

Request for Approval under the “Department of Labor Generic Clearance for Outreach Activities”

(OMB Control Number: 1225-0059)

TITLE OF INFORMATION COLLECTION:

Vendor Outreach Session Collection

PURPOSE:

Vendor Outreach Session (VOS) Collection entails the Department of Labor (DOL) utilizing an electronic registration tool to facilitate, engage, and provide access to the public for VOS events where they can learn more about DOL’s contracting opportunities.

The DOL hosts VOS in compliance with Federal agencies requirements to promote procurement opportunities for small businesses in accordance with Section 8(a) businesses of the Small Business Act, as amended by Public Law 95-507 (Sections 8 and 15) and Public Law 100-656 (Sections 502 and 503). The Federal Acquisition Streamlining Act of 1994 (Public Law 103-355) mandates similar efforts for small women-owned businesses. Public Law 106-50 created the program for service-disabled veteran-owned small businesses. Public Law 105-135 established the HUBZone program and Public Law 85-536 established HUBZone goals. Moreover, the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121) requires Federal agencies to make available to small businesses compliance guides and assistance on the implementation of regulations and directives of enforcement laws they administer which DOL makes available at VOS. Furthermore, VOS also support Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities through the Federal Government* (EO 13985), where the President directed agencies to make Federal contracting and procurement opportunities more readily available to all eligible vendors, and to remove barriers faced by underserved individuals and communities.

In addition, the Office of Small and Disadvantaged Business Utilization (OSDBU) administers DOL’s responsibilities to ensure contracting opportunities are available for eligible vendors who are small, small disadvantaged, women-owned, HUBZone, and service-disabled veteran-owned and therefore, require VOS Collection for engagement with these vendors. OSDBU also serves as the Department’s central referral point for small business regulatory and compliance information.

It is important to note that EO 13985 calls for a comprehensive approach to advancing equity for all, including socioeconomic small businesses and traditionally underserved entrepreneurs. DOL’s VOS Collection supports maximizing socioeconomic disadvantaged small businesses, and traditionally underserved entrepreneurs’ participation in its contracting opportunities to the maximum extent practicable both at the prime and subcontracting level.
