**Who Must File This Form and When**

Any individual or entity who is a Licensee on or is a proposed Applicant/Licensee to a submarine cable system and is seeking a waiver of the Commission's cable landing licensing rules.

**Description of Form**

This form consists of a main form and the ability to file an attachment to support the request. The Applicant is encouraged to upload a single document in machine readable format, including all required information. The Applicant must fill in all required fields, upload required documents, make all required certifications, and sign the form before submitting the application.

**Information Current and Complete**

Information filed in the application with the Commission must be kept current and complete under [section 1.65](#) of the Commission's rules. 47 CFR § 1.65. To amend a submitted waiver request, use a separate form, SCL-AMD.

**Applicable Rules and Regulations**

August 2024

Section 1.3 of the Commission's rules allows parties to request waiver of the rules when good cause is shown.

Section 1.3 states, "The provisions of this chapter may be suspended, revoked, amended, or waived for good cause shown, in whole or in part, at any time by the Commission, subject to the provisions of the Administrative Procedure Act and the provisions of this chapter. Any provision of the rules may be waived by the Commission on its own motion or on petition if good cause therefor is shown." 47 CFR § 1.3.

The rules regarding cable landing license applications are contained in sections 1.767, 1.768, 63.10(a), 63.18(h), (o), (p), (q), and 1.40001 of the Commission's rules. 47 CFR §§ 1.767, 1.768; 63.10(a), 63.18(h), (o), (p), (q), 1.40001.

Applicants should refer to the Debt Collection Improvement Act of 1996. The Debt Collection Act requires all federal agencies to ensure that no debtors to the Federal Government obtain any licenses or other benefits from the FCC. To ensure this, the Commission must collect FRN information to correlate its Applicants with any outstanding Federal debt that they might have incurred in other dealings with the Federal government. For additional information, go to the FCC's Debt Collection webpage, <https://www.fcc.gov/licensing-databases/fees/debt-collection-improvement-act-implementation>.

## FILING INSTRUCTIONS

Remember to save your draft application periodically by clicking the save button. ICFS will time-out after 15 minutes of no activity, and failure to save will result in loss of any information entered into the application form after the last save.

### Applicant Information

Item 1. The Applicant must enter the information requested. Some data will be pre-populated using the data associated with carrier's FCC Registration Number (FRN). If there are multiple Applicants for the cable landing license, the lead Applicant shall enter its information in Item 1. The lead Applicant is the Applicant that is providing the information about the cable that is not specific to an individual Applicant, such as information about the cable system design, and will serve as the Commission contact for the application.

When the Applicant enters its FRN, the Applicant Information will pre-populate with its FRN data in CORES. To modify these pre-populated data, update the data associated with the FRN in CORES. However, a few fields are editable in this item in the SCL-LIC form (Attention, Title, Phone, Fax, and Email fields are editable).

Enter any missing data and sections that are not already populated from CORES, such as the "Applicant/Licensee Legal Entity Type" field.

### Contact Information

Item 2. Identify the contact representative, if different from the Applicant. The contact information can be imported automatically from CORES if the Applicant supplied an FRN, but fields are still editable.

If the contact representative is the same as the person indicated in Item 1, then check the box "Same as Applicant." If the contact representative is not the same as the Applicant provide the requested information.

- Provide the name of a person in your organization, your outside counsel, or other representative whom we can contact if there are questions regarding your application. This person should have decisional authority over the contents of your application.
- Provide the Company name if different from Applicant name in Item 1 or repeat "Company" name here.
- Provide the contact representative's address, phone number, fax number, and email.
- Provide your "Doing Business As (DBA)" name. If the Applicant is not operating its business using a DBA, you may leave this section blank.

August 2024

- Indicate how the contact person is related to the Applicant by selecting a choice from the drop-down “Relationship” menu. For example, select "Legal Counsel" if the contact is the Applicant's counsel. Selecting “other” will open a text box for entry of a description of the relationship.

## **Application Information**

Item 3. Provide a brief description of the waiver request and applicable rule section Applicant seeks to waive. For example, “Company A requests a waiver of the requirement in Section 1.767 to provide information on interlocking directorates.” This description will also appear in the “My Filings” tab on the ICFS main page to assist in identifying the application.

## **Application Fees**

Item 4. An application fee is required for this form. Indicate whether you are exempt from the application fee by selecting “Yes” or “No.”

**Note that the FCC may not be able to start its review of a submitted application until the associated application fee is paid.** To determine the required fee amount, refer to Subpart G of Part 1 of the Commission’s Rules ([47 CFR Part 1, Subpart G](#)) and the current Fee Filing Guide. The current Fee Filing Guide can be downloaded from the FCC’s website at <https://www.fcc.gov/licensing-databases/fees/application-processing-fees>, by calling the FCC’s Form Distribution Center at (800) 418-FORM (3676), or by faxing your request to the FCC’s Fax Information System at 1-866-418-0232.
