Introduction

Part 60 New Source Performance Standards (NSPS), Part 62 and Part 63 National Emission Standards for Hazardous Pollutants (NESHAP) regulations require electronic reporting. The Compliance and Emissions Data Reporting Interface (CEDRI) supports the electronic submission of various reports including performance test reports, notification reports and periodic reports. The Electronic Reporting Tool (ERT) is used to electronically create stationary source sampling test plans and complete electronic reports for submittal to the regulatory agency.

Affected industrial facilities are required to submit emissions test results electronically. This can be accomplished by using the ERT or, depending on the regulation, an electronic file consistent with the ERT full xml schema. Facilities should review the applicable regulations to determine the exact requirements for their source. The facilities will submit these files to the Central Data Exchange (CDX) using CEDRI. The submission files are stored in the CDX Cross-Media Electronic

Introduction

Part 60 New Source Performance Standards (NSPS), Part 62 and Part 63 National Emission Standards for Hazardous Pollutants (NESHAP) regulations require electronic reporting. The Compliance and Emissions Data Reporting Interface (CEDRI) supports the electronic submission of various reports including performance test reports, notification reports and periodic reports. The Electronic Reporting Tool (ERT) is used to electronically create stationary source sampling test plans and complete electronic reports for submittal to the regulatory agency.

Affected industrial facilities are required to submit emissions test results electronically. This can be accomplished by using the ERT or, depending on the regulation, an electronic file consistent with the ERT full xml schema. Facilities should review the applicable regulations to determine the exact requirements for their source. The facilities will submit these files to the Central Data Exchange (CDX) using CEDRI. The submission files are stored in the CDX Cross-Media Electronic Reporting Rule (CROMERR) archive and become available to submitters and authorized reviewers immediately upon submission. In general after 60 days, the ERT files will be available to the public in WebFIRE. Generally, the periodic reports are available in WebFIRE 30 days after submittal to CEDRI.

A person is not required to respond to the collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. For your convenience, these OMB control numbers are listed in the table below. For complete information, please see www.reginfo.gov. The public reporting and recordkeeping burden for this collection of information is estimated and listed in the table in hours per response.

PRA - List of Rules, OMB Numbers and Burden Estimates

- This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
- Electronic reporting templates without an OMB control number are awaiting approval from OMB. Pending OMB's approval, reporting templates are offered as voluntary tools to assist respondents in complying with reporting requirements. EPA will not penalize or withhold a benefit from you for providing the information in another format.
- Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Regulatory Support Division Director, Office of Enterprise Information Programs, Office of Mission Support, U.S. Environmental Protection Agency, Mail Code 2822T, 1200 Pennsylvania Avenue, N.W., Washington, D.C. 20460-0001.

CDX Homepage for CEDRI login (1 of 2)

The screenshot shows the EPA Central Data Exchange (CDX) homepage. At the top left is the EPA logo with the text "United States Environmental Protection Agency". A navigation menu includes "Home", "About", "Recent Announcements", "Terms and Conditions", "FAQ", and "Help". The main header features the "CDX Central Data Exchange" logo and a "Contact Us" link. Below this, it indicates the user is logged in as "REDVIPER" with a "Log out" link. A large banner image of a forest path is on the left. On the right, there is a "Access CDX Profile" section with the text "Begin managing your CDX profile information." and a green "Go to MyCDX" button. Below that is a "Warning Notice and Privacy Policy" link. The main content area has a "Welcome" section with a paragraph about the CDX's purpose. At the bottom, there is a "Warning Notice and Privacy Policy" section with a "Warning Notice" sub-section containing a list of five terms and conditions.
