

Note: The draft you are looking for begins on the next page.

## Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and pubs for filing. We incorporate all significant changes to forms posted with this coversheet. However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions are subject to OMB approval before they can be officially released, so we post drafts of them until they are approved. Drafts of instructions and pubs usually have some additional changes before their final release. Early release drafts are at IRS.gov/DraftForms and remain there after the final release is posted at IRS.gov/LatestForms. Also see IRS.gov/Forms.

Most forms and publications have a page on IRS.gov: <a href="IRS.gov/Form1040">IRS.gov/Form1040</a> for Form 1040; <a href="IRS.gov/Pub501">IRS.gov/Pub501</a> for Pub. 501; <a href="IRS.gov/W4">IRS.gov/W4</a> for Form W-4; and <a href="IRS.gov/ScheduleA">IRS.gov/ScheduleA</a> for Schedule A (Form 1040), for example, and similarly for other forms, pubs, and schedules for Form 1040. When typing in a link, type it into the address bar of your browser, not a Search box on IRS.gov.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or pubs at <a href="IRS.gov/FormsComments">IRS.gov/FormsComments</a>. Include "NTF" followed by the form or pub number (for example, "NTF1040", "NTFW4", "NTF501", etc.) in the body of the message to route your message properly. We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product, but we will review each "NTF" message. If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click <a href="here">here</a>.

## Form **8835**

**Renewable Electricity Production Credit** 

Department of the Treasury Internal Revenue Service

Attach to your tax return.

Go to www.irs.gov/Form8835 for instructions and the latest information.

OMB No. 1545-1362

2024

Attachment Sequence No. 835

Name(s) shown on return

Part	Information on Qualified Property or Qualified Facility
1	If making an elective payment election or transfer election, enter the IRS-issued registration number for the facility:
2a	Type (wind, closed-loop biomass, geothermal, solar, open-loop biomass, landfill gas, etc.):
2b	If different than filer, enter (i) owner's name
	and (ii) owner's TIN:
3a	Address of the facility (if applicable):
	AND AND HAE
3b	Coordinates. (i) Latitude:
4	Date construction began (MM/DD/YYYY):
5	Date placed in service (MM/DD/YYYY):
6	Is this facility an expansion of an existing closed-loop biomass or open-loop biomass facility?   Yes  No
7	Reserved for future use.
	Yes.
	□ No.
8	Does the project satisfy one of the qualified facility requirements? See instructions.
a	Yes, the facility's maximum net output is less than 1 megawatt (as measured in alternating current).
b	Yes, the facility's construction began before January 29, 2023.
С	Yes, the facility meets the prevailing wage requirements of section 45(b)(7)(A) and the apprenticeship requirements of section
	45(b)(8).
d	□ No, the facility does not meet the qualified facility requirements.
9	Does the property qualify for the domestic bonus credit?
а	Yes, and section 45(b)(9)(B) is satisfied (10% bonus). Attach the required information. See instructions.
b	□ No.
10	Does the project qualify for an energy community bonus credit?
a	Yes, and section 45(b)(11)(B) is satisfied (10% bonus). See instructions.
b	□ No.
С	Not applicable.
11	Enter the nameplate capacity direct current (dc) in kW for:
a	Solar energy property facility:
b	Not applicable.
12	Enter the nameplate capacity, alternating current (ac) for all electricity generating energy properties or facilities in kW:
a	Solar energy property or facility:
b	Wind energy property or facility:
C	United the continuous
d	☐ Not applicable.
