My name is [YOUR NAME] I'm calling from NORC at the University of Chicago about a very important study that looks at how we care for children in the United States. Your responses will give researchers and policy makers up to date information needed to continue to support families, child care providers and caregivers. We're hoping to make sure your voice is represented. Please give me a call back at [YOURNUMBER] . Thank for your time!
PRE- APPOINTMENT REMINDER	Hi [RESPONDENT NAME] . My name is [YOUR NAME] we spoke earlier about completing the National Survey for Early Care and Education survey. Just wanted to send a reminder to please complete your survey by [DATE] or as soon as you can. Thanks! You can reach me at [YOUR NUMBER] if you have any questions. Thanks!
REMINDER 1	Hi [RESPONDENT NAME] . Just wanted to check in to see if you had a chance to complete the 2024 National Survey of Early Care and Education survey. You can reach me at [YOUR NUMBER] if you have any questions. Thanks!
REMINDER 2	Hi [RESPONDENT NAME] . Just wanted to check in to see if you completed the 2024 National Survey of Early Care and Education survey. If not, we can schedule a time to complete the survey over the phone if that's easier? Please give me a call back at [YOUR NUMBER] . Thanks!
REMINDER 3- Missed appointment	Hi [RESPONDENT NAME] . This is [YOUR NAME] calling with the 2024 National Survey of Early Care and Education. Sorry we couldn't connect for our appointment on [DATE] at [TIME.] I was hoping we could reschedule to complete the survey over the phone. You can reach me at [YOUR NUMBER] . Thanks!

Handwritten Notes/Texts: These are scripts that can be used by field interviewers to encourage the sample member to complete the screening or survey. These can be left as handwritten notes or texts. NOTE: Texts will only be sent to sample members at a confirmed phone number that is associated with them.

1. “We understand that life can be hectic. Challenges and setbacks are important to your story, and we’re ready to listen when you’re ready to share. Your attitudes and life experiences are unique and important to the study. Thank you – we appreciate your participation.”
2. “We invite you to visit our website to find out how others like you have made an impact: <http://nsece.norc.org> or at <https://www.acf.hhs.gov/opre/project/national-survey-early-care-and-education-2024>. Give me a call at [YOUR NUMBER] to schedule an appointment for your interview.”
3. “Over the years, the NSECE has been cited in many different research papers. Your answers make a difference and are used to understand the supply and demand of child care in your community.”
4. “Researchers and policymakers use information from the study to understand child care in the United States. Please contribute your story to the NSECE this year by giving me a call at [FI OR FM PHONE #] to schedule an appointment for your interview.”
5. “A better tomorrow starts with a firm grasp of the past and present. This study provides that insight on how a generation of Americans use and provide child care, but we can’t do it without you. Share your story – it counts.”
6. “As a participant in the study, you’re providing what America needs – a clear picture. This study demonstrates how our lives are shaped by the supply and demand for child care.”
7. “Your survey is now ready for your input, and I want to make this the best possible experience for you.”
8. “As child care provider, you perform a valuable service to your country and your community. By sharing your story, you enrich researchers’ and policymakers’ understanding of how they type of child care available and how families use it interact in the daily lives of Americans.”
9. “You are part of a small and special group, selected to represent the experiences [of providers of child care/of families that use child care]. You cannot be replaced, and sharing your story gives voice to the thousands of Americans like you who you represent by choosing to participate in this study. Thank you for sharing your story.”
10. “History will show how you have represented your community to shape laws and policies and build knowledge regarding child care in the United States.”
11. “A lot has happened since we last conducted the study in 2019. When you participate in 2024 NSECE you not only help the study, but you also help us to understand how child care has changed over time. Give me a call at [YOUR NUMBER] to schedule an appointment for your interview”
12. “We can give you \$__ as a token of our appreciation for your participation. Give me a call at [YOUR NUMBER] to schedule an appointment for your interview.”

Hello!

I'm working for an important nation-wide study collecting information about child care in the country.

I am not selling anything.

Do you have a few moments to talk?
