c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

The purpose of this system of records is to provide a single repository within the Department of Defense to assess manpower and pay trends, support personnel and readiness functions, track deployments, assist recruiting efforts, locate and fill vacant positions, track career progression from applicant/accesion to separation, to perform longitudinal statistical analyses, identify current and former DOD civilian and Armed Forces personnel for purposes of detecting fraud and abuse of pay and benefit programs, to register current and former DOD civilian and Armed Forces personnel and their authorized dependents for purposes of obtaining medical examination, treatment, privileges, or other benefits to which they are qualified.

To collect debts owed to the United States Government and state and local governments.

Information will be used by agency officials and employees, or authorized contractors, and other DOD Components in the preparation of surveys, research, and policy as related to the health and well-being of current and past Armed Forces and DOD affiliated personnel; to respond to Congressional and Executive branch inquiries; and to provide data or documentation relevant to the testing or exposure of individuals.

Military Services and Civilian drug test records will be maintained and used to conduct longitudinal, statistical, and analytical studies and computing demographic reports. No personal identifiers will be included in the demographic data reports. All requests for Service specific drug testing demographic data will be approved by the Service designated drug testing program office. All requests for DoD wide drug testing demographic data will be approved by the DoD Director for Drug Testing and Program Policy, 4000 Defense Pentagon, Washington, DC 20301-4000. Drug data will also be used to support the continuous evaluation program for personnel security vetting and monitoring for personnel being evaluated for access to national security information. Former service drug test records and Civilian drug records are precluded from use for continuous evaluation programs.

DMDC web usage data will be used to validate continued need for user access to DMDC computer systems and databases, to address problems associated with web access, and to ensure that access is only for official purposes.

Types of personal information collected include: name, social security number, DoD Identification Number, date of birth, selective service number, civil service claim number, rank, age, sex, race, education, home town, home address, work address, hospitalization, casualty information, medical treatment, fingerprints, credit or financial data, agency identifier, metropolitan statistical area, e-mail address, phone number.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

Personally Identifiable Information is collected and maintained for data matching and mission-related uses. Information within these files are used to meet the Department's readiness requirements as well as to conduct research and studies relating to the health and well-being of past and present DoD affiliated personnel.

e. Do individuals have the opportunity to object to the collection of their PII? Yes No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

PII is provided to DMDC 01 by other systems . Most of the files contained in this System are from DoD Pay and Personnel files. For these individuals a Privacy Act Statement is provided during initial entry into Service on the Service specific personnel forms (e.g. DA form 61, NAVMC 763, USAFA Form 146 and AETC Forms 1413 & 1422). For the Armed Services Vocational Aptitude Battery (ASVAB) and Defense Language Proficiency Test (DLPT) files individuals can elect not to take the test.

f. Do individuals have the opportunity to consent to the specific uses of their PII? Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

For all other files contained in the DMDC 01 System contains PII provided by other systems. Note: For Military personnel- A Privacy Act Statement is provided during initial entry into Service on the following Service specific personnel forms (e.g. DA form 61, NAVMC 763, USAFA Form 146 and AETC Forms 1413 & 1422). On these forms individuals agree to the collection of their data for military personnel uses, but do not agree to all specific uses ie. data matching, surveys, statistical compilations etc.

For the ASVAB files: individuals taking the ASVAB test are provided the following statement, "Privacy Act Statement Authority: Sections 505, 508, 510, and 3012 of Title 10

U.S. Code and Executive Order 9397. PRINCIPAL PURPOSE: the requested information on this form will be used to properly process and identify the individual requesting an examination at a military entrance processing station (MEPS). ROUTINE USE: Record is maintained with other enlistment processing records. DISCLOSURE: Voluntary: refusal to provide required data could result in denial of enlistment.

For the DLPT Database: individuals taking the DLPT test are provided a privacy act statement.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

Privacy Act Statement Privacy Advisory Not Applicable

DMDC does not solicit information directly from the individuals.

k. Does this DoD Information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information must be consistent.

- Yes No

If "Yes," enter SORN System Identifier

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or <http://dpcl.d.defense.gov/Privacy/SORNs/>
or

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date

If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.

l. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?

(1) NARA Job Number or General Records Schedule Authority.

(2) If pending, provide the date the SF-115 was submitted to NARA.

(3) Retention Instructions.

The retention is Permanent. At the end of each fiscal year, a snapshot of the Master File together with the system documentation are transferred to the National Archives and Records Administration in accordance with 36 CFR part 1228.270 and 36 CFR part 1234.

m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

- (1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.
- (2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).
 - (a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.
 - (b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.
 - (c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.
