SUPPLEMENTARY INFORMATION: *Title:* Request for Approval of School Attendance (VA Forms 21-674 and 21-674c) and School Attendance Report (VA Form 21-674b).

Type of Review: Revision of a currently approved collection.

Abstract: VA Forms 21-674 and 21-674c are used to gather information that is necessary to determine benefit

entitlement to or for a veteran’s child between the ages of 18 and 23 who is attending school. VA Form 21-674b is used to verify the school attendance of a child who is receiving benefits or for whom benefits are being received. Without this information, VA would be unable to properly authorize benefits for school attendance. No changes have been made to these forms. The respondent burden has increased due to the estimated number of receivables averaged over the past year.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Affected Public: Individuals or Households.
