

Request for Approval under the “Department of Labor Generic Solution for Outreach Activities”

(OMB Control Number: 1225-0059)

TITLE OF INFORMATION COLLECTION: Apprenticeship Ambassador Commitment Reporting

PURPOSE:

The Apprenticeship Ambassador Initiative is a campaign that creates a network of employers, labor organizations, industry associations, program sponsors, educators, workforce intermediaries, minority-serving organizations, community-based organizations, and other stakeholders to serve as champions for their industry or area of expertise to promote, expand, and diversify Registered Apprenticeship. Apprenticeship Ambassadors hold the position for 2 years and provide an annual commitment to undertake activities of their choice to expand Registered Apprenticeship including but not limited to starting new Registered Apprenticeship programs in high demand industries, conducting outreach efforts aimed at increasing opportunities for underrepresented populations, or hosting events to share information on how to effectively implement Registered Apprenticeship programs.

When applying to become an Apprenticeship Ambassador, each Ambassador committed to undertake activities to promote, expand, and diversify Registered Apprenticeship over the upcoming year. At the end of each year, the Ambassadors will report on those commitments and what activities they have completed. This **Apprenticeship Ambassador Commitment Reporting Form** will be used to capture the Ambassador accomplishments over the last year and provide information for the Department of Labor to track the engagement activities of the Ambassadors in promoting, expanding, and diversifying Registered Apprenticeship.

This form was approved on 10/24/2023 under OMB Control Number 1225-0059 with an expiration date of 02/29/2024. Given that this package expires at the end of February 2024, the Office of Apprenticeship is re-submitting this form for approval under an updated PRA package.
