MVP Registration: Overview

Overview

MVPs are one way to meet your MIPS reporting requirements for the 2024 performance year. You must register in advance to report an MVP.

- **NEW FOR 2024:** To register, you'll sign in to the [QPP website](#) with your HCQIS Access and Roles Profile (HARP) account. This is different from the 2023 process of completing an Excel form and emailing the QPP Service Center.

You must have a HARP account and QPP Security Official role to complete the MVP Registration.

- For more information on HARP accounts, please refer to the Register for a HARP Account document in the [QPP Access User Guide \(ZIP, 4MB\)](#).
- For more information on obtaining the QPP Security Official role, review the Connect to an Organization document in the [QPP Access User Guide \(ZIP, 4MB\)](#).

MVP Registration: Registration Steps

Sign into Your QPP Account

With your HARP credentials, sign into your QPP Account on the [QPP website](#).

MVP and subgroup registration is limited to users with the QPP Security Official role for the practice (Tax Identification Number [TIN]) or APM Entity.

- Security officials for the practice (TIN) can complete individual, group and subgroup registrations.

Don't have a HARP ID or the QPP Security Official role? Refer to [this FAQ](#) for more information

Select Your Organization

Find the organization for which you are wanting to register for MVP reporting. Most users will only have access to one organization type.

- If you have access to multiple organization types, you will see them tabbed across the top of the page. Click an organization type to view the list of associated organizations you can access.
- Once an organization type is selected, choose the organization registering to report MVP. You can filter by registration status or search by the Practice Name, if you have multiple organizations on your account.
- If registering for an [Alternative Payment Model \(APM\) Entity](#), skip ahead to that section.

The screenshot displays the 'MVP Registration' interface. At the top, there are two tabs: 'APM Entities' and 'Practices', with 'Practices' being the active tab. Below the tabs, the heading 'Practices' is followed by the instruction 'Select a practice from the list below to register to report an MVP.' A search bar labeled 'Search by Practice Name' is visible. A filter dropdown menu is open, showing options: 'All', 'Completed registration', 'Incomplete registration', and 'Not registered'. The 'All' option is currently selected.

MVP Registration: Frequently Asked Questions

Frequently Asked Questions

What do I do if I don't have a HARP ID or QPP Security Official role?

You need both a HARP ID and the QPP Security Official role for your organization to submit an MVP registration.

- The Security Official for a Practice organization can submit an MVP registration on behalf of an individual, subgroup or group MVP registration.
- The Security Official for an APM Entity organization can submit an APM Entity MVP registration.

To learn about HARP account registration, review **Step 1. Register for a HARP Account** in the [Quality Payment Program Access Guide \(ZIP 3MB\)](#).

To learn about QPP roles, review **Step 2a. Connect as an Organization** in the [Quality Payment Program Access Guide \(ZIP 3MB\)](#).

Can our third party intermediary complete our MVP (and subgroup if applicable) registration?

No. Only the practice or APM Entity Security Official can complete MVP registration.

Can we update our registration?

Yes, you can update your registration on the QPP Website until the deadline on **Monday, December 2, 2024 at 8 p.m. ET.**

Frequently Asked Questions

Once we're registered for an MVP, do we have to report it?

No. Even if you register to report an MVP, you can still choose to report traditional MIPS (or the APM Performance Pathway, APP, if applicable) instead (or in addition to your MVP reporting). As a reminder, the subgroup participation option is only available for MVP reporting; MIPS eligible clinicians that registered to report as a subgroup would need to report traditional MIPS or the APP as individuals, as a group or as an APM Entity (if applicable) if they don't report the MVP.

If you complete an MVP registration but don't ultimately report the MVP, you'll receive the highest final score that can be attributed to you from any reporting option and participation option, with the exception of virtual groups.

We would like to submit the Consumer Assessment of Healthcare Providers and Systems (CAHPS) for MIPS Survey for 1 of our 4 required quality measures, how do we do this?

If the MVP you've registered for, includes the CAHPS for MIPS Survey as an available quality measure, you'll need to complete a separate registration by July 1, 2024, at 8p.m. ET. Visit the QPP website to [learn more about CAHPS for MIPS Survey registration](#).

- Groups, subgroups*, and APM Entities that are registered to report the following 3 MVPs and intend to administer the CAHPS for MIPS Survey as 1 of their 4 quality measures:
 1. Adopting Best Practices and Promoting Patient Safety within Emergency Medicine MVP (MVP ID: G0057)
 2. Advancing Cancer Care MVP (MVP ID: M0001)
 3. Value in Primary Care MVP (MVP ID: M0005)

Frequently Asked Questions

Can we register and then become ineligible for reporting the MVP we registered for?

Yes, if you register to report an MVP as an individual or group*. You can't voluntarily report or opt-in to MVP reporting; you must be MIPS eligible to report an MVP.

Eligibility timeline:

- Initial 2024 MIPS eligibility was available in December 2023, before the 2024 MVP registration period.
- Final 2024 eligibility will be available by early December 2024.

Just as with traditional MIPS, individuals and groups that register for an MVP must confirm their final eligibility for the 2024 performance year when it's published on the [QPP Participation Status](#) tool.

An individual (identified by TIN/NPI combination) or group (identified by TIN) that becomes ineligible or opt-in eligible when final eligibility is released can't report the MVP they registered for.

Instead, they can:

1. Voluntarily report [traditional MIPS](#).
2. Opt-in to traditional MIPS reporting (if applicable).
3. Do nothing/don't report. (Ineligible and opt-in eligible clinicians and groups aren't required to report.)

***Please note that this doesn't apply to subgroups.** We only use initial eligibility results to determine a subgroup's eligibility to register for and report an MVP ([83 FR 70043](#)). If the subgroup's affiliated group becomes ineligible, or opt-in eligible, when final eligibility is released, the subgroup can still report the MVP for which they registered. If the subgroup reports, the MIPS eligible clinicians in the subgroup will receive the associated payment adjustment.

Where can I learn more about eligibility?

You can learn more about eligibility and how it can change by reviewing the [QPP website](#) and the [2024 MIPS Eligibility and Participation Quick Start Guide \(PDF, 1MB\)](#).
