Tribal Drinking Water Grants: Workplan Proposal Form

General Instructions: Please use this form to provide EPA with information about your proposed project workplan. EPA’s Tribal Drinking Water funding programs are administered by EPA Regional Offices, each of which have unique grants administration processes, procedures, and timelines. EPA Regional Offices may have developed Region-specific supplementary instructions to aid applicants in completing this form. Please refer to any Region-specific instructions provided and contact your [EPA Regional Office point of contact](#) if you have questions about completing or submitting this form.

Burden Statement

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. OMB Control Number: 2090-NEW. Responses to this collection of information are mandatory [40 CFR Part 35, 2 CFR Parts 200 and 207]. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 2 – 5 hours per response. Send comments on the Agency’s need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to Director, Information Engagement Division; U.S. Environmental Protection Agency (2821T); 1200 Pennsylvania Ave., NW; Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
