Section A. General Information - Merging of OPEIDs

Merging of OPEIDs

You did not select all of the additional locations in the table to merge with your institution. The locations not selected must be closed or merged into other OPEIDs before this application can be submitted. Contact Federal Student Aid before you submit this application. If you submit this application before closing or merging these locations into another OPEID, the non-selected locations will be disapproved and will lose Title IV eligibility.

You are requesting to merge one or more OPEIDs that share your ownership. If you are requesting to merge OPEIDs that do not share your ownership, the merging institution must first submit an application to report the Structure Change and/or Change in Ownership before you request to merge the institutions.

1. What is the anticipated date of this merger?

2. Provide the Main OPEID of the merging institution.

3. Select each location that is merging into this institution's OPEID.
