SEMI-ANNUAL PROGRESS REPORT FOR
Transitional Housing Assistance
Grant Program

Brief Instructions: This form must be completed for each Transitional Housing Assistance Grant Program (Transitional Housing Program) grant received. The grant administrator or coordinator must ensure that the form is fully completed. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators and coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All grantees should read each section to determine which questions they must answer, based on the activities supported under this grant during the current reporting period. Sections B and E of this form must be completed by all grantees. Subsections A1 and C1 must be answered by all grantees. In section D, and subsections A2, A3, C2, and C3, grantees must answer an initial question about whether they supported certain activities during the current reporting period. If the response is yes, then the grantee must complete that section or subsection. If the response is no, the rest of that section or subsection is skipped.

For example, 1) if you are an organization using Transitional Housing Program funds to provide services through grant-funded staff, you would complete A, B, C1, D, and E (and answer 'no' in C2 and C3); or 2) if you are an organization using Transitional Housing Program funds solely for staff to participate in your local continuum of care, you would complete A, B, C1, and E (and answer 'no' in C2, C3, and D).

The activities of volunteers or interns may be reported if they are coordinated or supervised by Transitional Housing Program-funded staff or if Transitional Housing Program funds substantially support their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples illustrating how questions should be answered.

20. Number of victims/survivors, children and other dependents served, partially served, and those seeking services who were not served

Please do not answer this question without referring to the separate set of instructions for further explanation and examples of how to distinguish among these categories.

(Report the following, to the best of your ability, as an unduplicated count for each category during the current reporting period. This means, for example, that each victim/survivor who sought or received services during the current reporting period should be counted only once during the current reporting period. For purposes of this question, victims/survivors are those against whom the domestic violence, dating violence, sexual assault, or stalking is directed.)

A. Served: People who received the service(s) they requested, if those services were provided under your Transitional Housing Program grant	<input type="text"/>	<input type="text"/>	<input type="text"/>

(Of the victims/survivors, children and other dependents that were reported in 20B and 20C, report those that were partially served or not served due solely to a lack of available housing. The total reported for the three categories should not exceed the total of 20B and 20C.)

(For those people reported in 20A and 20B, report on the demographics of victims/survivors, children, and other dependents. Provide the total numbers for all that apply. Because victims/survivors, children and other dependents may identify in more than one category of race/ethnicity, the total for "Race/ethnicity" may exceed the total number of victims/survivors, children and other dependents reported in 20A and 20B. However, the total number of victims/survivors, children and other dependents reported under race/ethnicity should not be less than the total number of victims/survivors, children and other dependents reported in 20A and 20B. Report the total number of bed nights provided in transitional housing to victims/survivors, children, and other dependents. Bed nights are determined by multiplying the total number of nights that each victim/survivor, child, and dependent stays in the housing unit by the number of victims/survivors, children, and dependents served. An example might include a housing assistance package given to victims/survivors as they move into a new rental unit which includes a voucher for the first month's rent, and all-inclusive up-front coverage of rental unit fees including the security deposit and credit report fee, resulting in a significantly larger number of victims living independently.)

28. Support services

(For those victims/survivors, children and other dependents reported in 20A and 20B, report the number who received each of these support services during the current reporting period, excluding those who received these services via vouchers.
