

Fed/State Supplemental Funding Final Report

NEH uses reports to evaluate the work of grantees, assess the impact of its funded projects across the country, and to explain the value of this work to Congress and the American public. Please answer the questions on this tab, as they are all required. All fields must be filled in order to save your work. Please review your responses before submitting. For councils that made subawards, please complete the Subrecipients tab.

The Office of Management and Budget requires federal agencies to supply information on the time needed to complete forms and to invite comments on the paperwork burden. NEH estimates that on average it takes 4-5 hours to complete the Final Performance Report. This estimate includes time for reviewing instructions, researching, gathering, and maintaining the information needed, and completing and reviewing the application. Time needed may vary from program to program. You may send any comments regarding the estimated completion time or any other aspect of this report, including suggestions for reducing the completion time, to NEH's Office of Federal/State Partnership, fedstate@neh.gov, 400 Seventh Street SW, Washington, D.C. 20506. According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB number.
