Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <https://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

Title: Crew Member Self-Defense Training—Registration and Evaluation.

Type of Request: Extension of a currently approved collection.

OMB Control Number: 1652–0028.

Forms(s): “Web enabled Registration Form”; “Injury Waiver Form”; “Attendance Roster”; “Electronic Feedback Tab”.

Affected Public: Flight and cabin crew members on scheduled passenger and public charter passenger, and cargo flights.

Abstract: TSA is seeking an extension of the ICR, currently approved under OMB control number 1652–0028, to continue compliance with a statutory mandate. Under 49 U.S.C. 44918(b), TSA is required to develop and provide a voluntary advanced self-defense training program for flight and cabin crew members of U.S. air carriers providing scheduled passenger air transportation.¹

TSA currently collects biographical information from crew members to confirm their eligibility to participate in this training program and to confirm their attendance. TSA confirms the eligibility of the participant by

contacting the participant's employer, and confirms attendance by comparing the registration information against a sign-in sheet provided in the classroom. In addition, TSA asks each crew member to complete an Injury Waiver Form during the registration process, or before the training is conducted. Finally, TSA asks trainees to complete a voluntary evaluation of the training upon completion of the course.

Number of Respondents: 795.

Estimated Annual Burden Hours: An estimated 61.17 hours annually.

Dated: September 6, 2024.

Christina A. Walsh,

*TSA Paperwork Reduction Act Officer,
Information Technology.*

SUPPLEMENTARY INFORMATION:

Comments

The information collection notice was previously published in the **Federal Register** on April 23, 2024, at 89 FR 30388, allowing for a 60-day public comment period. USCIS received six comments in connection with the 60-day notice.

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at: <http://www.regulations.gov> and enter USCIS–2005–0024 in the search box. Comments must be submitted in English, or an English translation must be provided. The comments submitted to USCIS via this method are visible to the Office of Management and Budget and comply with the requirements of 5 CFR 1320.12(c). All submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to consider limiting the amount of personal information that you provide in any voluntary submission you make to DHS. DHS may withhold information provided in comments from public viewing that it determines may impact the privacy of an individual or is offensive. For additional information, please read the Privacy Act notice that is available via the link in the footer of <http://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

¹ TSA also offers this training to cargo and private and public charter flight crew members.

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

BILLING CODE 9111–97–P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–6486–N–01]

Modifying HUD's Elevated Blood Lead Level Threshold for Children Under Age 6 Who are Living in Certain HUD-Assisted Target Housing Covered by the Lead Safe Housing Rule; Notice for Comment

AGENCY: Office of Lead Hazard Control and Healthy Homes, Department of Housing and Urban Development, HUD.

ACTION: Notice for comment.

SUMMARY: This notice for comment seeks public input regarding HUD's intention to revise the elevated blood lead level (EBLL) threshold in HUD's requirements for assisted housing. HUD intends to revise its EBLL threshold to 3.5 micrograms of lead per deciliter ($\mu\text{g}/\text{dL}$) of blood for a child under the age of 6, consistent with the Centers for Disease Control and Prevention's (CDC) current blood lead reference value (BLRV) of 3.5 ($\mu\text{g}/\text{dL}$) of blood for a child under the age of 6. The CDC uses its BLRV for encouraging actions such as environmental investigations of homes to identify potential sources of lead. When HUD last amended its EBLL threshold in 2017, CDC's BLRV for children under the age of 6 was 5 $\mu\text{g}/\text{dL}$, the level HUD uses as its current EBLL threshold.

DATES: *Comment Due Date:* October 11, 2024.

ADDRESSES: Interested persons are invited to submit comments responsive to this notice for comment. There are two methods for submitting public comments. All submissions must refer to the above docket number and title.

1. *Electronic Submission of Comments.* Comments may be submitted electronically through the Federal eRulemaking Portal at www.regulations.gov. HUD strongly encourages commenters to submit comments electronically. Electronic submission of comments allows the commenter maximum time to prepare and submit a comment, ensures timely receipt by HUD, and enables HUD to make comments immediately available to the public. Comments submitted electronically through www.regulations.gov can be viewed by other commenters and interested members of the public. Commenters should follow the instructions provided on that website to submit comments electronically.

2. *Submission of Comments by Mail.* Comments may be submitted by mail to the Regulations Division, Office of

General Counsel, Department of Housing and Urban Development, 451 7th Street SW, Room 10276, Washington, DC 20410–0500.

Public Inspection of Public Comments. All properly submitted comments and communications will be available for public inspection and copying between 8 a.m. and 5 p.m. eastern time weekdays at the above address. Due to security measures at the HUD Headquarters building, you must schedule an appointment in advance to review the public comments by calling the Regulations Division at 202–708–3055 (this is not a toll-free number). HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech or communication disabilities.
