

Contributions Contracts, notices of funding availability under which the PHA has received funds, and the applicable requirements listed in the MTW Operations Notice (collectively, "the Requirements"), as they may be amended or implemented in the future. Accordingly, if any Requirement, other than the provisions of the Act and its implementing regulatory requirements or subregulatory guidance exempted pursuant to this MTW ACC Amendment and the MTW Operations Notice, conflicts with any exemption or authorization granted by this MTW ACC Amendment, the MTW Agency remains subject to that Requirement.

Section 6. At least one year prior to expiration of this MTW ACC Amendment,<sup>1</sup> the PHA shall submit a transition plan to HUD. It is the PHA's responsibility to be able to end all MTW activities that it has implemented through its MTW Supplement to the PHA Plan upon expiration of this MTW ACC Amendment. The transition plan shall describe plans for phasing out such activities. The plan may also include any proposals of authorizations/features of the ACC Amendment and the MTW Operations Notice that the PHA wishes to continue beyond the expiration of the MTW ACC Amendment. The PHA shall specify the proposed duration and shall provide justification for extension of such authorization/features. HUD will review and respond to timely-submitted transition plans from the PHA in writing within 75-days or they are deemed approved. Only authorizations/features specifically approved for extension shall continue beyond the term of the MTW ACC Amendment. The extended features shall remain in effect only for the duration and in the manner specified in the approved transition plan and be subject to any necessary ACC Amendments as required by HUD.

Section 7. Termination and Default.

(A) If the PHA violates or fails to comply with any requirement or provision of the ACC, including this amendment, HUD is authorized to take any corrective or remedial action described in this Section 7 for PHA default or any other right or remedy existing under applicable law, or available at equity. HUD will give the PHA written notice of any default, which shall identify with specificity the measures, which the PHA must take to cure the default and provide a specific time frame for the PHA to cure the

default, taking into consideration the nature of the default. The PHA will have the opportunity to cure such default within the specified period after the date of said notice, or to demonstrate within 10 days after the date of said notice, by submitting substantial evidence satisfactory to HUD, that it is not in default. However, in cases involving clear and apparent fraud, serious criminal behavior, or emergency conditions that pose an imminent threat to life, health, or safety, if HUD, in its sole discretion, determines that immediate action is necessary it may institute the remedies under Section 7(B) of this MTW ACC Amendment without giving the PHA the opportunity to cure.

(B) If the PHA is in default of this MTW ACC Amendment and/or the MTW Operations Notice and the default has not been cured, HUD may, undertake any one or all remedies available by law, including but not limited to the following:

- i. Require additional reporting by the PHA on the deficient areas and the steps being taken to address the deficiencies;
- ii. Require the PHA to prepare and follow a HUD-approved schedule of actions and/or a management plan for properly completing the activities approved under this MTW ACC Amendment;
- iii. Suspend the MTW waiver authorization for the affected activities;
- iv. Require reimbursement by the PHA to HUD for amounts used in violation of this MTW ACC Amendment;
- v. Terminate this MTW ACC Amendment and require the PHA to transition out of MTW;
- vi. Restrict a PHA's ability to use its MTW funding flexibly; and/or
- vii. Take any other corrective or remedial action legally available.

(C) The PHA may choose to terminate this MTW ACC Amendment at any time. Upon HUD's receipt of written notification from the PHA and a copy of a resolution approving termination from its governing board, termination will be effective. The PHA will then begin to transition out of MTW and will work with HUD to establish an orderly phase-out of MTW activities, consistent with Section 6 of this MTW ACC Amendment.

(D) Nothing contained in this ACC Amendment shall prohibit or limit HUD from the exercise of any other right or remedy existing under any ACC or available under applicable law. HUD's exercise or non-exercise of any right or remedy under this amendment shall not be construed as a waiver of HUD's right

to exercise that or any other right or remedy at any time.

Section 8. Notwithstanding any provision set forth in this MTW ACC Amendment, any future law that conflicts with any provision of this ACC Amendment, as determined by HUD, shall not be deemed to be a breach of this ACC Amendment. Nor shall HUD's execution of any future law be deemed a breach of this ACC Amendment. Any future laws affecting the PHA's funding, even if that future law causes a decrease in the PHA's funding, shall not be deemed a breach of this ACC Amendment. No future law or HUD's execution thereof shall serve as a basis for a breach of contract claim in any court.

Section 9. If any clause, or portion of a clause, in this Agreement is considered invalid under the rule of law, it shall be regarded as stricken while the remainder of this Agreement shall continue to be in full effect.

In consideration of the foregoing covenants, the parties do hereby execute this MTW ACC Amendment:

**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD is seeking approval from OMB for the

information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on April 17, 2023 at 88 FR 23452.

**A. Overview of Information Collection**

*Title of Information Collection:* Public Housing Inventory Removal Application, General Depository Agreement, and Notification of Future Public Housing Development.

*OMB Approval Number:* 2577–0075.

*Type of Request:* Revision of a currently approved collection.

*Form Number:* HUD–51999; HUD 52860, HUD 52860–A, HUD 52860–B, HUD 52860–C; HUD 52860–D; HUD 52860–E, HUD 52860–F, HUD–52860–G, and HUD–5837.

*Description of the need for the information and proposed use:* This collection covers the paperwork and HUD 52860 form requirements that PHAs must use when they request HUD approval to remove public housing real property (including units) from their public housing program through the following sections of the United States Housing Act of 1937 Section 18 (demolition/disposition), Section 22 (voluntary conversion), Section 33 (required conversion) and Section 32 (homeownership conveyance) as well as through settlement agreements in lieu of court proceedings for proposed eminent domain takings of public housing property and retention requirements under 2 CFR 200.311. Note that HUD approval of a removal action does not automatically or necessarily result in actual removal; rather, the PHA must complete the actual removal and comply with the applicable HUD reporting requirements to document the actual removal.

The collection is a renewal and is also a request to change the collection name to: Public Housing Inventory Removals Application, General Depository Agreement, and Notification of Public Housing Closeout or Future Development from: Public Housing

Annual Contributions Contract and Inventory Removal Application

This collection covers the paperwork and HUD–51999 (General Depository Agreement) (GDA) form that PHAs must use when they receive restricted funds and program income, by requiring such funds to be deposited into interest-bearing accounts at financial institutions whose deposits or accounts are insured by the Federal Deposit Insurance Corporation (FDIC) or the National Credit Union Share Insurance Fund (NCUSIF) and if the insurance limits are exceeded, then to be fully and continuously collateralized with HUD approved investments.

This collection covers the paperwork and HUD–5837 (Notification of Future Development) form information that PHAs must provide when they are submitting applications that remove all their public housing units about their plans for potential new public housing development or closeout of their public housing program. The HUD–5837 is used by HUD to monitor the federal public housing inventory and PHA status as an entity with which HUD has a valid and ongoing Annual Contributions Contract (ACC).

The revision of this collection does two things.

First, it removes the following three forms from this collection:

- Annual Contributions Contract (ACC) (HUD–53012).
- Declaration of Trust/Declaration of Restrictive Covenants (DOT/DORC) (HUD–52190). This form is included in OMB Collection 2577–0275.
- Capital Fund Program (CFP) Amendment to the Annual Contributions Contract (ACC) Office of Public and Indian Housing (HUD–52840–A). This form is being included in its own collection.

Second, it makes formatting, instructional and other changes to the remaining forms to provide clearer direction and to ensure PHAs are fully complying with all applicable statutory and regulatory requirements.
