

# Instructions for Request for Certificate of Non-Existence

Department of Homeland Security  
U.S. Citizenship and Immigration Services

USCIS  
Form G-1566  
OMB No. 1615-0156  
Expires 02/28/2026

## What Is the Purpose of Form G-1566?

The information provided in Form G-1566 is used to determine if the immigration records specified by the requestor exist for the subject of record listed on the form. A Certificate of Non-Existence certifies that U.S. Citizenship and Immigration Services (USCIS) did not find the type of records identified by the requestor in **Part 1. Certificate Request**, of the form. If USCIS finds the type of records specified by the requestor, a Certificate will not be issued, but the requestor will be provided a response.

**NOTE:** USCIS searches records in its custody and control when determining whether to issue a Certificate of Non-Existence. Certain records may have been transferred, including:

1. Records of naturalization prior to September 27, 1906. Consult Federal records stored at the National Archives and Records Administration (NARA) Record Group 21, at [www.archives.gov/research/guide-fed-records/groups/021.html](http://www.archives.gov/research/guide-fed-records/groups/021.html) or contact the clerk of the court where the naturalization occurred; or
2. Sea, land, or air passenger manifest lists recording arrivals prior to December 1982. For these documents, contact National Archives and Records Administration (NARA) at [www.archives.gov/research/immigration](http://www.archives.gov/research/immigration).
