

OMB APPROVED NO. 0584-0639

Expiration Date: 09-30-2026

United States Department of Agriculture Food and Nutrition Service SNAP-Ed Intervention Submission Form

INSTRUCTIONS

This submission form will be used in the review of your intervention. All items marked with an asterisk (*) are required. Make sure to check all relevant categories for each field. Responses must fit within the character limits. Guidance is provided regarding what should be addressed for questions which are answered in narrative format. Up to 10 documents may be attached to provide additional information. Attached documents should be summary and/or evaluation-oriented publications or reports.

Form Approved OMB No. 0584-0639 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is [0584-0639]. The time required to complete this information collection is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314 ATTN: PRA (0584-0639). Do not return the completed form to this address. Expiration date: XX-XX-XXXX.

Section I. Intervention Name and Contact Information

1. Strategy/Intervention/Program name*:

2. Developer(s)/Author(s) and credentials*:

3. Developer(s)/Author(s) Organization(s):

4. Contact name*:

5. Contact email*:

6. Contact phone*:

7. Funding source(s)*:

8. Organization Website (URL):

9. Publication/revision year*:

Form Approved OMB No. 0584-0639 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is [0584-0639]. The time required to complete this information collection is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314 ATTN: PRA (0584-0639). Do not return the completed form to this address. Expiration date: XX-XX-XXXX.

Section II. Intervention Overview

10. Provide a brief overview of the intervention in narrative form that describes how it works, how it addresses Policy, System, and Environment (PSE) change, social marketing and/or direct education, and other key features (3,000 character limit):*

For example: The [Intervention name, acronym] is a [intervention strategy] designed to [intervention objective(s)].

Include additional intervention details, such as basic information on how it works, which SNAP-Ed Evaluation Framework indicators it addresses, how the intervention serves underserved populations, and other important features critical to successful implementation.

Consider adding the following details for each appropriate intervention approach:

- *Direct Education: Number of sessions, length of each session, age of participants, preferred settings, etc.*
- *PSE Change: Description of PSE change, targeted settings, key stakeholders to engage, training and/or technical assistance provided, etc.*
- *Social Marketing: Channels used (e.g. mass media, social media), message(s) promoted, targeted segment of the SNAP-Ed eligible audience, target behavior(s) addressed, etc.*

Characters remaining: 3000

11a. Intervention Strategies (check all relevant categories)*

Direct Education

Policy, Systems, and Environmental (PSE) Change

Social Marketing

11b. Target behaviors (check all relevant categories)*

Healthy Eating

Physical Activity and Reducing Screen Time

Food Resource Management

Other:

12. What are the primary objectives of the intervention?

13. What are the available languages for the intervention? Check **all** relevant categories.*

Cambodian

Chinese

Creole

English

Hmong

Korean

Lao

French

Russian

Spanish

Vietnamese

Other:

14. Who is the intended audience for this intervention? Check **all** relevant categories for each field:*

Race and/or Ethnicity

American Indian or Alaska Native

Asian

Black or African American

Hispanic or Latino

Middle Eastern or North African

Native Hawaiian or Other Pacific Islander

White

No racial group priority

Age / Population Group

Preschool

Elementary School

Middle School

High School

Parents/Caregivers/Guardians

Adults

Older Adults (60 years and older)

Community Wide

Pregnant/Breastfeeding

People experiencing homelessness

Tribal Nations

Refugees/Asylees or Immigrants

Veterans

People with intellectual and developmental disabilities

Other:

15. Describe the main or core intervention components (i.e., critical features of the intervention's intent and design that should be kept intact when the intervention is implemented) (1,000 character limit):*

For example: [Intervention acronym] includes [main intervention components]. These intervention components provide [specific aims or goals of the components].

Describe which components are core components and which may be modified or omitted. Include additional sentences that help describe how these components address the target behavior(s), any basic steps required to implement the intervention and a timeline for implementation, points of coordination among partners or methods for delivery, and ongoing tracking and evaluation points.

Characters remaining: 1000

Form Approved OMB No. 0584-0639 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is [0584-0639]. The time required to complete this information collection is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314 ATTN: PRA (0584-0639). Do not return the completed form to this address. Expiration date: XX-XX-XXXX.

FNS-886 Version 2 (4-21) Previous Editions Obsolete

Section III. Intervention Development

16. Describe how the intervention addresses the needs of the intended audience or SNAP-Ed audience segment (1,000 character limit):*

How does the intervention specifically address the cultural needs, preferences, language, reading levels, and accessibility needs of the intended audience? Explain steps taken during development to ensure it is appropriate for the intended audience and the settings

Characters remaining: 1000

17. Describe any priority population and community partner involvement in the **development** of your intervention (500 character limit):*

Explain why each partner was involved and how they contributed to the development of your intervention.

Characters remaining: 500

18a. Were SNAP-Ed educators, intervention participants, partners and/or stakeholders involved in testing the **acceptability** (how well it serves the intended audience and fits into the intended setting) of the intervention?*

Yes

No

18b. Please describe the tools and instruments that were used in developing, testing, and evaluating this intervention for acceptability with the intended audience, partners, and stakeholders.

Explain how the tools and instruments were used, the results collected, and (if they were used) how they were used to update or improve your intervention. Reference attachments in Section VIII. Evaluation Attachments and/or provide links to tools, if available. If reports are available, include as an attachment to your submission.

18c. Are MyPlate materials used in this intervention?*

Yes

No

Form Approved OMB No. 0584-0639 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is [0584-0639]. The time required to complete this information collection is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314 ATTN: PRA (0584-0639). Do not return the completed form to this address. Expiration date: XX-XX-XXXX.

Section IV. Evaluation and Outcomes

For SNAP-Ed outcomes and indicators, see the [SNAP-Ed Evaluation Framework](#).

19. Please select the evidence-based approach that best describes your intervention:*

Note, emerging strategies should not be submitted to the SNAP-Ed Clearinghouse until they have been evaluated for effectiveness. States and implementing agencies are able to continue submitting "emerging" interventions in their annual SNAP-Ed State plans.

Research-tested: *significant effects on individual behaviors, food/physical activity environments, or policies shown with findings published in peer-reviewed literature or external evaluation report*

Practice-tested: *positive effects on individual behaviors, food/physical activity environments, or policies shown*

20. For your evidence-based approach, please indicate the supporting evidence which you are providing to support your intervention.* *Up to five supporting documents can be attached in **Section VIII. Evaluation Attachments**.*

The Centers for Disease Control and Prevention (CDC) provides additional information about [evaluation](#).

Check **all** relevant categories:

- Case Study
- Economic Evaluation
- Evaluability Assessment
- Evaluation Report
- Formative research (such as audience testing)
- Impact Evaluation
- Objectives-based evaluation
- Outcome evaluation
- Peer-reviewed publication(s)
- Pilot testing results
- Process evaluation
- Supporting research for theoretical Framework
- Traditional knowledge and Indigenous approaches
- Other (please describe):

21. Please describe the framework(s) or theory(ies) that were used in the development of your intervention and evaluation and how they were used. (1,000 character limit)

Characters remaining: 1000

22. What and to what extent were **intended** outcomes achieved (this includes health, behaviors, environmental, policy/practice outcomes)?*

- For the Intended Outcome field, provide specifics when describing the outcome measure. Add additional Intended Outcomes as needed. If there are more than 5, include as an attachment in **Section VIII. Evaluation Attachments**.
- For the SNAP-Ed Evaluation Framework Indicator and Measure field, select the relevant indicator and measure from the [SNAP-Ed Evaluation Framework](#) if applicable (e.g., MT5: Nutrition Supports, MT5b: Total number of policy changes).
- For the Extent Achieved field, describe how the outcome was achieved and the extent achieved. For the How Outcome was Measured field, describe what instruments were used to measure the outcomes and include the name of the instrument.

FNS-888 Version 2 (4-21) Previous Editions Obsolete

23. Please describe if there were any **unintended/unexpected** outcomes (1,000 character limit).

In addition to unintended outcomes, include unintended/unexpected benefits, challenges, lessons learned, or recommendations that may be useful to future users of this intervention.

Characters remaining: 1000

24. Describe methods used and data collected to ensure the intervention was implemented with fidelity (intervention was delivered as conceived and planned) (500 character limit):

*Include materials that define the steps to plan implementation, role delineation and resource allocation; feedback systems to monitor operations, consumer response, and partner/setting acceptance; benchmarks to track progress; and the resource commitments, both in-house and through new resource acquisition. Include budget estimates for implementation and oversight. It is highly recommended that any of the materials listed above are included as intervention material attachments in **Section VII. Intervention Attachments**.*

Characters remaining: 500

Section V. Implementation

25. What are the primary settings for the intervention. Check **all** relevant categories*:

- Community
- Early child care & education
- Faith-based
- Farmer's markets
- Food retail
- Food pantries
- School gardens
- Community gardens
- Healthcare
- Indian Tribal Organizations
- Schools
- Colleges/Universities
- USDA program Sites
- Worksites
- Senior Centers
- Group homes and adult day programs for people with intellectual and developmental disabilities
- Other (please describe):

26. Describe the primary setting(s) the intervention was designed for and how the settings contributed to the success of the intervention (1,000 character limit):

Include settings not listed above. If available, indicate the number of eligible sites/settings/partners that completed the intervention and the number of the intended audience that was reached. These may be estimates. If available, explain how sites were able to continue the intervention without assistance and any sustainability efforts for the intervention. Describe resources provided (volunteers, physical space, technical services, etc.) and how they were used.

Characters remaining: 1000

27. Select the partners involved in the intervention? Check **all** relevant intervention partners:*

- Agricultural organizations (includes farmers' markets and farmers)
- Chefs/culinary institutes
- City and regional planning and transportation groups
- Colleges and universities
- Early care and education facilities (includes childcare centers, daycare homes, Head Start, preschool, and prekindergarten programs)
- Faith-based groups
- Food banks/food pantries/food recovery organizations
- Food stores (convenience stores, grocery stores, supermarkets, etc.)
- Foundations/philanthropic organizations/nonprofits
- Government nutrition assistance programs/agencies (Federal, State, local, etc.)
- Hospitals/healthcare/public health organizations (includes health insurance companies)
- Human services organizations
- Tribal Organizations
- Labor/workforce development groups
- Low-income housing organizations (includes housing for seniors and people with disabilities)
- Media/advertising groups
- Organizations that work with people with disabilities (other than housing)
- Parks and recreation centers
- Restaurants

Schools (K-12, elementary, middle, and high)

Senior centers and organizations

State nutrition and obesity prevention organizations and collaboratives

Worksites

Other (please describe):

28. How long has this intervention been implemented in the field?

29. Describe the ongoing resources needed to maintain the quality of this intervention (1,000 character limit):*

Describe resources such as physical materials, full-time employees and ongoing training, and costs associated with tracking and evaluation.

Characters remaining: 1000

30a. Describe any adaptations or modifications made to your intervention over time (1,000 character limit):*

Modifications may be made to move interventions from pilot projects to full scale, or to make adaptations to changes in conditions such as partner/setting interest, policy priorities, updated standards, personnel changes, economic conditions, etc. Describe how these modifications addressed any sustainability concerns.

Characters remaining: 1000

30b. Describe the feasibility of adapting to other settings/communities than those in which the intervention was developed (500 character limit).

Characters remaining: 500

31. What effect, if any, have the modifications described in the previous question changed the adoption, implementation, or outcomes achieved by the intervention (500 character limit)?

If applicable, describe changes to number or type of sites, how implementation was improved, and what outcomes were achieved and to what extent.

Characters remaining: 500

32. Describe how the intervention will be sustained in the future. Describe partnerships or diversified funding mechanisms which may address any potential sustainability concerns (500 character limit):

Describe any efforts that have successfully addressed sustainability such as demonstrating return on investment, social enterprise, partnership with non-profit or private partners, or successfully awarded grant funding.

Characters remaining: 500

Form Approved OMB No. 0584-0639 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is [0584-0639]. The time required to complete this information collection is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314 ATTN: PRA (0584-0639). Do not return the completed form to this address. Expiration date: XX-XX-XXXX.

Section VI. Training, Materials and Resources

33. Are there costs associated with using the intervention and evaluation materials?

Yes

No

Form Approved OMB No. 0584-0639 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is [0584-0639]. The time required to complete this information collection is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314 ATTN: PRA (0584-0639). Do not return the completed form to this address. Expiration date: XX-XX-XXXX.

34. If there is a cost for some or all of the materials, please describe:

35. Are the materials available to order?*

Yes

No

Form Approved OMB No. 0584-0639 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is [0584-0639]. The time required to complete this information collection is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314 ATTN: PRA (0584-0639). Do not return the completed form to this address. Expiration date: XX-XX-XXXX.

FNS-886 Version 2 (4-21) Previous Editions Obsolete

36. Describe the intervention materials available (500 character limit):*

*Provide a summary of the available intervention materials. If helpful, reference the attachments included in **Section VII. Intervention Attachments** and/or include a bulleted list of intervention materials with corresponding links to more information.*

Characters remaining: 500

37. Are staff/partner/volunteer training materials available for your intervention?

Yes

No

38a. Are evaluation materials provided for your intervention?*

Yes

No

Form Approved OMB No. 0584-0639 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is [0584-0639]. The time required to complete this information collection is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314 ATTN: PRA (0584-0639). Do not return the completed form to this address. Expiration date: XX-XX-XXXX.

38b. Please describe the provided evaluation materials (500 character limit):

*Please include links to and/or reference attachments included in **Section VIII. Evaluation Attachments** with formative or process evaluation materials such as surveys, interview or focus group questions, output or outcome data collection tools, if available, and reliability and/or validity testing completed for the tools.*

Characters remaining: 500

38c. Please describe the recommended evaluation materials (500 character limit):

Please include links to and/or reference appropriate evaluation materials, if available.

Characters remaining: 1

39. Please describe the training needed to implement your intervention (e.g. online versus in-person training, number of training sessions, who delivers the training, who receives the training, evaluation of the training, etc.) (500 character limit): Please reference training materials provided as attachments in **Section VII. Intervention Attachments** and/or link to training materials online, if available.

Form Approved OMB No. 0584-0639 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is [0584-0639]. The time required to complete this information collection is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Office of Policy Support, 1320 Braddock Place Alexandria, VA 22314 ATTN: PRA (0584-0639). Do not return the completed form to this address. Expiration date: XX-XX-XXXX.

Section VII. Intervention Attachments

40. Please list below **up to 5** (Attachment A - E) intervention materials (such as training manuals or sample lessons). Please name files with short (<150 characters), descriptive names, including the appendix letter. For example, Attachment_A_Training Manual. If possible, reference the attachments (e.g. As shown in Attachment A,...) throughout your submission form to help reviewers quickly find the appropriate information. All attachments should be submitted along with this form as described in the accompanying instructions.

Please note, you can only upload one file per question. File size cannot exceed 50MB. If you need to submit files that are large and exceed the limit, compress the files into a ZIP file prior to uploading.
