Donor Categories

1. **Individuals.** The total of eligible gifts donated by individual persons. These individuals may be alumni, trustees, patrons, or others not included in category number six (groups).
2. **Corporations and businesses.** The eligible amounts from businesses, corporations, and company-sponsored or corporate foundations.

Note: Many businesses sponsor a program whereby an individual employee's gift to a cultural organization may be complemented by an additional amount from the employer. The company's gift is responsive to the initiative of the employee and can count for matching purposes. The sum of the employee's gift plus match from the employing company should be included under category number one for gifts from individuals.
3. **Private or public foundations.** Amounts of gifts from national, state, or community foundations.
4. **Labor unions or professional or trade associations.**
5. **Nonfederal government units, such as state legislative bodies or agencies, county boards, or municipal sources.**
6. **Affiliated groups.** The eligible amounts from pooled rather than individual sources or other separate but associated groups. Examples include an alumni association, the class of 1943 as a group gift, membership fees, or "friends groups."
7. **Special events and benefits.** The amount of net proceeds from events such as auctions, raffles, benefit concerts, or other special fund-raising events.
8. **Other.** The eligible amounts of gifts from miscellaneous sources not classified above. If this amounts to more than ten percent of the matching requirement, please describe the donor sources in the annual performance report.

Do any of the figures in column one reflect revisions of amounts in the previous certification report? Yes No

If this is intended as your last certification of matching gifts for your challenge grant, do the amounts reflect only collected pledges? Yes No Not Applicable

Reminder: Certain types of gifts require additional documentation. If any such gifts are included in amounts reported in column two, please include necessary documentation.

I certify that the information contained herein is true and correct; that all restricted gifts were made in response to the NEH challenge grant; that these gifts meet the criteria for eligibility established by NEH and will be expended for the intended grant purposes; and that the total of unrestricted gifts certified does not exceed the federal portion of the challenge grant. Documentation that substantiates the sources, purposes, eligibility, and expenditure of the gifts will be retained for three years following the submission to NEH of the final financial and performance reports.
