Text for questions to assess the feasibility of obtaining sworn personnel contact information of potential future research (will only be on the web instrument, and only displayed after online submission of the 2024 LEMAS survey)

BJS is looking into the feasibility of conducting surveys of individual sworn personnel. Such a survey would likely require collecting a full or partial list of sworn personnel, including contact and demographic information, from agencies. Please note, although the research would involve responses from individual sworn personnel, the identity of respondents would be kept completely confidential, and all results would be reported in aggregate form only (as BJS reported on a prior survey of school resource officers, see https://bjs.ojp.gov/document/sro1920.pdf).

	d your agency be willing to submit a list of sworn personnel as part of a future BJS data collection effort?
-	No (if No, please indicate why) STOP HERE
-	Yes
If yes:	
2. Pleas for each	e indicate which information your agency would be willing to provide on the list of sworn personnel. (Mark one row)

List including:	For all sworn	For some sworn*	Will not provide
Contact information			
Rank

^{*} A specific subset of sworn personnel, such as only school resource officers or first-line supervisors

- 3. What would be the best way for BJS to administer surveys to individual sworn personnel?
- BJS contacts sworn personnel directly
- BJS works with an agency point of contact to provide the survey (paper or web link) to sworn personnel
- No agency preference
- Other (please indicate _____)
