

Complete the Fee Agreement for Representation Before the Social Security Administration (Form SSA-1693)

Instructions for Representatives

This service allows you to electronically complete the Fee Agreement for Representation Before the Social Security Administration (Form SSA-1693). You, the claimant, and up to five additional representatives may sign the form and submit it to us electronically. Do not use this electronic form if there are more than six representatives who will be seeking a fee for services provided on this claim. Before you begin, you will need the following information:

- · Your valid email address.
- The claimant's valid email address.
- The valid email addresses for any additional representatives who will be signing this fee agreement.

IMPORTANT: We will not receive or process the form until you, the claimant, and any additional representative(s) whose email address(es) you provide have completed the steps below and electronically signed the form.

Step One. You, the Appointed Representative, must complete your designated sections of the form, sign the form electronically, and select "Click to Sign" to submit the form.

Before beginning the form, you will first enter and confirm the email addresses for you, the claimant, and any additional representative(s) into the application online. We will refer to these individuals as "all parties" in these instructions.

You will also create a password that will be required for all parties to access the form. You should provide the password to the other parties by phone, in person, or SMS text message (standard message and data rates may apply). If you are unable to contact the other parties by phone, in person, or by text, then you may send the password in a separate email message. You will not be able to reset the password. If it is lost or forgotten, you will have to restart the process.

You will receive an email from adobesign@adobesign.com containing a link and instructions on how to access the form.

NOTE: After you complete, sign and submit the form, all other parties will receive an email from adobesign@adobesign.com containing a link and instructions for accessing and signing the form. The form must be completed by all parties within **ten (10) calendar days** after you initiate the process online (i.e., when you enter all of the parties' email addresses in order to receive an email with a link to the form). You should inform all parties about the importance of taking action upon receipt of the email. If all parties do not complete, sign, and submit the form within ten (10) calendar days, you will need to restart the process.

Step Two. After you have completed the first step, the remaining parties will receive an email with a link to access and review the partially completed form, complete their designated sections, **sign the form electronically**, and select "Click to Sign" to submit the form. There is no specific order required for the other parties to complete the form, but all must electronically sign and submit it within the 10-day period.

After successful submission of the form by all parties, adobesign@adobesign.com will send an email to all parties with a link to the completed form. This will allow you to save a copy for your records using the pre-established password.

PLEASE NOTE:

- This website is most compatible with the following browsers: Microsoft Edge and Google Chrome.
- When accessing the form, the system will end your session after 60 minutes of inactivity. Use the link in your email and your pre-established
 password to continue working on your form.
- A daily email reminder will be sent to the necessary parties until the form has been submitted or until the time expires (i.e., ten (10) days after initiation)
- You, the Appointed Representative, will have to restart the process if any of the following situations apply:
 - You (or the other parties) forget or lose the password. The password cannot be reset.
 - You (or the other parties) do not receive an email notification within a few minutes of your online submission. Be sure to check your junk folder.
 - All parties do not electronically sign and submit the form within ten (10) calendar days.

Sections 206 and 1631(d) of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may affect the amount of fees authorized for services rendered before us.

We will use the information to authorize fees for services rendered to the claimant named on the form. We may also share the information for the following purposes, called routine uses:

- To a claimant's representative to the extent necessary to dispose of a fee petition or fee agreement; except for pre-decisional deliberative documents, such as analyses and recommendations prepared for the decision-maker;
- To contractors and other Federal agencies, as necessary, for the purpose of assisting us in the efficient administration of our programs; and
- To the Internal Revenue Service and to State and local government tax agencies in response to inquiries regarding receipt of fees we
 paid directly starting in calendar year 2007.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notices (SORN) 60-0003, entitled Attorney Fee File, as published in the Federal Register (FR) on January 11, 2006, at 71 FR 1803; 60-0089, entitled Claims Folders System, as published in the FR on October 31, 2009, at 84 FR 58422; and 60-0325, entitled Appointed Representative File, as published in the FR on October 8, 2009, at 74 FR 51940. OMB No. 0960-0810

INSTRUCTIONS FOR COMPLETING FORM SSA-1693

We will email you a link to download and save a copy of the completed form for your records.

YOU DO NOT HAVE TO SIGN THIS FORM - Your appointed representative initiated this form online. Use and sign this form only if you agree to its terms. If you do not agree, do not sign it. Refusing to sign the form will not affect how we will process your claim, or our future decisions about it. In this document, "you" means the claimant, beneficiary, auxiliary, or spouse. In this document, "us" and "SSA" means the Social Security Administration. Do not file form SSA-1693 unless you have appointed the representative (e.g., filed an SSA-1696) for a claim or issue you have pending with us.

If you suspect Social Security Fraud, please visit http://oig.ssa.gov/report or call the Inspector General's Fraud Hotline at 1-800-269-0271 (TTY 1-866-501-2101).

Requesting a fee for representational services

Your appointed representative can ask for a fee for the services he or she provided in your claim. Not all representatives ask for a fee, and some only charge a fee if they win your case. To charge you a fee, your representative(s) generally must get our approval. Your representative can get our approval by submitting a fee agreement (you may use this form) or a fee petition. You and your representative choose which of these two processes to use. Under the fee agreement process, the amount your representative can ask for is limited by the Social Security Act. Under the fee petition process, your representative can ask for a higher fee. For more information on fees, fee processes, and our rules, visit our website at www.ssa.gov/representation.

Registration

Representatives who seek direct payment of their fee must first register with us. For more information on representative registration, visit us online at www.ssa.gov/ar, contact us at 1-800-772-1213 (TTY 1-800-325-0778), or contact your local Social Security office.

When to file a fee agreement

Your representative(s) must file your fee agreement before we issue a favorable decision in your case. If you or your representative(s) submit the fee agreement after our decision, we will disapprove your fee agreement.

What you have to pay

Under the terms of a fee agreement, you agree to pay an amount up to 25 percent of your total past-due benefits or an amount set by us, whichever is less. You must pay the fee we authorize. Your spouse, dependents or your auxiliary beneficiaries will also pay a fee unless they have their own representation. In addition to the fee we authorize, you may also have to pay:

- Fees authorized by a Federal court for services your attorney provided during court proceedings, and
- Any "out-of-pocket" expenses your representative may incur (e.g., costs for making copies of a doctor's or hospital's records). Note: These fees and expenses do not require our authorization.

Two-tiered fee agreements

You and your representative(s) should complete this field only if you want to limit the effect of this fee agreement to a certain administrative level. If you choose this option and your case is appealed beyond the specified administrative level, your representative(s) can file a fee petition. Under the fee petition process, the authorized fee may be higher than the amount that can be authorized under the fee agreement process.

Trust or escrow accounts

Your representative may accept money from you before we authorize a fee as long as he or she holds it in a trust or escrow account according to our rules and policy. If you choose to enter into the trust or escrow agreement with your representative, you may willingly deposit the money in the trust or escrow account and tell us on this form. Only complete this field if your representative is using an escrow or trust account.

Third-party payments

We collect information on payments your representative may receive from a third party for services he or she provided to you during the administrative proceedings. These fees may be in lieu of your fee payment, or may be in addition to your payment. We may consider these payments during our authorization process to determine if we need to authorize these fees under our rules. All statutory and regulatory rules continue to apply in situations involving third-party payments.

Withholding of funds and direct payment to your representative

If your representative is eligible under our rules to receive an authorized fee directly from us out of your past-due benefits, we usually withhold 25 percent of your past-due benefits for direct payment of that fee. However, you are responsible for paying your representative the authorized fee if:

 the amount of the fee we approve is more than the amount held for you in a trust or escrow account, or more than the amount we can pay to your representative from your past-due benefits,

Page 2 of 2

Form SSA-1693 (3/XX/2021)

- · we did not withhold past-due benefits,
- your claim did not result in past-due benefits,
- your representative is not eligible under our rules for direct payment of the fee from us,
- your representative waived direct payment of the fee from us,
- · you ended the appointment of the representative before we issued a favorable decision,
- your representative withdrew from representing you before we issued a favorable decision,
- your representative was disqualified or suspended from acting as a representative before we issued the direct payment,
- your representative did not submit a valid fee agreement before the first favorable decision in your claim or did not:
 - o ask for our approval of a fee with a fee petition until 60 days after the date of your notice of award, or
 - o timely tell us that he or she planned to ask for a fee with a fee petition.

Electronic Signatures

If you agree to its terms, you and your representative(s) must electronically sign, date, and submit this form by selecting the "Click to Sign" button. If you are appointing multiple representatives, all of your representatives who intend to ask for a fee for services provided on your claim must sign on a single fee agreement for the fee agreement to be approved. Unlike the paper version of this form, this online version only allows for the signatures of up to six representatives. If you have appointed, or intend to appoint, more than six representatives who want to charge and receive a fee for the services provided on your claim, you cannot use this online version.

INSTRUCTIONS FOR COMPLETING FORM SSA-1693

We will email you a link to download and save a copy of the completed form for your records.

YOU DO NOT HAVE TO SIGN THIS FORM – Your appointed representative initiated this form online. Use and sign this form only if you agree to its terms. If you do not agree, do not sign it. Refusing to sign the form will not affect how we will process your claim, or our future decisions about it. In this document, "you" means the claimant, beneficiary, auxiliary, or spouse. In this document, "us" and "SSA" means the Social Security Administration. Do not file form SSA-1693 unless you have appointed the representative (e.g., filed an SSA-1696) for a claim or issue you have pending with us.

If you suspect Social Security Fraud, please visit http://oig.ssa.gov/report or call the Inspector General's Fraud Hotline at 1-800-269-0271 (TTY 1-866-501-2101).

Requesting a fee for representational services

Your appointed representative can ask for a fee for the services he or she provided in your claim. Not all representatives ask for a fee, and some only charge a fee if they win your case. To charge you a fee, your representative(s) generally must get our approval. Your representative can get our approval by submitting a fee agreement (you may use this form) or a fee petition. You and your representative choose which of these two processes to use. Under the fee agreement process, the amount your representative can ask for is limited by the Social Security Act. Under the fee petition process, your representative can ask for a higher fee. For more information on fees, fee processes, and our rules, visit our website at www.ssa.gov/representation.

Registration

Representatives who seek direct payment of their fee must first register with us. For more information on representative registration, visit us online at www.ssa.gov/ar, contact us at 1-800-772-1213 (TTY 1-800-325-0778), or contact your local Social Security office.

When to file a fee agreement

Your representative(s) must file your fee agreement before we issue a favorable decision in your case. If you or your representative(s) submit the fee agreement after our decision, we will disapprove your fee agreement.

What you have to pay

Under the terms of a fee agreement, you agree to pay an amount up to 25 percent of your total past-due benefits or an amount set by us, whichever is less. You must pay the fee we authorize. Your spouse, dependents or your auxiliary beneficiaries will also pay a fee unless they have their own representation. In addition to the fee we authorize, you *may* also have to pay:

- · Fees authorized by a Federal court for services your attorney provided during court proceedings, and
- Any "out-of-pocket" expenses your representative may incur (e.g., costs for making copies of a doctor's or hospital's records).
 Note: These fees and expenses do not require our authorization.

Two-tiered fee agreements

You and your representative(s) should complete this field only if you want to limit the effect of this fee agreement to a certain administrative level. If you choose this option and your case is appealed beyond the specified administrative level, your representative(s) can file a fee petition. Under the fee petition process, the authorized fee may be higher than the amount that can be authorized under the fee agreement process.

Trust or escrow accounts

Your representative may accept money from you before we authorize a fee as long as he or she holds it in a trust or escrow account according to our rules and policy. If you choose to enter into the trust or escrow agreement with your representative, you may willingly deposit the money in the trust or escrow account and tell us on this form. Only complete this field if your representative is using an escrow or trust account.

Third-party payments

We collect information on payments your representative may receive from a third party for services he or she provided to you during the administrative proceedings. These fees may be in lieu of your fee payment, or may be in addition to your payment. We may consider these payments during our authorization process to determine if we need to authorize these fees under our rules. All statutory and regulatory rules continue to apply in situations involving third-party payments.

Withholding of funds and direct payment to your representative

If your representative is eligible under our rules to receive an authorized fee directly from us out of your past-due benefits, we usually withhold 25 percent of your past-due benefits for direct payment of that fee. However, you are responsible for paying your representative the authorized fee if:

the amount of the fee we approve is more than the amount held for you in a trust or escrow account, or more than the amount
we can pay to your representative from your past-due benefits,

- we did not withhold past-due benefits,
- your claim did not result in past-due benefits,
- your representative is not eligible under our rules for direct payment of the fee from us,
- your representative waived direct payment of the fee from us,
- · you ended the appointment of the representative before we issued a favorable decision,
- your representative withdrew from representing you before we issued a favorable decision,
- your representative was disqualified or suspended from acting as a representative before we issued the direct payment,
- your representative did not submit a valid fee agreement before the first favorable decision in your claim or did not:
 - ask for our approval of a fee with a fee petition until 60 days after the date of your notice of award, or
 - o timely tell us that he or she planned to ask for a fee with a fee petition.

Electronic Signatures

If you agree to its terms, you and your representative(s) must electronically sign, date, and submit this form by selecting the "Click to Sign" button. If you are appointing multiple representatives, all of your representatives who intend to ask for a fee for services provided on your claim must sign on a single fee agreement for the fee agreement to be approved. Unlike the paper version of this form, this online version only allows for the signatures of up to six representatives. If you have appointed, or intend to appoint, more than six representatives who want to charge and receive a fee for the services provided on your claim, you cannot use this online version.

Fee Agreement for Representation Before	e the Social Security Administration

OMB No. 0960-0810

General Information

You can use this online form to file electronically an agreement between you and your representative(s) to seek our authorization of the fee your representative(s) may charge you for services your representative(s) provides before us. Section 206 of the Social Security Act limits the fee we authorize under a fee agreement to 25 percent of your past-due benefits or a maximum dollar amount we set, whichever is less. As of 11/30/22, the maximum fee amount is \$7,200. This form does not limit you and your representative(s) from agreeing to any additional terms unrelated to the fee. Requesting, receiving, or keeping a fee in excess of the legal limit or in excess of what we authorize is unlawful and may lead to sanctions for your representative(s). Unless they have their own representation, your dependents, spouse, or auxiliary beneficiaries will also be liable for a fee under this fee agreement if we approve benefits for them. Unlike the paper version, this online form limits the total number of representatives who sign it to six.

Form **SSA-1693** (3/XX/2021) Social Security Administration

OMB No. 0960-0810

INSTRUCTIONS FOR COMPLETING FORM SSA-1693

We will email you a link to download and save a copy of the completed form for your records.

YOU DO NOT HAVE TO SIGN THIS FORM - Your appointed representative initiated this form online. Use and sign this form only if you agree to its terms. If you do not agree, do not sign it. Refusing to sign the form will not affect how we will process your claim, or our future decisions about it. In this document, "you" means the claimant, beneficiary, auxiliary, or spouse. In this document, "us" and "SSA" means the Social Security Administration. Do not file form SSA-1693 unless you have appointed the representative (e.g., filed an SSA-1696) for a claim or issue you have pending with us.

If you suspect Social Security Fraud, please visit http://oig.ssa.gov/report or call the Inspector General's Fraud Hotline at 1-800-269-0271 (TTY 1-866-501-2101).

Requesting a fee for representational services

Your appointed representative can ask for a fee for the services he or she provided in your claim. Not all representatives ask for a fee, and some only charge a fee if they win your case. To charge you a fee, your representative(s) generally must get our approval. Your representative can get our approval by submitting a fee agreement (you may use this form) or a fee petition. You and your representative choose which of these two processes to use. Under the fee agreement process, the amount your representative can ask for is limited by the Social Security Act. Under the fee petition process, your representative can ask for a higher fee. For more information on fees, fee processes, and our rules, visit our website at www.ssa.gov/representation.

Registration Representatives who seek direct payment of their fee must first register with us. For more information on representative registration, visit us online at www.ssa.gov/ar, contact us at 1-800-772-1213 (TTY 1-800-325-0778), or contact your local Social Security office.

When to file a fee agreement

Your representative(s) must file your fee agreement before we issue a favorable decision in your case. If you or your representative(s) submit the fee agreement after our decision, we will disapprove your fee agreement.

What you have to pay

Under the terms of a fee agreement, you agree to pay an amount up to 25 percent of your total past-due benefits or an amount set by us, whichever is less. You must pay the fee we authorize. Your spouse, dependents or your auxiliary beneficiaries will also pay a fee unless they have their own representation. In addition to the fee we authorize, you may also have to pay:

- Fees authorized by a Federal court for services your attorney provided during court proceedings, and
- Any "out-of-pocket" expenses your representative may incur (e.g., costs for making copies of a doctor's or hospital's records). Note: These fees and expenses do not require our authorization.

Two-tiered fee agreements

You and your representative(s) should complete this field only if you want to limit the effect of this fee agreement to a certain administrative level. If you choose this option and your case is appealed beyond the specified administrative level, your representative(s) can file a fee petition. Under the fee petition process, the authorized fee may be higher than the amount that can be authorized under the fee agreement process.

Trust or escrow accounts

Your representative may accept money from you before we authorize a fee as long as he or she holds it in a trust or escrow account according to our rules and policy. If you choose to enter into the trust or escrow agreement with your representative, you may willingly deposit the money in the trust or escrow account and tell us on this form. Only complete this field if your representative is using an escrow or trust account.

Third-party payments

We collect information on payments your representative may receive from a third party for services he or she provided to you during the administrative proceedings. These fees may be in lieu of your fee payment, or may be in addition to your payment. We may consider these payments during our authorization process to determine if we need to authorize these fees under our rules. All statutory and regulatory rules continue to apply in situations involving third-party payments.

Withholding of funds and direct payment to your representative

If your representative is eligible under our rules to receive an authorized fee directly from us out of your past-due benefits, we usually withhold 25 percent of your past-due benefits for direct payment of that fee. However, you are responsible for paying your representative the authorized fee if:

 the amount of the fee we approve is more than the amount held for you in a trust or escrow account, or more than the amount we can pay to your representative from your past-due benefits,

Options >

Form **SSA-1693** (3/XX/2021) Page 2 of 2

- we did not withhold past-due benefits,
- your claim did not result in past-due benefits,
- your representative is not eligible under our rules for direct payment of the fee from us,
- your representative waived direct payment of the fee from us,
- you ended the appointment of the representative before we issued a favorable decision,
- your representative withdrew from representing you before we issued a favorable decision,
- your representative was disqualified or suspended from acting as a representative before we issued the direct payment,
- your representative did not submit a valid fee agreement before the first favorable decision in your claim or did not:
 - ask for our approval of a fee with a fee petition until 60 days after the date of your notice of award, or
 - o timely tell us that he or she planned to ask for a fee with a fee petition.

Electronic Signatures

If you agree to its terms, you and your representative(s) must electronically sign, date, and submit this form by selecting the "Click to Sign" button. If you are appointing multiple representatives, all of your representatives who intend to ask for a fee for services provided on your claim must sign on a single fee agreement for the fee agreement to be approved. Unlike the paper version of this form, this online version only allows for the signatures of up to six representatives. If you have appointed, or intend to appoint, more than six representatives who want to charge and receive a fee for the services provided on your claim, you cannot use this online version.

Form **\$\$A**-1693 (3/XX/2021) Social Security Administration

OMB No. 0960-0810

Fee Agreement for Representation Before the Social Security Administration

General Information

You can use this online form to file electronically an agreement between you and your representative(s) to seek our authorization of the fee your representative(s) may charge you for services your representative(s) provides before us. Section 206 of the Social Security Act limits the fee we authorize under a fee agreement to 25 percent of your past-due benefits or a maximum dollar amount we set, whichever is less. As of 11/30/22, the maximum fee amount is \$7,200. This form does not limit you and your representative(s) from agreeing to any additional terms unrelated to the fee. Requesting, receiving, or keeping a fee in excess of the legal limit or in excess of what we authorize is unlawful and may lead to sanctions for your representative(s). Unless they have their own representation, your dependents, spouse, or auxiliary beneficiaries will also be liable for a fee under this fee agreement if we approve benefits for them. Unlike the paper version, this online form limits the total number of representatives who sign it to six.

Form **SSA-1693** (3/XX/2021) Social Security Administration

OMB No. 0960-0810

INSTRUCTIONS FOR COMPLETING FORM SSA-1693

We will email you a link to download and save a copy of the completed form for your records.

YOU DO NOT HAVE TO SIGN THIS FORM - Your appointed representative initiated this form online. Use and sign this form only if you agree to its terms. If you do not agree, do not sign it. Refusing to sign the form will not affect how we will process your claim, or our future decisions about it. In this document, "you" means the claimant, beneficiary, auxiliary, or spouse. In this document, "us" and "SSA" means the Social Security Administration. Do not file form SSA-1693 unless you have appointed the representative (e.g., filed an SSA-1696) for a claim or issue you have pending with us.

If you suspect Social Security Fraud, please visit http://oig.ssa.gov/report or call the Inspector General's Fraud Hotline at 1-800-269-0271 (TTY 1-866-501-2101).

Requesting a fee for representational services

Your appointed representative can ask for a fee for the services he or she provided in your claim. Not all representatives ask for a fee, and some only charge a fee if they win your case. To charge you a fee, your representative(s) generally must get our approval. Your representative can get our approval by submitting a fee agreement (you may use this form) or a fee petition. You and your representative choose which of these two processes to use. Under the fee agreement process, the amount your representative can ask for is limited by the Social Security Act. Under the fee petition process, your representative can ask for a higher fee. For more information on fees, fee processes, and our rules, visit our website at www.ssa.gov/representation.

Registration

Representatives who seek direct payment of their fee must first register with us. For more information on representative registration, visit us online at www.ssa.gov/ar, contact us at 1-800-772-1213 (TTY 1-800-325-0778), or contact your local Social Security office.

When to file a fee agreement

Your representative(s) must file your fee agreement before we issue a favorable decision in your case. If you or your representative(s) submit the fee agreement after our decision, we will disapprove your fee agreement.

What you have to pay

Under the terms of a fee agreement, you agree to pay an amount up to 25 percent of your total past-due benefits or an amount set by us, whichever is less. You must pay the fee we authorize. Your spouse, dependents or your auxiliary beneficiaries will also pay a fee unless they have their own representation. In addition to the fee we authorize, you may also have to pay:

- Fees authorized by a Federal court for services your attorney provided during court proceedings, and
- Any "out-of-pocket" expenses your representative may incur (e.g., costs for making copies of a doctor's or hospital's records). Note: These fees and expenses do not require our authorization.

Two-tiered fee agreements

You and your representative(s) should complete this field only if you want to limit the effect of this fee agreement to a certain administrative level. If you choose this option and your case is appealed beyond the specified administrative level, your representative(s) can file a fee petition. Under the fee petition process, the authorized fee may be higher than the amount that can be authorized under the fee agreement process.

Trust or escrow accounts

Your representative may accept money from you before we authorize a fee as long as he or she holds it in a trust or escrow account according to our rules and policy. If you choose to enter into the trust or escrow agreement with your representative, you may willingly deposit the money in the trust or escrow account and tell us on this form. Only complete this field if your representative is using an escrow or trust account.

Third-party payments

We collect information on payments your representative may receive from a third party for services he or she provided to you during the administrative proceedings. These fees may be in lieu of your fee payment, or may be in addition to your payment. We may consider these payments during our authorization process to determine if we need to authorize these fees under our rules. All statutory and regulatory rules continue to apply in situations involving third-party payments.

Withholding of funds and direct payment to your representative

If your representative is eligible under our rules to receive an authorized fee directly from us out of your past-due benefits, we usually withhold 25 percent of your past-due benefits for direct payment of that fee. However, you are responsible for paying your representative the authorized fee if:

 the amount of the fee we approve is more than the amount held for you in a trust or escrow account, or more than the amount we can pay to your representative from your past-due benefits,

If you agree to its terms, you and your representative(s) must electronically sign, date, and submit this form by selecting the "Click to Sign" button. If you are appointing multiple representatives, all of your representatives who intend to ask for a fee for services provided on your claim must sign on a single fee agreement for the fee agreement to be approved. Unlike the paper version of this form, this online version only allows for the signatures of up to six representatives. If you have appointed, or intend to appoint, more than six representatives who want to charge and receive a fee for the services provided on your claim, you cannot use this online version.

Fee Agreement for Representation Before the Social Security Administration

General Information

You can use this online form to file electronically an agreement between you and your representative(s) to seek our authorization of the fee your representative(s) may charge you for services your representative(s) provides before us. Section 206 of the Social Security Act limits the fee we authorize under a fee agreement to 25 percent of your past-due benefits or a maximum dollar amount we set, whichever is less. As of 11/30/22, the maximum fee amount is \$7,200. This form does not limit you and your representative(s) from agreeing to any

additional terms unrelated to the fee. Requesting, receiving, or keeping a fee in excess of the legal limit or in excess of what we authorize is unlawful and may lead to sanctions for your representative(s). Unless they have their own representation, your dependents, spouse, or auxiliary beneficiaries will also be liable for a fee under this fee agreement if we approve benefits for them. Unlike the paper version, this online form limits the total number of representatives who sign it to six.
