Participant Characteristics Form

Understanding and Expanding the Reach of Home Visiting (HV-REACH) C-intake Case Study

Participant Characteristics Form

You are receiving this form because you completed an interview with the HV-REACH project. This form will take up to five minutes to complete and will help us understand who participated in our interviews. You are not required to complete the form. The information in this form will not be shared with anyone outside of our research team and will not be able to be linked to your name or other information about you. In addition, when we share participant information in our reports, we will report numbers in total so no individual participant will be identifiable. HV REACH has been given Institutional Review Board (IRB) approval by Health Media Lab Institutional Review Board.

Thank you for completing!

For all participants

PAPERWORK REDUCTION ACT OF 1995 (Public Law 104-13) STATEMENT OF PUBLIC BURDEN: Public reporting burden for this collection of information is estimated to average 5 minutes per respondent, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information.
