

SHARP Final Report (Fed/State)

OMB control number 3136-0134, expiration date October 31, 2024

You must respond to each question to submit the form; if you attempt to submit the form with one or more missing responses, you will receive a message prompting you to provide the missing response(s). Text pasted into the form will be added as plain text. If there are no changes to responses between the Interim and Final Reports, councils are asked to respond to Final Report questions with "No new information."

Public reporting burden for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to NEH's Office of Federal/State Partnership, fedstate@neh.gov, 400 Seventh Street SW, Washington, D.C. 20506.

Impacts and outcomes

In no more than 500 words, describe the impact of ARP funding on the council, including in your response how ARP funding has and will continue to impact council operations and programming.

In no more than 500 words, describe the most significant outcomes of council-conducted programs funded through ARP, including in your response the audiences of those activities and how those activities made or will make a difference for those audiences. (Note: Quantitative data on program formats and audiences is not required)

In no more than 500 words, describe the most significant outcomes of subaward-conducted activities funded through ARP, including in your response the audiences of those activities and how those activities made or will made a difference for those audiences. (Note: Quantitative data on program formats and audiences is not required)

In no more than 500 words, discuss the council's outreach efforts – how did the council conduct outreach to broad and diverse audiences about ARP funding and programming information?

Was information on ARP funding available to the public in languages other than English?

Select a value

Provide links to press releases announcing ARP funding opportunities and grant recipients.

Total combined number of council and subaward recipient jobs preserved or sustained with ARP funding,

Total combined number of council and subaward recipient jobs created with ARP funding.

Total number of council hours spent administering ARP funding since March 15, 2021.
