

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control numbers for these information collections are 0579-0040 and 0579-0453. The time required to complete this information collection is estimated to average .12 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

APPLICATION FOR INSPECTION AND DIPPING

PORT OF ENTRY

PROPOSED DATE OF ENTRY

NUMBER

BREED

SPECIES

PURPOSE

Inspection and, when necessary, supervised dipping, are hereby requested under 92, 9 CFR, for livestock described, when offered for Importation. The undersigned agrees to waive all claims against the United States for any loss or damage to livestock occasioned by or resulting from dipping, or resulting from the fact that they are later found to be still tick infested, and also for all subsequent loss or damage to any other animals in the possession or control of such importer which may come in contact with the animals so dipped.

PREMISES OF ORIGIN

MUNICIPALITY OF ORIGIN

STATE OF ORIGIN

RECORD OF LAST DIPPING

NAME AND BUSINESS ADDRESS OF IMPORTER

FOR DELIVERY TO

LOCATED AT

This is to certify that the Information given above is correct and that any ruminants or swine covered by this application have originated in Mexico and that none of the animal have been in any other country during the time foot-and-mouth disease existed there, or have been corralled, pastured, or held with such ruminants during the preceding 60 days, unless accompanied by a valid import permit issued by Veterinary Services.

Acknowledgement is hereby made that only certain dips (Listed in 9 CFR Parts 72, 73, and 74) are permitted for treatment against cattle fever ticks and scabies.

If I am advised that precautionary dipping is to be against scabies, then _____ dip is hereby requested.

This application may become null and void if the livestock are not submitted for inspection on the "Accepted date" approved by the Port Veterinarian of Veterinary Services.
