

Appendix F

BJS's 2023 Census of Medical Examiner and Coroner Offices Goals Showcard

The purpose of the 2023 CMEC data collection is to gather and report information on:

1. The administration of medical examiner and coroner offices, including but not limited to accreditation and budget.
2. Staffing, including but not limited to employee training and certification.
3. Workload, including but not limited to referred and accepted cases, backlogs, and autopsies.
4. Policies and procedures, including but not limited to those for disposition of remains.
