OMB CONTROL NUMBER 0584-0639 Expiration Date: xx/xx/xxxx

UNITED STATES DEPARTMENT OF AGRICULTURE Food and Nutrition Service SNAP-ED TOOLKIT INTERVENTION SCORING TOOL

Instructions

- Please use the associated drop down menu to score each question.
- The Intervention Submission Tool Questions or Materials to Review are suggestions, please feel free to use all information provided about the intervention to determine a score for each question.
- Please feel free to make comments for each question, these will only be shared with other reviewers if scores need to be aligned.
- If an intervention is not chosen to be included in the SNAP-Ed Intervention Toolkit, intervention developers will be provided the reasons it was not included, and the additional information or actions to be taken for inclusion. This feedback will be deidentified.
- Mandatory questions on the Intervention Submission Tool are indicated with an asterisk (*).
- For more information about the RE-AIM Framework, please visit: https://snapedtoolkit.org/training/online-training/.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-0639, expiration date xx/xx/xxxx. The time required to complete this information collection is estimated to average 6 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314, ATTN: PRA (0584-0639). Do not return the completed form to this address.
