A. Overview of Information Collection

Title of Information Collection: Evaluation of Emergency Housing Voucher (EHV) Program.

MB Approval Number: 2528-New.

Type of Request: New collection.

Form Number: N/A.

Description of the need for the information and proposed use:

The purpose of this proposed information collection is to gather information in support of the Evaluation of the Emergency Housing Voucher Program. The Emergency Housing Voucher (EHV) Program is one of eight housing provisions that was included in the American Rescue Plan Act of 2021 (ARP). Section 3202 of ARP provided \$5 billion to HUD to fund a temporary voucher program that, in part, supported roughly 70,000 incremental emergency vouchers to be allocated to Public Housing Agencies (PHAs) via formula.

The Evaluation of the EHV program will document the implementation and early outcomes of the EHV Program through a mixed mode data collection approach to provide a broad overview of the program nationally.
