Dear [FIRST NAME] [LAST NAME],

We need your help with an important survey, the Youth Transition Exploration Demonstration (YTED) follow-up survey. You joined YTED about one year ago and agreed to take part in this survey. The survey will ask about your education, work, and training experience; your earnings; your health; and satisfaction with any services you may have received in the past year. The Social Security Administration (SSA) awarded a grant to Mathematica, an independent research company, to study YTED and conduct the survey.

Please use the login information below to access the survey online. You can complete the survey on a computer, tablet, cell phone, or other mobile device.

**Enclosed is \$5 to thank you for taking this survey. Once you complete the survey, Mathematica will send you a \$50 gift card.** You can complete the survey by telephone with an interviewer from Mathematica if you prefer. To do so, please call Mathematica toll-free at **1-8xx-xxx-xxxx**.

Taking part in this survey is your choice. Your answers will not affect your benefits. The answers from all study volunteers will be combined and written up in a report to SSA. Your name will never be used in any report and no information you provide will be included in a report that in any way can identify you.

If you have any questions, please call Mathematica toll-free at the number above.

We look forward to hearing from you. Thank you for your help.
