

**Methane Challenge Program
Partnership Agreement for Best Management Practice (BMP) Commitment
Appendix A: Commitment Table**

Appendix A can be used by companies that joined the Program at the corporate level and wish to make separate commitments for their subsidiaries/LDCs.

Subsidiary/LDC:

Corporate Level Partner:

For the subsidiary/LDC named above, please specify participating sources, start date, and target achievement year in the table below; check all that apply.

Source		Start Date	Achievement Year
Onshore Production			
<input type="checkbox"/>	Pneumatic Controllers		
<input type="checkbox"/>	Equipment Leaks/Fugitive Emissions		
<input type="checkbox"/>	Liquids Unloading		
<input type="checkbox"/>	Pneumatic Pumps		
<input type="checkbox"/>	Fixed Roof, Atmospheric Pressure Hydrocarbon Liquid Storage Tanks		
<input type="checkbox"/>	Continuous Improvement Source (TBD)		
<input type="checkbox"/>	Continuous Improvement Source (TBD)		
Gathering and Boosting			
<input type="checkbox"/>	Pneumatic Controllers		
<input type="checkbox"/>	Equipment Leaks/Fugitive Emissions		
<input type="checkbox"/>	Pneumatic Pumps		
<input type="checkbox"/>	Fixed Roof, Atmospheric Pressure Hydrocarbon Liquid Storage Tanks		
<input type="checkbox"/>	Reciprocating Compressors - Rod Packing Vent		
<input type="checkbox"/>	Centrifugal Compressors - Venting		
<input type="checkbox"/>	Continuous Improvement Source (TBD)		
<input type="checkbox"/>	Continuous Improvement Source (TBD)		
Natural Gas (NG) Processing			
<input type="checkbox"/>	Reciprocating Compressors - Rod Packing Vent		
<input type="checkbox"/>	Centrifugal Compressors - Venting		
<input type="checkbox"/>	Continuous Improvement Source (TBD)		
<input type="checkbox"/>	Continuous Improvement Source (TBD)		
NG Transmission & Underground Storage			
<input type="checkbox"/>	Reciprocating Compressors - Rod Packing Vent		
<input type="checkbox"/>	Centrifugal Compressors - Venting		
<input type="checkbox"/>	Equipment Leaks (Compressor Blowdown and Isolation Valves)		
<input type="checkbox"/>	Transmission Pipeline Blowdowns between Compressor Stations (Commitment Rate: ; must be 50% or greater)		
<input type="checkbox"/>	Pneumatic Controllers		
<input type="checkbox"/>	Continuous Improvement Source (TBD)		
<input type="checkbox"/>	Continuous Improvement Source (TBD)		

Source		Start Date	Achievement Year
NG Distribution			
<input type="checkbox"/>	M&R Stations/City Gates		
<input type="checkbox"/>	Mains – Cast Iron and Unprotected Steel (<i>Commitment Rate:</i>)		
<input type="checkbox"/>	Services – Cast Iron and Unprotected Steel		
<input type="checkbox"/>	Distribution Pipeline Blowdowns (<i>Commitment Rate:</i> ; <i>must be 50% or greater</i>)		
<input type="checkbox"/>	Excavation Damages		
<input type="checkbox"/>	Renewable Natural Gas		
<input type="checkbox"/>	<i>Continuous Improvement Source (TBD)</i>		
<input type="checkbox"/>	<i>Continuous Improvement Source (TBD)</i>
