(OMB Control Number: 1225-0059)

TITLE OF INFORMATION COLLECTION: Youth Apprenticeship Week Event and Proclamation Forms

PURPOSE:

Youth Apprenticeship Week (YAW) is a nationwide celebration that highlights the benefits and value of Registered Apprenticeship program opportunities for youth, ages 16–24. Employers, educators, labor unions, workforce professionals, and their partners across the country are launching Registered Apprenticeship programs that allow youth to earn competitive wages while obtaining the relevant training and experience to start their careers, often including the opportunity to earn college credit. YAW is an opportunity for these stakeholders and others to host events across the country to bring awareness of these life-changing Registered Apprenticeship career opportunities for youth and how they create a sustainable pipeline of skilled and diverse talent for the jobs of today and tomorrow for critical industries.

Registered Apprenticeship stakeholders are encouraged to host local apprenticeship-related events and sign proclamations using these forms:

- The **Event and Proclamation Registration Form** links give apprenticeship stakeholders and champions (employers, education institutions, Members of Congress, labor unions, industry associations, city, State and federal, and community-based organizations) an opportunity to tell us and the public about the YAW events and proclamations they’re hosting and signing across the country. It is also an opportunity for DOL to track the impact and progress of YAW.
 - The **Event Registration Form** link includes event related information such as the name of the organization hosting the event, the date, time, and location of the event, a brief description (500 words or less), and point of contact in case people want more information.
 - The **Proclamation Registration Form** link includes proclamation related information such as the name of the signatory/signatories, the date and location, a link to a digital copy, and a point of contact in case people want more information.
- The **Event or Proclamation Update Form** link gives individuals who previously submitted an Event or Proclamation Registration Form to update the details prior to the event taking place so that DOL can update it on the website and the public can view the most up-to-date information. The update form requests contact information to appropriately match the updates with the preexisting event or proclamation, and then an opportunity to describe what the contact would like changed on their event or proclamation listing.
- The **Event Highlight Form** link gives individuals an opportunity to share highlights from their completed YAW event(s) with DOL. The information may then be used publicly by DOL to celebrate the success of YAW. The highlight form requests contact information to appropriately match the highlight with the preexisting event, and then an opportunity to describe the highlight and add pictures.

Note that the information provided on all four of these forms are intended for public use on the Apprenticeship.gov website, so there is no need or expectation for confidentiality.
