OMB Control Number: 2900–0897.

Type of Review: Revision of a currently approved collection.

Abstract: The VA uses data from the VA Form 22–10215 and VA Form 22–10215a for this information collection to ensure the compliance of IHLs and NCD training institutions that are approved by the VA to ensure that no more than 85% of students in any approved program are students in receipt of financial support from the educational

institution or by VA under title 38, U.S.C., or under title 10, U.S.C. Without this information, VA might pay benefits in error. Except as otherwise provided by regulation, VA shall not approve an enrollment in any course for an eligible Veteran, not already enrolled, for any period during which more than 85 percent of the students enrolled in the course are having all or part of their tuition, fees or other charges paid for them by the educational institution or by VA under title 38, U.S.C., or under title 10, U.S.C. This is known as the 85/15 Rule and is applicable to Institutions of Higher Learning (IHLs) and Non-College Degree postsecondary schools (NCDs). The requirements apply to all courses, not otherwise exempt, or waived, offered by all educational institutions, regardless of whether the institution is degree-granting, proprietary profit, proprietary nonprofit, eleemosynary, public and/or tax-supported. These schools are required to submit information necessary to determine if their programs of training are approved for the payment of VA educational assistance. This specified information is submitted either to VA or to the State Approving Agency (SAA) having jurisdiction over that school.

Affected Public: Educational Institutions.

Estimated Annual Burden: 1,814 hours.

Estimated Average Burden per Respondent: 60 minutes.
