OMB Burden Disclosure Statement

This data is being collected for manufacturers to certify compliance to DOE's energy conservation, water conservation, and monitor compliance with the energy conservation, water conservation, and design standards and testing requirements for products mandated by the Energy Policy and Conservation Act, as amended.

Public reporting burden for this collection of information is estimated to average 35 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, reviewing the collection of information, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Records Management Division, Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB) 20503.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control

Until manufacturers are required to demonstrate compliance with the energy conservation standards for portable air con data is optional. For portable air conditioners manufactured on or after January 10, 2025, submission of this data is man

OMB Control Number: 3084-0069 (Expiration Date: April 30, 2027)

Paperwork Reduction Act Statement

OMB Burden Disclosure Statement

This data is being collected for manufacturers to report required information to the Federal Trade Commission. This information is for comparison shop for energy-efficiency household products.

Public reporting burden for this collection of information is estimated to average from 2 minutes per year per basic product or service, including reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Docket Management, 600 Pennsylvania Avenue NW, Washington, DC 20580; and to the Office of Management and Budget (OMB), Paperwork Project Director, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302, and to the Office of Management and Budget (OMB), Paperwork Project Director, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control

Submission of this data is required by the Federal Trade Commission; submission through CCMS is optional.
