Notice – CDC estimates the average public reporting burden for this collection of information as 15 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road, MS H21-8, Atlanta, GA 30333; ATTN: PRA (0920-0950).

Assurance of Confidentiality – We take your privacy very seriously. All information that relates to or describes identifiable characteristics of individuals, a practice, or an establishment will be used only for statistical purposes. NCHS staff, contractors, and agents will not disclose or release responses in identifiable form without the consent of the individual or establishment in accordance with section 308(d) of the Public Health Service Act (42 U.S.C. 242m(d)) and the Confidential Information Protection and Statistical Efficiency Act or CIPSEA (44 U.S.C. 3561-3583). In accordance with CIPSEA, every NCHS employee, contractor, and agent has taken an oath and is subject to a jail term of up to five years, a fine of up to \$250,000, or both if he or she willfully discloses ANY identifiable information about you. In addition to the above cited laws, NCHS complies with the Federal Cybersecurity Enhancement Act of 2015 (6 U.S.C. §§ 151 and 151 note) which protects Federal information systems from cybersecurity risks by screening their networks.

ADULT RESPONDENT INTERVIEW CONSENT

In this interview, we will ask health-related questions about <TEXT FILL 1> household. On average, the interview will take 15 minutes.

Taking part in this interview is voluntary, which means it's your choice to participate. If you decide to participate, you may choose to skip any question you don't want to answer. You can also end the interview at any time.

All the information you provide is kept private. By Federal law, we must follow strict procedures to protect the information you share with us. We will keep your information confidential, which means your answers will not be connected to your name or anything else that can identify <TEXT FILL 1> household's participation.

If you have questions about your rights in being in the survey, you can make a toll-free call to the National Center for Health Statistics Ethics Review Board at 1-800-223-8118.

ANSWER ANY QUESTIONS

Do you agree to proceed with the interview?

1. YES
2. NO
