If "a" is selected for Q5, then the following is displayed:

- *5. Identify the type of foreign carrier affiliation notification
- b. Post-Consummation Notification pursuant to the exceptions in section 1.768(b) o a. Prior Notification as required by section 1.768(a) of the Commission's rules

If filing prior notification, as required by section 1.788(g)(2) of the Commission's rules, 47 CFR § 1.788(g)(2), the Licensee must demonstrate that it continues to serve the public interest for the Licensee to retain its interest in the cable landing license for that segment of the cable landing license for the criteria in section 63.10(a) the continuation market. Such a showing shall include a demonstration as to whether the foreign carrier lacks market power in the non-WTO destination market with reference to the criteria in section 63.10(a) of this chapter. 47 CFR § 63.10(a).

See instructions for further information about submitting this information. 5.a.1 Prior Notification Table
