs must select removal action type as the first step to creating the electronic SAC application in IMS/PIC.

Property description (Unit, Building, Acreage): PHAs identify the property by development number(s) and buildings by their IMS/PIC building numbers (note: some non-dwelling buildings do not have IMS/PIC building numbers; and in this instance, should be identified in the SAC application as a building without an IMS/PIC number). PHAs provide the total acreage and physical address of the property proposed for removal. If the removal action includes land (i.e., not just buildings), PHAs should attach a description of the land (e.g. survey, copy of the legal description), along with a copy of the DOT/DoRC that is recorded against the property, if available. If the proposed removal action (including demolition) is for only a portion of the property at a contiguous site, PHAs must attach a site map.

Estimated Value of Property: Attach an independent appraiser's appraisal summary or other valuation method.

Timetable: PHAs indicates the number of days after HUD approval of a SAC application that they estimate they will complete these activities.

Section 6: Relocation

PHAs complete this section for all proposed removal action where relocation will be required. In addition, PHAs may be required to complete additional relocation information in the applicable addendums (e.g. right of first refusal for homeownership applications; evidence of compliance with all applicable federal, state, and local laws for eminent domain actions).

Tenant Protection Vouchers (TPVs): Note that a PHA's eligibility to receive TPVs in connection with the proposed removal action is based on statutory Appropriations laws, and other HUD guidance, including but not limited to PIH Notice 2016-04 (or any successor HCV Notice) and PIH Notice 2012-7 (or replacement notice).

Section 7: Resident Consultation

Refer to the regulation, PIH Notice or other HUD guidance document for guidance on resident consultation for the specific removal action proposed.

Section 8: PHA Certification of Compliance

The Executive Director, Board Chairperson, or other authorized agent of the PHA, should complete, sign and date the Certification and submit it (as a scanned PDF file) as part of its submission of the SAC application.

De Minimis Demolition

PHAs do not need HUD approval to demolish units under Section 18 de minimis authority. PHAs do need to submit information to HUD described at 970.7(a)(1), (2), (12), (13), and (15), which includes PHA plan, description of the

property, board resolution, and environmental requirements. Thus, for purposes of de minimis demolitions, PHAs are submitting information and not a SAC application through this form.
