OMB Control No. 2528-0335, expiration date 5/31X/2025. This form is designed to provide HUD with information about the effectiveness of its Older Adults Home Modification Grant Program. Your participation in the Evaluation as a grantee is mandatory as a condition of the grant. The Public reporting burden for your collection of information is estimated to be 30 minutes per response. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

REDCap: Attach the Empty Work Documentation Excel Template.

Grantee Instructions: The purpose of this form is to document home modification tasks and costs. Do not include costs related to assessing the home to determine home modifications needed (e.g., OT-related assessment costs) or costs to administer the OAHM Program (e.g., grantee project management costs). Number home modification tasks, entering one home mod per row. Optional: Upload supporting documentation (e.g., invoices). List any donated materials, with \$0 cost.
