What's New

- Change over for the 2023 Permit year
- Changes to permit category may be made under the following circumstances:
 - a) When a constituent renews their permit for the upcoming season; or
 - b) Within 45-calendar days from the permits' date of issuance, to correct any errors in permit category.
- Standalone Permit price is \$26; Combination permit price is \$52.
- When contacted by an applicant who is unable to renew/apply for the permit category they are looking for please notify NMFS staff, via email and instruct the applicant to call 978-281-9260 to get further details regarding their permit.

Report Your Catch

The information below relates to reporting requirements that can be completed through the HMS Permit Shop. For more information on other requirements, including those connected to permits issued through regional NOAA Fisheries offices, [visit the NOAA Fisheries website](#). Details are also available in our [Atlantic HMS recreational, commercial, and dealer compliance guides](#).

Recreational Fishermen

If you hold either an [HMS Angling Permit](#) or [HMS Charter/Headboat Permit](#), you must report bluefin tuna landings and dead discards, and swordfish and billfish landings within 24 hours of returning from a trip. You must also report any billfishes and swordfish caught within Florida state waters.

In most cases, you can report online by entering your permit number in the field below or through our [Catch Reporting app](#).

Permit Number: *

[Click here for step-by-step instructions for reporting online.](#)

You can also report by phone at:

- Swordfish and billfishes: 800-894-5528
- Bluefin tuna: 888-872-8862

Anglers in Maryland and North Carolina must also report at a state-operated reporting station.

Commercial Fishermen

If you hold any of the following permits, you must report all bluefin tuna landings and dead discards within 24 hours of returning from a trip.

- [Atlantic Tunas General category permit](#)
